Page 1 of \_\_\_\_

Addendum Issue Date: May 17, 2016

DIRECT QUESTIONS TO: Lequida Pearson/Kyle Barton via the SciQuest System

ACKNOWLEDGEMENT OF THIS ADDENDUM 3 IS REQUIRED IN ACCORDANCE WITH <u>SECTION</u> <u>1.2 OF APPENDIX ONE</u>, TO THE RFP. THIS RFP ADDENDUM IS A FURTHERANCE OF RFP <u>UTS/A60</u> AND IS NOT A CONTRACT OR OFFER TO CONTRACT.

#### Item One: RFP Submittal Deadline

The RFP Submittal Deadline has been changed to June 7 at 3:00 PM (CST)

#### Item Two: Section 6 – Price Schedule and Affirmation

Section 6 is hereby deleted in its entirety and replaced "Revised Section 6" attached hereto in both a MS Word and PDF format. This "Revised Section 6" more accurately addresses the two-step RFP process.

Please download, complete, sign and upload this "Revised Section 6" as part of your proposal.

#### Item Three: Appendix Two – HUB Subcontracting Plan

Since the full pricing proposal will not be submitted until Step 2 of the RFP process, we are directing all Proposers to submit the HUB Subcontracting Plan (HSP) as "Self-Performing". If you determine during Step 2 of the RFP process your company will be subcontracting, you will then submit a revised HSP with your Step 2 submittal.

If you have any questions on which forms to submit at this time with your proposal, please contact the UT System HUB Coordinator:

### **Cynthia Booker**

UT System Administration Office of HUB Development Office: 409-772-1353 cbooker@utsystem.edu

### Item Four: Section 5.5 – Proposers Survey

Question 2.1 is hereby deleted in its entirety and replaced with the following:

2.1 Provide a listing of at least three (3) customers (non-UT System Institutions) for which you have provided managed print services and additional services of the type and kind required by this RFP (healthcare or academic institutions, preferred). Your customer reference list shall include the company name; contact person including telephone #; scope of services, annual sales volume (\$), and the period of time for which work was performed.

This change is made to correct a mistake in the parenthetical to now read "(non-UT System Institutions)".

### Item Five: Exceptions to the RFP

Any and all exceptions to the RFP scope, terms, etc. should be uploaded under Question 16.1.4 in the esourcing tool.

#### Item Six: Section 5.3 - Additional Questions Specific to this RFP and Scope of Work

Subsection 5.3.6 is hereby deleted and replaced with the following:

"5.3.6 By signing the Execution of Offer (ref. Section 2 of APPENDIX ONE), Proposer agrees to comply with Section 2252.908, Government Code ("Disclosure of Interested Parties Statute"), and <u>1 Texas Administrative Code Sections 46.1 through 46.5</u> ("Disclosure of Interested Parties Regulations"), as implemented by the Texas Ethics Commission ("TEC"), including, among other things, providing the TEC and UT System with the information required on the form promulgated by the TEC and set forth in APPENDIX SEVEN. Proposers may learn more about these disclosure requirements, including the use of the TEC electronic filing system, by reviewing the information on the TEC website at <a href="https://www.ethics.state.tx.us/whatsnew/FAQ\_Form1295.html">https://www.ethics.state.tx.us/whatsnew/FAQ\_Form1295.html</a>. The Certificate of Interested Parties must be submitted by Preferred Supplier upon delivery to UT System of a signed Agreement."

This change is made to correctly reference "APPENDIX SEVEN" in the seventh line above.

#### Item Six: RFP Questions Received

Answers to the questions received about the RFP are attached hereto.

All other terms, conditions and requirements set forth in RFP UTS/A60 remain unchanged and in effect.

### **END OF ADDENDUM 3**

### UTS/A60 Multi-Function Devices and Managed Print Services RFP RFP Questions Received

1. Do you have an output management solution(s) in place? If so, what are you using today? Do you like them? Why or why not?

No, we do not have a comprehensive output management solution in place.

2. As mentioned in 1.2 Objective of this Request for Proposal, what EMR and ERP systems do you have? Are you considering any changes in the near future?

All of our healthcare intuitions use Epic for the EMR system. All of institution excluding UT Austin use PeopleSoft for their ERP system. UT Austin is implementing Workday for their ERP system.

3. What student accounting systems are used for charging students to make copies or prints?

Some of our institutions use systems "Go Print" and "Papercut".

4. Are there any internal initiatives of which we should be aware to help us design our proposed solution?

No, other than several of our institutions are interested in a MPS solution.

5. Can you provide the number of users per institution?

Currently, all UT institutions combined have approximately 100,000 employees and 220,000 students

6. Can you provide any information regarding existing network and local printers, faxes and scanners in the UT Systems environment today? Estimated device counts by Institution, estimated volume, models and manufacturers, etc.?

This information will be explored in more detail in Step 2 of the RFP process.

7. Have you moved devices in the past? What percentage of devices per year?

Yes, under our current program we have moved those devices, but it is not something we track.

8. Have you upgraded/ downgraded any of the device population in the past? What percentage of devices per year?

Yes, under our current program we have upgraded and downgraded MFDs. This generally happened at the end of a lease term and is dependent on the number of MFD leases expiring at any given time.

9. Will UT Systems mandate Institutions' participation in the MFD and MPS programs? Will this be enforced by UT systems?

No, UT System Supply Chain Alliance (UTSSCA) contacts are not mandated. Each institution can choose to utilize the contracts by executing the Institutional Participation Agreement (IPA) that is included in the RFP (ref. Appendix Three-300). Once the IPA is executed the UTSSCA does monitor compliance.

10. Will UT allow for Authorized Distributors or resellers to be included in this contract effort, whereby, the awarded vendor can name resellers or partners and Alliance members who can contract directly with the reseller/distributor?

Yes, but there does need to be one entity responsible for the overall management of the contract and SLAs.

11. Regarding Section 5.5, Question 5.8 (Service Request Management System): please clarify if UT Systems is looking for a global call management system.

No, we are just would like to know what type of call management system your company uses.

12. Regarding Section 5.5, Question 2.1 (References): please clarify, do customer references need to be UT System Institutions?

No, that is a typo. The references should be from non-UT institutions. That question will be amended.

13. This question is on the ability to provide an enterprise fax server solution to each Alliance member. Can a cloud-based fax solution service be included for consideration? Is there any global enterprise fax server infrastructure serving more than one Alliance member as in a shared services model?

We cannot give advice on how a proposer should respond to the RFP. You are welcome to propose as many options as you like for a particular solution. As this time, we are not aware of any institution using a shared services model for a fax solution.

14. With regards to MFP devices having the ability to support Fax Over IP, are VOIP telecommunication systems in use at all participating members? If so, with what vendors (Cisco, Avaya, etc.)?

That information will be explored in more detail in Step 2 of the RFP process, however most of our institutions are using VOIP.

15. Will a Form 1295 be required for each participating institute, or will one (1) Form 1295 for the entire UT System be sufficient for the term of the contract?

One 1295 Form will be sufficient. Please note that this Form <u>is not</u> required in your proposal. It will only be required if your company is awarded a contract under this RFP.

16. Are the total b/w and Color impressions listed based on Monthly, Quarterly or Annual averages?

Those are annual figures

17. Are you looking for HP OEM Toners or Reman/Compatible Toners Asked 5/4/2017 9:45 AM by Curtis Morris Double M Laser Products, Inc.

We cannot give advice on how a proposer should respond to the RFP. You are welcome to propose as many options as you like for a particular solution.

18. In the MPS Proposers Survey 12.2 it asks "will your company offer early start-up or transitions incentives if awarded?" What types of incentives does the intuition believe would help us get off to a fast start?

We cannot give advice on how a proposer should respond to the RFP. You are welcome to propose as many options as you like for a particular solution.

19. 12.3 in the MPS Proposer's Survey asks: "Will your company offer a lease buy-back situation?" Question - How much hardware is leased today?

This information will be explored in more detail in Step 2 of the RFP process.

20. Obviously the \$11.6 million spend with your current vendor in 2016 was significant -- but also towards the end of the contract. Can you tell us the length of the contract and approximate spend per year?

