III. Comments:

9. Comments regarding significant changes from previous year's corresponding quarter.

The increase in FTEs from Q2 FY16 to Q2 FY17 are primarily due to filling key positions in the Shared Information Services office in support of PeopleSoft/Hyperion applications and the participating institutions and to the continued investment in the Board approved Institute for Transformational Learning/Competency Based Education initiatives.

FTE limitation: 252.9

10. Explanation of Exceeding the Limitation on State Employment Levels.

The FTEs that are anticipated to be in excess of the annual limitation are primarily due to making Board approved strategic investments throughout the organization including providing tuition relief to academic institutions by assuming certain functions. Key areas include System Audit, Systemwide information security, the UTShare information system, technology efforts, and the Institute for Transformational Learning/Competency Based Education initiatives.