The term of the current contract is 7 years, and the total contract spend by year is:

2011 - \$2.4M 2012 - \$4.6M 2013 - \$5.6M 2014 - \$7.1M 2015 - \$8M 2016 - \$11.5M

21. Will this contract be extended to your "Affiliated" schools?

Yes

22. How many printers are in the MD Anderson environment and how much paper did MD Anderson buy in 2016?

This information will be explored in more detail in Step 2 of the RFP process.

23. For subsection 12.5 of Appendix Three, please confirm that the supplier is not responsible for determining whether information provided to it (i) is libelous, defamatory or obscene, or (ii) may be duplicated, scanned or imaged without violating a third party's intellectual property rights.

Please include any exceptions to the Appendix Three in your submission

24. In subsection 33.3 of Appendix Three, in line with (2), please confirm that the IPA would have responsibility for remaining lease payments in the event of a termination for convenience?

Please include any exceptions to the Appendix Three in your submission

25. Will bidders be provided with Riders 100, 200, 500, 600 and 700 for review prior to the proposal deadline?

These Riders will be developed in the contracting phase of the RFP process and are based on the awarded suppliers' proposal.

#### SECTION 1 INTRODUCTION

#### 1.1 Description of The University of Texas System

The University of Texas System is comprised of System Administration and 14 institutions of higher education with campuses across the State of Texas whose missions are devoted to world class healthcare, teaching, research, and public service (collectively, "**UT System**"). UT System is one of the larger education systems in the United States. With an operating budget of \$17.9 billion, UT System has a current student enrollment exceeding 221,000. UT System employs about 100,000 faculty and staff, making UT System one of the largest employers in the State of Texas.

UT System is comprised of the following institutions:

- The University of Texas Southwestern Medical Center (UTSW)
- The University of Texas Medical Branch at Galveston (UTMB)
- The University of Texas Health Science Center at Houston (UTHSCH)
- The University of Texas Health Science Center at San Antonio (UTHSCSA)
- The University of Texas MD Anderson Cancer Center (UTMDACC)
- The University of Texas Health Science Center at Tyler (UTHSCT)
- The University of Texas at Arlington (UTA)
- The University of Texas at Austin (UT Austin)
- The University of Texas at Dallas (UTD)
- The University of Texas at El Paso (UTEP)
- The University of Texas of the Permian Basin (UTPB)
- The University of Texas at San Antonio (UTSA)
- The University of Texas at Tyler (UTT)
- The University of Texas Rio Grande Valley (UTRGV)

UT System has established The UT System Supply Chain Alliance (the "Alliance") to conduct and coordinate strategic purchasing initiatives across UT System. The Alliance essentially operates as UT System's own, in-house group purchasing organization. The Alliance is also affiliated with various Texas institutions of higher education. Through collaborative relationships, the Alliance seeks to combine supply chain and contracting activities and obtain best value goods and services while reducing total acquisition costs. The Alliance has created a team of supply chain professionals (the "Strategic Services Group") that has been tasked with executing Alliance purchasing initiatives. The Strategic Services Group assembles a team of subject matter experts ("SMEs") from participating institutions to assist in developing each sourcing event and evaluating suppliers during the procurement process. SMEs are involved from the sourcing event's inception and work with the Alliance and UT System to select the best value supplier(s). Any agreement resulting from this Request for Proposal (this "RFP") will be extended and marketed to all UT System institutions. Various non-UT System institutions that are affiliated with the Alliance may participate, too, in any agreement resulting from this RFP.

By participating in this RFP, proposer(s) (collectively, "**Proposer**") agrees to extend all goods, services and pricing to any Alliance member or affiliate (collectively, "**Institutional Participant**") that wishes to participate in any contract entered into with Proposer.

#### 1.2 Objective of this Request for Proposal

UT System, acting through the Alliance, is soliciting proposals in response to this RFP for selection of a Preferred Supplier to provide services that include either or both of the following programs for Multi-Function Devices ("**MFD**") and/or Managed Print Services ("**MPS**"):

- A. MFD Program Provide only MFDs and related maintenance and support services
- B. MPS Program Provide MPS for all institutional prints. This includes (i) all MFDs, as well as network printers, local printers, faxes, and scanners; (ii) integrating devices with the institutions' EMR and ERP systems, and (iii) managing network and desktop printers.

all as more specifically described in **Section 5.4** ("**Scope of Work**") of this RFP (collectively, the "**Services**"). The successful Proposer(s) to whom business may be awarded is referred to in this RFP as the "**Preferred Supplier**."

The goal of this RFP is to identify a Preferred Supplier that will provide the most practical and cost-effective business model to serve the needs of Institutional Participants. UT System hopes to conclude an agreement that will provide Institutional Participants with access to the Services at discounted prices and will permit all parties to reduce procurement and transaction costs and improve business processes. The goal of this RFP is to work toward solutions that will minimize cost, while maintaining or improving current service levels and improving efficiencies and cost savings for all Institutional Participants.

Proposer is invited to submit a proposal to establish a strategic business alliance with UT System that will maximize the resources of both organizations to most effectively meet the requirements specified in this RFP. Specifically, this RFP process should:

- provide a comprehensive and guaranteed pricing structure for the Services;
- leverage the aggregate purchasing volumes of Institutional Participants;
- achieve cost savings for Institutional Participants;
- improve overall customer satisfaction; and
- enhance relationships between Preferred Supplier and Institutional Participants.

UT System is seeking to minimize the total acquisition cost of the Services while creating synergies between Institutional Participants and Preferred Supplier. UT System hope to conclude an agreement that will provide Institutional Participants with access to the Services at charges guaranteed to be discounted as compared to the then-current market rates for comparable Services available from reputable providers. UT System will work through the Alliance to team with Preferred Supplier to develop business processes that will foster a strong working relationship and produce a win-win for all parties.

Preferred Supplier will be enrolled in the Alliance's Supplier Relationship Management Program ("**SRM**") to monitor Preferred Supplier's performance and pricing. UT System expects Preferred Supplier to work closely with the Alliance and each Institutional Participant and produce benefits for all parties involved in the relationship.

Proposer should realize that what is written in their final proposal submitted to UT System may become part of the successful Proposer's final contract.

UT System may ask Proposer(s) to provide a formal presentation, prior to contract award, with additional information to SMEs or the Strategic Services Group. This presentation will allow the Alliance to clarify any technical, quality, or price-based questions that may arise from Proposer's response.

Proposer should provide solutions involving HUB suppliers, where possible (ref. Section 2.5 of this RFP).

#### **1.3 Background and Scope of Opportunity**

It is anticipated that the term of the agreement resulting from this RFP could be up to (10) years depending on the merits of the proposals received.

UT System has an existing agreement with a preferred supplier of MFD and MPS services. The existing agreement is scheduled to expire on January 31, 2018. The aggregate spend by all Institutional Participants under the existing agreement for the calendar year ending December 31, 2016 was approximately \$11.6 million. This annual spend was for <u>MFD services only</u>. Also, this figure accounts for spend only by current Institutional Participants. Since the Alliance intends to promote the use of the selected Preferred Supplier to all UT and affiliated institutions, which include other institutions of higher education within the State of Texas, annual volumes could be higher than this figure.

Additional metrics for the <u>current MFD program</u> are included as **Attachment A**. This includes; (i) the current Institutional Participants and the number of MFDs installed at each campus as well as the potential number of MFDs at each campus; and (ii) the model numbers of all MFDs at each campus.

ALL METRICS INCLUDED IN THIS RFP ARE ESTIMATES ONLY. VOLUMES PURCHASED ON THE BASIS OF ANY AGREEMENT RESULTING FROM THIS RFP MAY INVOLVE MORE OR LESS THAN THE ESTIMATES PROVIDED. UT SYSTEM DOES NOT REPRESENT, WARRANT OR GUARANTY THAT PARTICIPANTS WILL PURCHASE ANY PARTICULAR DOLLAR VALUE OR ANY PARTICULAR QUANTITY, AND UT SYSTEM SPECIFICALLY DISCLAIMS ANY SUCH REPRESENTATIONS, WARRANTIES AND GUARANTIES.

#### 2.5 Historically Underutilized Businesses

2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a "HUB") in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all

businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Preferred Supplier subcontracts any of its performance hereunder, Preferred Supplier must make a good faith effort to utilize HUBs certified by the Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by UT System as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by UT System, its obligation to make a good faith effort to utilize HUBs when subcontracting hereunder will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting hereunder by Proposer is subject to review by UT System to ensure compliance with the HUB program.

- 2.5.3 A HUB Subcontracting Plan ("**HSP**") is required as part of Proposer's proposal. The HSP will be developed and administered in accordance with UT System's Policy on Utilization of Historically Underutilized Businesses attached as **APPENDIX TWO** and incorporated herein for all purposes.

Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including **APPENDIX TWO**. Proposals that fail to do so will be considered non-responsive to this RFP in accordance with Section 2161.252, Texas Government Code.

Preferred Supplier will not be permitted to change its HSP unless: (1) Preferred Supplier completes a newly modified version of the HSP in accordance with the terms of **APPENDIX TWO** that sets forth all changes requested by Preferred Supplier, (2) Preferred Supplier provides UT System with such modified version of the HSP, (3) UT System approves the modified HSP in writing, and (4) all agreements or contractual arrangements resulting from this RFP are amended in writing by UT System and Preferred Supplier to conform to the modified HSP.

2.5.4 Proposer must submit one (1) signed copy of the HSP to UT System at the same time as it submits its proposal to UT System (ref. **Section 3.1** of this RFP). The signed copy of the HSP (the "**HSP Packet**") must be submitted electronically utilizing the SciQuest e-sourcing tool as more particularly described in **Section 3.1** of this RFP. Proposer must ensure that the HSP Packet is submitted according to the electronic instructions provided in this RFP.

Any proposal submitted in response to this RFP that is not accompanied by an HSP Packet meeting the above requirements will be rejected by UT System and remain unopened, as that proposal will be considered non-responsive due to material failure to comply with advertised specifications. Furthermore, UT System will open a Proposer's HSP Packet prior to opening the proposal submitted by Proposer, in order to ensure that Proposer has submitted a signed copy of the Proposer's HSP Packet as required by this RFP. A Proposer's failure to submit a signed copy of the completed HSP Packet as required by this RFP will result in UT System's rejection of the proposal submitted by that

Proposer as non-responsive, due to material failure to comply with advertised specifications; such a proposal will remain unopened and will be disqualified and not reviewed by UT System (ref. **Section 1.5** of **APPENDIX ONE** to this RFP).

<u>Note</u>: The requirement that Proposer provide a signed and completed HSP Packet under this **Section 2.5.4** is separate from and does not affect Proposer's obligation to provide UT System with its proposal as specified in **Section 3.1** of this RFP.

2.5.5 UT System may offer Proposer the opportunity to seek an informal review of its draft HSP by the UT System Office of HUB Development. If so, details regarding this opportunity will be provided in the Pre-Proposal Conference (ref. **Section 2.6** of this RFP) or by other means. This process of informal review is designed to help address questions Proposer may have about how to complete its HSP properly. Any concurrence in or comments on the draft HSP by the UT System Office of HUB Development will NOT constitute formal approval of the HSP, and will NOT eliminate the need for Proposer to submit its final HSP to UT System, concurrently with its proposal, in accordance with the detailed instructions in this **Section 2.5**.

#### 2.6 **Pre-Proposal Conference**

UT System will hold a pre-proposal conference at **10:00 AM**, Houston Time, on **May 9, 2017**. Proposers may attend the conference in one of the following two formats:

in person attendance located in the One Mid-Campus Building at 7007 Bertner Ave. Suite 11.2339, TX 77030 (located in the Texas Medical Center); or

webinar broadcast via the Internet utilizing the "Go-to-Meeting" webinar conference service.

The Pre-Proposal Conference will allow all Proposers an opportunity to ask the Alliance, the Strategic Services Group, and UT System HUB representatives relevant questions and clarify provisions of this RFP. Proposer should notify the UT System Contact **by no later than May 8**, **2017**, whether it will attend the Pre-Proposal Conference, by emailing the UT System Contact at KDBarton@mdanderson.org. Proposer must clearly state in which format it will attend. If the Proposer elects to attend the Pre-Proposal Conference in the webinar format, UT System will provide complete details and instructions (including personal computer requirements). If Proposer elects to attend the Pre-Proposal Conference in person, there will be a strict limit of two (2) individuals per Proposer.

  - 3.3.1.1 <u>Specifications, Additional Questions and Scope of Work</u> (ref. **Section 5** of this RFP);

The terms and conditions contained in the attached Sample Preferred Supplier Agreement (ref. **APPENDIX THREE**) or, in the sole discretion of UT System, terms and conditions substantially similar to those contained in **APPENDIX THREE**, will constitute and govern any agreement that results from this RFP. If Proposer takes exception to any terms or conditions set forth in the Preferred Supplier Agreement, Proposer must submit a list of the exceptions as part of its proposal in accordance with **Section 5.3** of this RFP. Proposer's exceptions will be reviewed by UT System and may result in disqualification of Proposer's proposal as non-responsive to this RFP. UT System reserves the right to request additional clarification and oral interviews from a short-list of the top-rated Proposers solely on the written responses to this RFP. #### RFP – STEP 2 (TECHNICAL)

In RFP – Step 2 (Technical) step of the process, Proposers will be required to submit additional information to UT System, including, but not limited to, detailed project approach and implementation plans, staffing, contract terms & conditions, and cost and fee schedules. As part of RFP – Step 2 (Technical), the highest-ranked Proposers may be requested to provide additional clarifications, equipment for testing, participate in on-site assessments and on-site interviews as requested by UT System. UT System will open the HSP Packet submitted by a Proposer prior to opening Proposer's proposal in order to ensure that Proposer has submitted the completed and signed HUB Subcontracting Plan (also called the HSP) that is required by this RFP (ref. **Section 2.5.4** of the RFP). All proposals submitted by the Submittal Deadline accompanied by the completed and signed HSP required by this RFP will be opened. Any proposals that are not submitted by the Submittal Date or that are not accompanied by the completed and signed HSP required by UT System as non-responsive due to material failure to comply with advertised specifications. After the opening of the proposals and upon completion of the initial review and evaluation of the proposals, UT System may invite one or more selected Proposers to participate in oral presentations. UT System will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Preferred Supplier.

UT System may make the selection of Preferred Supplier on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, UT System may make the selection of Preferred Supplier on the basis of negotiation with any of Proposers. In conducting such negotiations, UT System will avoid disclosing the contents of competing proposals.

At UT System's sole option and discretion, UT System may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, UT System may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, UT System will defer further action on proposals not included within the competitive range pending the selection of Preferred Supplier; <u>provided</u>, <u>however</u>, UT System reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of UT System.

After submission of a proposal but before final selection of Preferred Supplier is made, UT System may permit a Proposer to revise its proposal in order to obtain Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. UT System will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. UT System is not obligated to select Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to UT System overall, as determined by UT System.

UT System reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or

permanently abandon this selection process, if deemed to be in the best interests of UT System. Proposer is hereby notified that UT System will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by UT System.

UT System reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP when deemed to be in UT System's best interest. UT System reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be

provided by telephone conference or personal meeting with or writing to UT System, at UT System's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

# **APPENDIX THREE**

# SAMPLE PREFERRED SUPPLIER AGREEMENT

The Parties acknowledge that, prior to any scheduled expiration of this Agreement, UT System may conduct a competitive procurement for the purchase of products and services comparable to the Services, for the period following expiration. If Preferred Supplier is not selected as the source for the succeeding period, Institutional Participants may need to transition over a period of time to purchasing the products and services primarily from the new source, rather than from Preferred Supplier. In such event, in order to allow for an orderly transition, Institutional Participants may wish to continue purchasing from Preferred Supplier for a limited period of time after the anticipated expiration of this Agreement. As a result, Preferred Supplier agrees that, notwithstanding any other provision of this Agreement:

- Preferred Supplier will make the Services available for purchase by Institutional Participants after
   \_\_\_\_\_\_, 20\_\_\_\_ (or the anticipated expiration date under any extended term of this Agreement), for a transitional period of six months (the "Transition Period"), on the same terms and conditions set forth in this Agreement.

- The Administrative Fee will apply to all future payments made by Institutional Participants for purchases of products and services initiated during this Agreement, including the Transition Period, even if such payments are made following expiration of this Agreement.
- All incentive / rebate trigger amounts that may be established in this Agreement for any calendar year will be pro-rated automatically on a straight-line basis, to account for partial calendar years during which this Agreement exists, including the Transition Period.

# SECTION 3 – Amendment:

No change, modification, alteration, or waiver of this Agreement will be effective unless it is set forth in a written agreement that is signed by UT System and Preferred Supplier.

# SECTION 4 – Performance by Preferred Supplier:

Preferred Supplier will perform its obligations under this Agreement to the satisfaction of UT Party. Time is of the essence in connection with this Agreement. # SECTION 9 – Loss of Funding:

Performance by UT Party under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "**Legislature**") and/or allocation of funds by the Board of Regents of The University of Texas System (the "**Board**"). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then UT Party will issue written notice to Preferred Supplier and UT Party may terminate this Agreement without further duty or obligation hereunder, other than payment for goods and services already delivered or provided to Institutional Participant. Preferred Supplier acknowledges that appropriation, allotment, and allocation of funds are beyond the control of UT Party.

#### **SECTION 10 – Force Majeure:**

None of the parties to this Agreement will be liable or responsible to another for any loss or damage or for any delays or failure to perform due to causes beyond its reasonable control including acts of God, strikes, epidemics, war, riots, flood, fire, sabotage, or any other circumstances of like character ("force majeure occurrence"). <u>Provided</u>, <u>however</u>, in the event of a force majeure occurrence, Preferred Supplier agrees to use its best efforts to mitigate the impact of the occurrence so that UT Party may continue to provide healthcare services during the occurrence.

Travis County, Texas, will be the proper place of venue for suit on or in respect of this Agreement. This Agreement and all of the rights and obligations of the parties thereto and all of the terms and conditions thereof will be construed, interpreted and applied in accordance with and governed by and enforced under the internal laws of the State of Texas.

# **SECTION 15 – Breach of Contract Claims:**

**15.1** To the extent that Chapter 2260, Texas Government Code, as it may be amended from time to time ("**Chapter 2260**"), is applicable to this Agreement and is not preempted by other Applicable Law, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by UT Party and Preferred Supplier to attempt to resolve any claim for breach of contract made by Preferred Supplier:

**15.1.1** Preferred Supplier's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Preferred Supplier will submit written notice, as required by subchapter B of Chapter 2260, to UT Party in accordance with the notice provisions in this Agreement. Preferred Supplier's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that UT

Party allegedly breached, the amount of damages Preferred Supplier seeks, and the method used to calculate the damages. Compliance by Preferred Supplier with subchapter B of Chapter 2260 is a required prerequisite to Preferred Supplier's filing of a contested case proceeding under subchapter C of Chapter 2260. The UT Party's chief business officer, or another officer of UT Party as may be designated from time to time by UT Party by written notice thereof to Preferred Supplier in accordance with the notice provisions in this Agreement, will examine Preferred Supplier's claim and any counterclaim and negotiate with Preferred Supplier in an effort to resolve the claims.

**15.1.2** If the parties are unable to resolve their disputes under Section 4.11.1.1, the contested case process provided in subchapter C of Chapter 2260 is Preferred Supplier's sole and exclusive process for seeking a remedy for any and all of Preferred Supplier's claims for breach of this Agreement by UT Party.

**15.1.3** Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Agreement by UT Party nor any other conduct, action or inaction of any representative of UT Party relating to this Agreement constitutes or is intended to constitute a waiver of UT Party's or the state's sovereign immunity to suit and (ii) UT Party has not waived its right to seek redress in the courts.

**15.2** The submission, processing and resolution of Preferred Supplier's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

**15.3** UT Party and Preferred Supplier agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

The right will not extend to any fixed fee component of the charges or to any services performed more than one year prior to the date of request for review. In the event such an audit by UT System reveals any errors or overpayments by UT System which error or overpayment is confirmed by Preferred Supplier, Preferred Supplier will refund UT System the full amount of such overpayments within thirty (30) days of such audit findings, or UT System, at its option, reserves the right to deduct such amounts owing to UT System from any payments due Preferred Supplier

#### SECTION 21 – Ethics Matters; No Financial Interest:

Preferred Supplier and its employees, agents, representatives and subcontractors have read and System's Conflicts Policv understand UT of Interest available at http://www.utsystem.edu/policy/policies/int160.html, UT System's Standards of Conduct Guide available at http://www.utsystem.edu/systemcompliance/, and applicable state ethics laws and rules available at www.utsystem.edu/ogc/ethics. Neither Preferred Supplier nor its employees, agents, representatives or subcontractors will assist or cause UT Party's employees to violate UT System's Conflicts of Interest Policy, provisions described by UT System's Standards of Conduct Guide, or applicable state ethics laws or rules. Preferred Supplier represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

# SECTION 22 – Assignment of Overcharge Claims:

Preferred Supplier hereby assigns to UT Party any and all claims for overcharges associated with this Agreement arising under the antitrust laws of the United States, 15 U.S.C.A., Sec. 1 et seq., or arising under the antitrust laws of the State of Texas, Business and Commerce Code, Sec. 15.01, et seq.

# **SECTION 23 – Assignment and Subcontracting:**

Except as specifically provided in any Historically Underutilized Business Subcontracting Plan ("**HSP**") attached as **Rider 500** and incorporated for all purposes, neither Preferred Supplier's interest in this Agreement, its duties and obligations under this Agreement nor fees due to Preferred Supplier under this Agreement may be subcontracted, assigned, delegated or otherwise transferred to a third party, in whole or in part, and any attempt to do so will (1) not be binding on UT Party; and (2) be a breach of this Agreement for which Preferred Supplier will be subject to any remedial actions provided by Texas law, including Chapter 2161, Texas Government Code, and 34 Texas Administrative Code ("TAC") Section 20.14. UT Party may report nonperformance under this Agreement to the Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, "TPSS") in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program. The benefits and burdens of this Agreement are, however, assignable by UT Party.

# SECTION 24 – Historically Underutilized Business Subcontracting Plan:

**24.1** If an HSP is attached to this Agreement, Preferred Supplier agrees to use good faith efforts to subcontract the scope of work in accordance with the HSP. Preferred Supplier agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to UT Party in the format required by the TPSS. Submission of compliance reports will be required as a condition for payment under this Agreement. If UT Party determines that Preferred Supplier has failed to subcontract as set out in the HSP, UT Party will notify Preferred Supplier of any deficiencies and give Preferred Supplier an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Preferred Supplier. If UT Party determines that Preferred Supplier failed to implement the HSP in good faith, UT Party, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program. UT Party may also revoke this Agreement for breach and make a claim against the Preferred Supplier.

**24.2** If at any time during the term of this Agreement, Preferred Supplier desires to change the HSP, before the proposed changes become effective (1) Preferred Supplier must comply with 34 TAC Section 20.14; (2) the changes must be reviewed and approved by UT Party; and (3) if UT Party approves changes to the HSP, this Agreement must be amended in accordance with Section 2.5.3 to replace the HSP with the revised subcontracting plan.

**24.3** If UT Party expands the scope of this Agreement through a change order or any other amendment, UT Party will determine if the additional scope of work contains probable subcontracting opportunities not identified in the initial solicitation for the scope of work. If UT Party determines additional probable subcontracting opportunities exist, Preferred Supplier will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (1) this Agreement may be amended to include the additional scope of work; or (2) Preferred Supplier may perform the additional scope of work. If Preferred Supplier subcontracts any of the additional subcontracting opportunities identified by UT Party without prior authorization and without complying with 34 TAC Section 20.14, Preferred Supplier will be deemed to be in breach of this Agreement under Section 4.19 and will be subject to any remedial actions provided by Texas law

including Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. UT Party may report nonperformance under this Agreement to the TPSS in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program.

# SECTION 25 – Payment and Invoicing:

Institutional Participant agrees to pay fees due under this Agreement in accordance with the Texas Prompt Payment Act ("**Act**"), Chapter 2251, *Texas Government Code*. Pursuant to the Act, payment will be deemed late on the 31<sup>st</sup> day after the later of: 1) the date the performance is completed, or 2) the date Institutional Participant receives an invoice for the related goods or services. Institutional Participant will be responsible for interest on overdue payments equal to the sum of: 1) one percent, plus 2) the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year (Institutional Participant's fiscal year begins September 1) that does not fall on a Saturday or Sunday. Institutional Participant will have the right to verify the details set forth in Preferred Supplier's invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Preferred Supplier at mutually convenient times; (b) examining any reports with respect to the related goods or services; and (c) other reasonable action.

Section 51.012, *Texas Education Code*, authorizes UT Party to make any payment through electronic funds transfer methods. Preferred Supplier agrees to receive payments from UT Party through electronic funds transfer methods, including the automated clearing house system (also known as ACH). Prior to the first payment under this Agreement, UT Party will confirm Preferred Supplier's banking information. Any changes to Preferred Supplier's banking information will be communicated by Preferred Supplier to UT Party in writing at least thirty (30) days in advance of the effective date of the change.

## **SECTION 26 – Limitations:**

The parties to this Agreement are aware that there are constitutional and statutory limitations on the authority of UT Party (a state agency) to enter into certain terms and conditions of this Agreement, including, but not limited to, those terms and conditions relating to disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitations of periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorneys' fees; dispute resolution; indemnities; and confidentiality (collectively, the "Limitations"), and terms and conditions related to the Limitations will not be binding on UT Party except to the extent authorized by the laws and Constitution of the State of Texas.

#### **SECTION 27 – Affirmative Action:**

Preferred Supplier agrees that either a written copy of Preferred Supplier's Civil Rights "Affirmative Action Compliance Program" or, if Preferred Supplier is not required to have such a written program, the reason Preferred Supplier is not subject to such requirement, is attached to this Agreement as **Rider 600** and incorporated for all purposes.

# SECTION 28 – OSHA Compliance:

Preferred Supplier represents and warrants that all products and services furnished under this Agreement meet or exceed the safety standards established and promulgated under the Federal Occupational Safety and Health Law (Public Law 91-598) and its regulations in effect or proposed as of the date of this Agreement.

# <u>SECTION 29 - Certifications of Nonsegregated Facilities and Equal Employment Opportunities</u> <u>Compliance:</u>

Preferred Supplier certifies that, except for restrooms and wash rooms and one (1) or more lactation rooms each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. Preferred Supplier agrees that a breach of this certification is a violation of the Equal Opportunity clause in this Agreement. The term "segregated facilities" means any waiting rooms, work area, rest rooms and wash rooms, entertainment areas, transportation, or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Preferred Supplier further agrees that, except where it has contracts prior to the award with subcontractors exceeding \$10,000.00 which are not exempt from the provisions of the Equal Opportunity clause, Preferred Supplier will retain such certifications for each one of its subcontractors in Preferred Supplier's' files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding \$10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

Preferred Supplier understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

# **SECTION 30 – Premises Rules:**

If this Agreement requires Preferred Supplier's presence on UT Party's premises or in UT Party's facilities, Preferred Supplier agrees to cause its representatives, agents, employees and permitted subcontractors (if any) to become aware of, fully informed about, and in full compliance with all applicable UT Party rules and policies, including, without limitation, those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions; consideration for students, patients and their families as well as employees; parking; and security.

# **SECTION 31 – Debarment:**

Preferred Supplier confirms that neither Preferred Supplier nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States ("**U.S.**") federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs issued by the U.S. General Services Administration. "**Principals**" means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Preferred Supplier will provide immediate written notification to UT Party if, at any time prior to award, Preferred Supplier learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which

reliance will be placed when UT Party executes this Agreement. If it is later determined that Preferred Supplier knowingly rendered an erroneous certification, in addition to the other remedies available to UT Party, UT Party may terminate this Agreement for default by Preferred Supplier.

# SECTION 32 – Office of Inspector General Certification:

Preferred Supplier acknowledges that UT Party is prohibited by federal regulations from allowing any employee, subcontractor, or agent of Preferred Supplier to work on site at UT Party premises or facilities if that individual is not eligible to work on federal healthcare programs such as Medicare, Medicaid, or other similar federal programs. Therefore, Preferred Supplier will not assign any employee, subcontractor or agent that appears on the List of Excluded Individuals issued by the United States Office of the Inspector General ("**OIG**") to work on site at UT Party premises or facilities. Preferred Supplier will perform an OIG sanctions check quarterly on each of its employees, subcontractors and agents during the time such employees, subcontractors and agents are assigned to work on site at UT Party premises or facilities. Preferred Supplier acknowledges that UT Party will require immediate removal of any employee, subcontractor or agent of Preferred Supplier assigned to work at UT Party premises or facilities if such employee, subcontractor or agent is found to be on the OIG's List of Excluded Individuals. The OIG's List of Excluded Individuals may be accessed through the following Internet website: http://www.dhhs.gov/progorg/oig/cumsan/index.htm.

# **SECTION 33 – Termination:**

**33.1** In the event of a material failure by either party to perform in accordance with the terms of this Agreement ("**default**"), the other, non-defaulting party may terminate this Agreement upon thirty (30) days' written notice of termination setting forth the nature of the material failure. The termination will not be effective if the material failure is fully cured prior to the end of the 30-day period. No such termination will relieve the defaulting party from liability for the underlying default or breach of this Agreement or any other act or omission.

**33.2** UT System may terminate this Agreement, without cause, upon written notice to Preferred Supplier; provided, however, this Agreement will not terminate until the later of (1) 90 days after receipt of notice of termination, or (2) the date that performance is complete under all purchase orders issued by Institutional Participant to Preferred Supplier prior to receipt of notice of termination. Institutional Participant may not issue any purchase orders after receipt of notice of termination. Termination of this Agreement will not relieve any party from liability for its default under or breach of this Agreement or any other act or omission of that party. In the event that this Agreement is terminated, then within thirty (30) days after termination, Preferred Supplier will reimburse UT Party for all fees paid by UT Party to Preferred Supplier that were (a) not earned by Preferred Supplier prior to termination, or (b) for goods or services that UT Party did not receive from Preferred Supplier prior to termination.

**33.3** UT System or Institutional Participant may terminate an IPA, without cause, upon written notice to Preferred Supplier; provided, however, the IPA will not terminate until the later of (1) thirty (30) days after receipt of notice of termination, or (2) the date that performance is complete under all purchase orders issued by Institutional Participant to Preferred Supplier prior to receipt of notice of termination. Institutional Participant may not issue any purchase orders after receipt of notice of termination. Termination of an IPA will not relieve any party from liability for its default under or breach of the IPA or any other act or omission of that party. In the event that an IPA is terminated, then within thirty (30) days after termination, Preferred Supplier will reimburse Institutional Participant for all fees paid by Institutional Participant to Preferred Supplier that were (a) not earned by Preferred Supplier prior to termination, or (b) for goods or services that Institutional Participant did not receive from Preferred Supplier prior to termination.

**33.4** If Preferred Supplier undergoes a Change of Control, UT System may, in its sole discretion, terminate this Agreement upon written notice to Preferred Supplier, effective immediately or, at UT System's option, upon conclusion of a reasonable transition period. For purposes of this Section, "**Change of Control**" means the sale of all or substantially all the assets of Preferred Supplier; any merger, consolidation or acquisition of Preferred Supplier with, by or into another corporation, entity or person; or any change in the ownership of more than fifty percent (50%) of the voting capital stock of Preferred Supplier in one or more related transactions. Upon any such termination of this Agreement, no UT Party will have any further liability or obligation to Preferred Supplier, or to any successor, employee, agent or representative of Preferred Supplier, except to pay for services actually rendered to the effective date of termination. If UT System provides any such notice of termination, Preferred Supplier and UT System will work together diligently to bring to a logical and orderly conclusion the business arrangements that are the subject of this Agreement.

# **SECTION 34 – Authority:**

The individuals executing this Agreement on behalf of each party have been duly authorized to act for and bind the party they represent.

# **SECTION 35 – Survival of Provisions:**

Expiration or termination of this Agreement will not relieve either party of any obligations under this Agreement that by their nature survive such expiration or termination.

# SECTION 36 - Confidentiality; Press Releases; Public Information:

Confidentiality and Safeguarding of UT Party Records. Under this Agreement, Preferred 36.1 Supplier may (1) create, (2) receive from or on behalf of UT Party, or (3) have access to, UT Party's records or record systems (collectively, "UT Party Records"). Among other things, UT Party Records may contain social security numbers, credit card numbers, or data protected or made confidential or sensitive by applicable federal, state and local, laws, regulations, and ordinances. Preferred Supplier represents, warrants, and agrees that it will: (1) hold UT Party Records in strict confidence and will not use or disclose UT Party Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by UT Party in writing; (2) safeguard UT Party Records according to reasonable administrative, physical and technical standards commonly in effect within Preferred Supplier's industry and that are no less rigorous than the standards by which Preferred Supplier protects its own confidential information; (3) continually monitor its operations in accordance with reasonable standards commonly in effect within Preferred Supplier's industry and take any action necessary to ensure that UT Party Records are safeguarded and that the confidentiality of UT Party Records is maintained in accordance with all applicable federal, state and local, laws, regulations, and ordinances, and the terms of this Agreement; and (4) comply with UT Party's rules, policies, and procedures regarding access to and use of UT Party's computer systems. At the request of UT Party, Preferred Supplier will provide UT Party with a written summary of the procedures Preferred Supplier uses to safeguard and maintain the confidentiality of UT Party Records.

**36.2** Notice of Impermissible Use. If an impermissible use or disclosure of any UT Party Records occurs, Preferred Supplier will provide written notice to UT Party within one (1) business day after Preferred Supplier's discovery of that use or disclosure. Preferred Supplier will provide UT Party with all information requested by UT Party regarding the impermissible use or disclosure.

**36.3 Return of UT Party Records.** Preferred Supplier agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all UT Party Records created or received

from or on behalf of UT Party will be (1) returned to UT Party, with no copies retained by Preferred Supplier; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any UT Party Records, Preferred Supplier will provide UT Party with written notice of Preferred Supplier's intent to destroy UT Party Records. Within five (5) days after destruction, Preferred Supplier will confirm to UT Party in writing the destruction of UT Party Records.

**36.3 Disclosure.** If Preferred Supplier discloses any UT Party Records to a subcontractor or agent, Preferred Supplier will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Preferred Supplier by this **Section 36**.

**36.4 Press Releases.** Preferred Supplier will not make any press releases, public statements, or advertisement referring to this Agreement, or release any information relative to this Agreement for publication, advertisement or any other purpose, without the prior written approval of UT Party.

**36.5 Public Information.** UT Party strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the *Texas Public Information Act* ("**TPIA**"), Chapter 552, *Texas Government Code*. In accordance with Section 552.002 of TPIA and Section 2252.907, *Texas Government Code*, and at no additional charge to UT Party, Preferred Supplier will make any information created or exchanged with UT Party pursuant to this Agreement (and not otherwise exempt from disclosure under TPIA) available in a format reasonably requested by UT Party that is accessible by the public.

**36.6 Termination.** In addition to any other termination rights set forth in this Agreement, and any other rights at law or equity, if UT Party reasonably determines that Preferred Supplier has breached any of the restrictions or obligations set forth in this Section, UT Party may immediately terminate this Agreement without notice or opportunity to cure.

**36.7 Duration.** The restrictions and obligations under this Section will survive expiration or termination of this Agreement for any reason.

# SECTION 37 – FERPA Compliance:

**37.1** The Parties agree that UT Party Records, as referenced in **Section 36**, that Preferred Supplier may (1) create, (2) receive from or on behalf of UT Party, or (3) have access to, may include records that (a) are subject to the Federal Education Rights and Privacy Act ("**FERPA**") or (b) contain personally identifiable information from "Education Records" as defined by and subject to FERPA (collectively, "**FERPA Records**"). FERPA Records include all such data in any form whatsoever, including electronic, written and machine readable form. If any specific use of Preferred Supplier's CAC Solution under this Agreement will involve Preferred Supplier's access to FERPA Records or personally identifiable information of any kind, Preferred Supplier and UT Party will document such access in writing.

**37.2** With respect to all UT Party Records that also constitute FERPA Records, Preferred Supplier is designated as a UT Party Official with a legitimate educational interest in and with respect to such FERPA Records, only to the extent to which Preferred Supplier is required to create, receive or maintain FERPA Records to carry out this Agreement.

**37.3** In addition to all of the other obligations imposed upon Preferred Supplier with regard to UT Party Records pursuant to this Agreement, Preferred Supplier understands and agrees to abide by the following terms and conditions as to all FERPA Records, without reservation. To the extent that this **Section 37** conflicts with any other terms of this Agreement, this **Section 37** will prevail.

- **37.3.1** <u>Prohibition on Unauthorized Use or Disclosure of FERPA Records</u>: Preferred Supplier will hold FERPA Records in strict confidence. Preferred Supplier will not use or disclose FERPA Records received from or on behalf of UT System, except as permitted or required by this Agreement.
- 37.3.2 <u>Maintenance of the Security of FERPA Records</u>: Preferred Supplier will use administrative, technical and physical security measures, including secure encryption in the case of electronically maintained or transmitted FERPA Records, approved by UT Party that are at least as stringent as the requirements of UT System's Information and Resource Use & Security Policy, UTS165 (ref. <u>http://www.utsystem.edu/bor/procedures/policy/policies/uts165.html</u>), to preserve the confidentiality and security of all FERPA Records received from, or on behalf of UT Party, its students or any third party pursuant to this Agreement.
- 37.3.3 <u>Reporting of Unauthorized Disclosures or Misuse of FERPA Records and Information</u>: Preferred Supplier, within one (1) day after discovery, will report to UT System any use or disclosure of FERPA Records not authorized by this Agreement. Preferred Supplier's report will identify: (i) the nature of the unauthorized use or disclosure, (ii) the FERPA Records used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Preferred Supplier has done or will do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Preferred Supplier has taken or will take to prevent future similar unauthorized use or disclosure. Preferred Supplier will provide such other information, including written reports, as reasonably requested by UT System. For purposes of this Section 37.3.3, an unauthorized disclosure or use includes any access or use of an "Education Record" (as defined by FERPA) by an Preferred Supplier employee or agent that does not involve the provision of services.
- **37.3.4** <u>Right to Audit</u>: If UT Party has a reasonable basis to believe that Preferred Supplier is not in compliance with the terms of this **Section 37**, UT System may audit Preferred Supplier's compliance with FERPA as such compliance relates to FERPA Records maintained by Preferred Supplier.
- **37.3.5** Five-Year Exclusion for Improper Disclosure of Education Records. Under the federal regulations implementing FERPA, improper disclosure or redisclosure of personally identifiable information from "Education Records" (as defined by FERPA) by Preferred Supplier or its employees or agents may result in Preferred Supplier's complete exclusion from eligibility to contract with UT Party for at least five (5) years.
- **37.3.6** <u>Secure Destruction of FERPA Records</u>. Preferred Supplier agrees that no later than 30 days after expiration or termination of this Agreement for any reason, or within thirty (30) days after UT System's written request, Preferred Supplier will halt all access, use, creation, or processing of FERPA Records and will Securely Destroy all FERPA Records, including any copies created by Preferred Supplier or any subcontractor; and Preferred Supplier will certify in writing to UT System that all FERPA records have been Securely Destroyed. "**Securely Destroy**" means shredding, erasing or otherwise modifying a record so as to make it unreadable or indecipherable.
- **37.3.7** <u>Disclosure</u>. Preferred Supplier will restrict disclosure of FERPA Records solely to those employees, subcontractors or agents of Preferred Supplier that have a need to access the

FERPA Records in order for Preferred Supplier to perform its obligations under this Agreement. If Preferred Supplier discloses any FERPA Records to a contractor or agent, Preferred Supplier will require the subcontractor or agent to comply with restrictions and obligations that align with the restrictions and obligations imposed on Preferred Supplier by this Agreement, including requiring each subcontractor or agent to agree to the same restrictions and obligations in writing.

- **37.3.8** <u>Termination</u>. Preferred Supplier's duties under this **Section 37** will survive expiration or termination of this Agreement as to any FERPA Records that have not been Securely Destroyed by Preferred Supplier as required by **Section 37.3.6**.
- **37.3.9** <u>Breach</u>. In the event of a breach, threatened breach or intended breach of this **Section 37** by Preferred Supplier, UT Party (in addition to any other rights and remedies available to UT Party at law or in equity) will be entitled to preliminary and final injunctions, enjoining and restraining such breach, threatened breach or intended breach.

# SECTION 38 – Tax Exemption

UT Party may be an agency of the State of Texas or other non-profit entity and may be exempt from certain state taxes under various exemption statutes, including Texas Sales & Use Tax in accordance with Section 151.309, *Tax Code*, and Title 34 *Texas Administrative Code* ("**TAC**") Section 3.322. #### **SECTION 39 – Undocumented Workers:**

The Immigration and Nationality Act (8 United States Code 1324a) ("Immigration Act") makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form ("I-9 Form") as the document to be used for employment eligibility verification (8 Code of Federal Regulations 274a). Among other things, Preferred Supplier is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by law. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Preferred Supplier employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by law, UT Party may terminate this Agreement in accordance with Section 4.31. Preferred Supplier represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

# SECTION 40 – No Required Quantities or Minimum Amounts:

Preferred Supplier understands that this Agreement does not obligate UT Party to purchase any specific amount of goods or services from Preferred Supplier under this Agreement or otherwise. For example, this Agreement does not establish any minimum quantity or minimum dollar amount of goods or services that UT Party must purchase from Preferred Supplier during the term of this Agreement.

#### SECTION 41 – Access by Individuals with Disabilities:

Preferred Supplier represents and warrants ("**EIR Accessibility Warranty**") that the electronic and information resources and all associated information, documentation, and support that it provides under this Agreement (collectively, the "**EIRs**") comply with the applicable requirements set forth in Title 1, Chapter 213, *Texas Administrative Code*, and Title 1, Chapter 206, Rule §206.70, *Texas Administrative Code*, and Title 1, Chapter 206, Rule §206.70, *Texas Administrative Code* (as authorized by Chapter 2054, Subchapter M, *Government Code*). To the extent Preferred Supplier becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Preferred Supplier represents and warrants that it will, at no cost to UT Party, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event Preferred Supplier fails or is unable to do so, UT Party may terminate this Agreement, and Preferred Supplier will refund to UT Party all amounts UT Party has paid under this Agreement within thirty (30) days after the termination date.

#### SECTION 42 – Background Checks:

Preferred Supplier will not knowingly assign any individual to provide services on a UT Party's campus if the individual has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. If requested by any UT Party to comply with its policy, Preferred Supplier will perform appropriate criminal background checks on each individual who will provide such services on the UT Party's campus.

# SECTION 43 – Business Associate Agreements:

UT System and the respective Institutional Participants are separate entities for purposes of HIPAA. Preferred Supplier, by executing this Agreement, is deemed to have entered into a HIPAA Business Associate Agreement ("**BAA**") with each Institutional Participant, as applicable, on the terms set forth in **Rider 700** (UT System-Wide Standard BAA Terms and Conditions). *[Note: this provision represents UT System's present intention to implement a standard form in time to support this approach.]* 

#### SECTION 44 – Entire Agreement; Modifications:

This Agreement supersedes all prior agreements, written or oral, between Preferred Supplier and UT System and will constitute the entire agreement and understanding between the parties with respect to the subject matter of this Agreement. This Agreement and each of its provisions will be binding upon the parties and may not be waived, modified, amended or altered except by a writing signed by UT System and Preferred Supplier.

# SECTION 45 – Captions:

The captions of sections and subsections in this Agreement are for convenience only and will not be considered or referred to in resolving questions of interpretation or construction.

#### SECTION 46 – Waivers:

No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. A waiver of any default under this Agreement will not be construed to be a waiver of any subsequent default under this Agreement.

#### **SECTION 47 – Binding Effect:**

This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective permitted assigns and successors.

#### **SECTION 48 – Limitations of Liability:**

Except for UT Party's obligation (if any) to pay Preferred Supplier certain fees and expenses, UT Party will have no liability to Preferred Supplier or to anyone claiming through or under Preferred Supplier by reason of the execution or performance of this Agreement. Notwithstanding any duty or obligation of UT Party to Preferred Supplier or to anyone claiming through or under Preferred Supplier, no present or future affiliated enterprise, subcontractor, agent, officer, director, employee, representative, attorney or regent of UT Party, or anyone claiming under UT Party has or will have any personal liability to Preferred Supplier or to anyone claiming through or under Preferred Supplier or performance of the execution or performance of this Agreement.

# **SECTION 49 – Relationship of the Parties:**

For all purposes of this Agreement and notwithstanding any provision of this Agreement to the contrary, Preferred Supplier is an independent contractor and is not a state employee, partner, joint venturer, or agent of UT Party. Preferred Supplier will not bind nor attempt to bind UT Party to any agreement or contract. As an independent contractor, Preferred Supplier is solely responsible for all taxes, withholdings, and other statutory or contractual obligations of any sort, including workers' compensation insurance.

#### **SECTION 50 – Severability:**

In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

# SECTION 51 – External Terms:

This Agreement completely supplants, replaces, and overrides all other terms and conditions or agreements, written or oral ("**External Terms**"), concerning Preferred Supplier's performance under this Agreement. Such External Terms are null and void and will have no effect under this Agreement, regardless of whether UT Party or any of its employees, contractors, or agents consents or agrees to External Terms. External Terms include any shrinkwrap, clickwrap, browsewrap, web-based terms and conditions of use, and any other terms and conditions displayed in any format that UT Party, or its

employees, contractors, or agents are required to accept or agree to before or in the course of accessing or using any goods or services provided solely by Preferred Supplier.

#### 2.2 Business Relationship Indicators

Within sixty (60) days after the Effective Date of this Agreement, Preferred Supplier will submit for approval to the UT System Contractor Administrator a written Strategic Action Plan to achieve the goals in **Table 2** above. At a minimum the Strategic Action Plan will define the specific strategies, tasks, responsibilities, reports, and timelines to be executed to achieve each goal.

#### 2.3 QBR Meeting Reports and Metrics

Preferred Supplier will prepare and deliver to the UT System Contract Administrator for review at each QBR a report of the Key Performance Indicators and Business Relationship Indicators. The Key Performance Indicator report will be provided both in the aggregate, reflecting the total score for all Institutional Participants, and also will be reported separately for each Institutional Participant.

An advance copy of the Key Performance Indicator Report will be sent to the UT System Contract Administrator no less than five (5) days prior to the scheduled QBR meeting date.

All report requirements may be modified by Institutional Participants within Preferred Supplier's reasonable capabilities to meet local requirements and service levels. Metrics may be revised upon mutual agreement between Preferred Supplier and the UT System Contract Administrator or the applicable Institutional Participant.

#### 3.0 Preferred Supplier Evaluation and Rating

No less than once each quarter the UT System Contract Administrator will prepare and present to Preferred Supplier a scorecard of Preferred Supplier's performance based on their measured results under each of the KPIs for the preceding quarter. The scorecard will be presented and reviewed by Preferred Supplier and the UT System Contract Administrator during each QBR.

Beginning the second full calendar quarter after the Effective Date, Preferred Supplier must obtain a minimum composite score of 70 from UT System for each quarter during the remaining term of this Agreement.

#### 4.0 Corrective Action Plan

The UT System Contract Administrator will notify Preferred Supplier during a QBR if Preferred Supplier receives a composite score of less than 70 during the previous quarter or a score of Zero ("0") for any KPI.

Within fifteen (15) calendar days after receipt of such notice, Preferred Supplier will provide the UT System Contract Administrator with a written corrective action plan ("**CAP**") acceptable to the

UT System Contract Administrator to address such unacceptable scores. At a minimum, the CAP will address Preferred Supplier's performance issues resulting in unacceptable score(s) and contain a root cause analysis of the problems causing such performance issue, proposed solutions to those problems, proposed process modifications to prevent recurrence of such problems, a time frame for Preferred Supplier's implementation of the proposed solutions and process modifications, and the person(s) who will be responsible for Preferred Supplier's implementation of the CAP. The CAP will be presented to the UT System Contract Administrator for concurrence prior to implementation. Concurrence with the CAP by the UT System Contract Administrator will not be unreasonably withheld or delayed. Concurrence with the CAP will not constitute a waiver by UT System of any rights regarding remedies.

#### **5.0 Corrective Action and Remedies**

If Preferred Supplier's implementation of the CAP does not result in a minimum composite score of 70 or better, or if two (2) or more KPI's remain with a score of Zero ("0") during each subsequent calendar quarter, UT System may, at its sole discretion:

- permit Preferred Supplier to resubmit a further Corrective Action Plan, or
- exercise other remedies available under this Agreement or applicable law.

If Proposer objects, explain basis for the objection to a vulnerability scan.

9. Describe processes Proposer will use to provide Institutional Participant assurance that the web portal and all systems that would hold or process Institutional Participant Records can provide adequate security of Institutional Participant Records.

10. Does Proposer have a data backup and recovery plan supported by policies and procedures, in place for Information Resources? If yes, briefly describe the plan, including scope and frequency of backups, and how often the plan is updated. If no, describe what alternative methodology Proposer uses to ensure the restoration and availability of Institutional Participant Records.

11. Does Proposer encrypt backups of Institutional Participant Records? If yes, describe the methods used by Proposer to encrypt backup data. If no, what alternative safeguards does Proposer use to protect backups against unauthorized access?

12. Describe the security features incorporated into Information Resources to safeguard Institutional Participant Records containing confidential information.

Complete the following additional question if Information Resources will create, receive, or access Institutional Participant Records containing PHI subject to HIPAA:

13. Does Proposer monitor the safeguards required by the HIPAA Security Rule (45 C.F.R. § 164 subpts. A, E (2002)) and Proposer's own information security practices, to ensure continued compliance? If yes, provide a copy of or link to the Proposer's HIPAA Privacy & Security policies and describe the Proposer's monitoring activities and the frequency of those activities with regard to PHI.

#### **Access Control**

1. How will users gain access (i.e., log in) to Information Resources?

2. Do Information Resources provide the capability to use local credentials (i.e., federated authentication) for user authentication and login? If yes, describe how Information Resources provide that capability.

3. Do Information Resources allow for multiple security levels of access based on affiliation (e.g., staff, faculty, and student) and roles (e.g., system administrators, analysts, and information consumers), and organizational unit (e.g., college, school, or department? If yes, describe how Information Resources provide for multiple security levels of access.

4. Do Information Resources provide the capability to limit user activity based on user affiliation, role, and/or organizational unit (i.e., who can create records, delete records, create and save reports, run reports only, etc.)? If yes, describe how Information Resources provide that capability. If no, describe what alternative functionality is provided to ensure that users have need-to-know based access to Information Resources.

5. Do Information Resources manage administrator access permissions at the virtual system level? If yes, describe how this is done.

6. Describe Proposer's password policy including password strength, password generation procedures, password storage specifications, and frequency of password changes. If passwords are not used for authentication or if multi-factor authentication is used to Information Resources, describe what alternative or additional controls are used to manage user access.

#### Complete the following additional questions if Information Resources will be hosted by Proposer:

7. What administrative safeguards and best practices does Proposer have in place to vet Proposer's and third-parties' staff members that would have access to the environment hosting Institutional Participant Records to ensure need-to-know-based access?

8. What procedures and best practices does Proposer have in place to ensure that user credentials are updated and terminated as required by changes in role and employment status?

9. Describe Proposer's password policy including password strength, password generation procedures, and frequency of password changes. If passwords are not used for authentication or if multi-factor authentication is used to Information Resources, describe what alternative or additional controls are used to manage user access.

#### Use of Data

#### Complete the following additional questions if Information Resources will be hosted by Proposer:

1. What administrative safeguards and best practices does Proposer have in place to vet Proposer's and third-parties' staff members that have access to the environment hosting all systems that would hold or process Institutional Participant Records, or from which Institutional Participant Records may be accessed, to ensure that Institutional Participant Records will not be accessed or used in an unauthorized manner?

2. What safeguards does Proposer have in place to segregate Institutional Participant Records from system data and other customer data and/or as applicable, to separate specific Institutional Participant data, such as HIPAA and FERPA protected data, from Institutional Participant Records that are not subject to such protection, to prevent accidental and unauthorized access to Institutional Participant Records ?

3. What safeguards does Proposer have in place to prevent the unauthorized use, reuse, distribution, transmission, manipulation, copying, modification, access, or disclosure of Institutional Participant Records?

4. What procedures and safeguards does Proposer have in place for sanitizing and disposing of Institutional Participant Records according to prescribed retention schedules or following the conclusion of a project or termination of a contract to render Institutional Participant Records unrecoverable and prevent accidental and unauthorized access to Institutional Participant Records? Describe the degree to which sanitizing and disposal processes addresses Institutional Participant data that may be contained within backup systems. If Institutional Participant data contained in backup systems is not fully sanitized, describe processes in place that would prevent subsequent restoration of backed-up Institutional Participant data.

#### Data Transmission

1. Do Information Resources encrypt all Institutional Participant Records in transit and at rest? If yes, describe how Information Resources provide that security. If no, what alternative methods are used to safeguard Institutional Participant Records in transit and at rest?

#### Complete the following additional questions if Information Resources will be hosted by Proposer:

2. How does data flow between Institutional Participant and Information Resources? If connecting via a private circuit, describe what security features are incorporated into the private circuit. If connecting via a public network (e.g., the Internet), describe the way Proposer will safeguard Institutional Participant Records.

3. Do Information Resources secure data transmission between Institutional Participant and Proposer? If yes, describe how Proposer provides that security. If no, what alternative safeguards are used to protect Institutional Participant Records in transit?

#### Notification of Security Incidents

#### Complete the following additional questions if Information Resources will be hosted by Proposer:

1. Describe Proposer's procedures to isolate or disable all systems that interact with Information Resources in the event a security breach is identified, including any systems that would hold or process Institutional Participant Records, or from which Institutional Participant Records may be accessed.

2. What procedures, methodology, and timetables does Proposer have in place to detect information security breaches and notify Institutional Participant and other customers? Include Proposer's definition of security breach.

3. Describe the procedures and methodology Proposer has in place to detect information security breaches, including unauthorized access by Proposer's and subcontractor's own employees and agents and provide required notifications in a manner that meets the requirements of the state breach notification law.

#### Compliance with Applicable Legal & Regulatory Requirements

#### Complete the following additional questions if Information Resources will be hosted by Proposer:

1. Describe the procedures and methodology Proposer has in place to retain, preserve, backup, delete, and search data in a manner that meets the requirements of state and federal electronic discovery rules, including how and in what format Institutional Participant Records are kept and what tools are available to Institutional Participant to access Institutional Participant Records.

2. Describe the safeguards Proposer has in place to ensure that systems (including any systems that would hold or process Institutional Participant Records, or from which Institutional Participant Records may be accessed) that interact with Information Resources reside within the United States of America. If no such controls, describe Proposer's processes for ensuring that data is protected in compliance with all applicable US federal and state requirements, including export control.

3. List and describe any regulatory or legal actions taken against Proposer for security or privacy violations or security breaches or incidents, including the final outcome.

# **HUB Subcontracting Plan (HSP)**

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. # NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.284 are:

- 11.2 percent for heavy construction other than building contracts,

When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent does not have a <u>continuous contract</u>\* in place for <u>more than five (5) years</u> shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

In accordance with 34 TAC §20.13(d)(1)(D)(iii), the goals below are the applicable goals for The University of Texas System Administration only effective January 1, 2016.

- No (If No, continue to SECTION 4 and complete an "HSP Good Faith Effort - Method B (Attachment B)" for each of the subcontracting opportunities you listed.)

\*<u>Continuous Contract</u>: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract <u>no later than ten (10) working days after the contract is awarded</u>.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at https://www.comptroller.texas.gov/purchasing/vendor/hub/forms.php).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.
