This publication is provided as an overview of terms and conditions of the insurance and wellness programs for employees retiring from The University of Texas System. The University of Texas System reserves the right to interpret the provisions of the Booklet and to amend any provisions thereof.

The current version of this publication may be found at: www.utsystem.edu/offices/employee-benefits/forms-and-publications.

If there is any ambiguity or inconsistency between a printed copy of the document and the online version, the terms of the online document shall control. However, to the extent that any provision in this publication conflicts with applicable law, the applicable law shall control. You may request a printed copy of the latest edition at any time. The University of Texas System reserves the right to amend, change or terminate the health and welfare benefit plans, any underlying contracts or any other programs, at any time and without notice, at its sole discretion, according to the terms of the applicable plans or programs.
Getting Ready to Retire

Congratulations on your upcoming retirement!

After years of hard work, you want to make sure that the transition to the next phase of your life goes smoothly. There are many key factors to consider leading up to your official retirement date.

This booklet was created to help you understand your UT insurance benefits as you make the transition to retirement. One condition of UT insurance eligibility is formal retirement under the Teacher Retirement System of Texas (TRS), Employees Retirement System of Texas (ERS) or the Optional Retirement Program (ORP).

Before you get started

You must establish your legal status as a retired employee in order to receive any UT Retired Employee insurance benefits. Retirement eligibility and eligibility for UT insurance as a retired employee are not the same. Please see the appropriate contacts listed on the next page for information on how to retire under TRS, ERS or ORP.

To make sure you’re on track, keep in close contact with your HR/Benefits Office well before you plan to retire. Your institution is your main point of contact during this transition although you may need to work with other agencies to complete various steps in the process. Many institutions have special resources available to you including classes or personal appointments to make sure you make this change successfully. Institution contact information is listed at the back of this book.
Your UT Financial Retirement

The TRS website has a wealth of information available for you including checklists, forms, and the TRS Benefits Handbook. They also have group retirement informational sessions and videos to help answer your questions.

www.trs.texas.gov | TRS Counseling Center (800) 223-8778 M-F 7 am – 6 pm CT

ERS Provides a very informative website to help you understand the retirement process or even sign up to meet with a retirement counselor. You can also call ERS to speak with someone and schedule an appointment.

www.ers.state.tx.us | (877) 275-4377 M-F, 7:30 am – 5 pm

If you are an ORP participant and you wish to retire, contact your HR/Benefits Office to complete your Declaration of Retirement, and contact your ORP vendor(s) to discuss distribution options.

UTSAVER TSA AND DCP PARTICIPATION

If you participated in either of the UTsaver Voluntary Retirement plans and want to begin receiving distributions, contact your plan provider(s) approximately 3 months prior to your anticipated retirement date to ensure a smooth transition. Also, prior to your final month of employment cancel your contributions through the online resource Retirement Manager or contact your HR/Benefits office to do so.

Thank you for your years of service, and good luck!

THE OFFICE OF EMPLOYEE BENEFITS
Eligibility

RETIERED EMPLOYEE INSURANCE ELIGIBILITY

There are two sets of insurance eligibility requirements for UT System Retired Employees. The requirements applicable to you depend on your employment status with UT System on August 31, 2003. System employees employed or eligible for Retired Employee insurance on August 31, 2003 are “grandfathered” under the eligibility requirements that were in place at that time. System employees who were not employed or eligible for Retired Employee insurance on that date are subject to new requirements that took effect when the previous law was amended. See eligibility details in the following pages of this section.

You must work with your institution’s HR/Benefits office to complete your Retired Employee insurance enrollment within 31 days of your retirement or wait until the next Annual Enrollment to enroll.
Are you Eligible?

Steps to Determine Eligibility for UT System Retired Employee Group Insurance**

**To qualify, most recent State of Texas Employment prior to retirement must be at a UT Institution with limited exceptions and retire under TRS, ERS, or ORP.

**RULE OF 80

AGE + NUMBER OF YEARS OF CREDITABLE STATE SERVICE = AT LEAST 80

*55/5 OR 65/10

REPRESENTS THE MINIMUM AGE / NUMBER OF YEARS OF CREDITABLE STATE SERVICE REQUIRED TO BE ELIGIBLE

IMPORTANT NOTE:

EMPLOYEE MUST ENROLL WITHIN 31 DAYS OR RETIREMENT OR MUST WAIT UNTIL THE NEXT ANNUAL ENROLLMENT OR QUALIFYING CHANGE OF STATUS TO ENROLL.

FOR MORE DETAILED INFORMATION:

SEE POLICY 220 IN THE OFFICE OF EMPLOYEE BENEFITS ADMINISTRATIVE MANUAL.
An individual who was employed at a UT System institution in a benefits-eligible position or eligible to retire from UT on August 31, 2003, and subsequently retires from the System is eligible for benefits as a Retired Employee if:

- The individual meets the Rule of 80 (total of age plus years of creditable state service equals or exceeds 80), or the individual is at least age 55 with five (5) years of creditable state service; and
- The individual has at least three (3) years of service with the System for which the individual was eligible to participate in the UT Group Insurance Program; and
- The individual’s last place of state employment before retirement was with a System institution; and
- The individual retires from System under the jurisdiction of the Teacher Retirement System of Texas (TRS); the Employees Retirement System of Texas (ERS); or the Optional Retirement Program (ORP) established by Chapter 830, Government Code or any other federal or state statutory retirement program to which the System has made employer contributions.

An individual who was NOT employed at a UT System institution in a benefits-eligible position or eligible to retire from UT on August 31, 2003 is eligible for benefits as a Retired Employee if:

- The individual meets the Rule of 80 (total of age plus years of state service credit equals or exceeds 80) with at least ten (10) years of creditable state service, or is at least age 65 with ten (10) years of total state service credit; and
- The individual has at least ten (10) years of service with the System for which the individual was eligible to participate in the UT Group Insurance Program; and
- The individual’s last state employment before retirement was with a System institution; and
- The individual retires from System under the jurisdiction of the Teacher Retirement System of Texas (TRS); the Employees Retirement System of Texas (ERS); or the Optional Retirement Program (ORP) established by Chapter 830, Government Code or any other federal or state statutory retirement program to which the System has made employer contributions.

A System Employee who terminated employment and subsequently worked for another state agency or state institution of higher education and does not qualify for retiree insurance coverage under that agency or institution may be eligible to participate in the UT group insurance program if the former Employee meets the minimum applicable requirements described above and does not meet the requirements for an annuitant under the Employees Retirement System of Texas (ERS) group insurance program.

Individuals, regardless of age and years of service credit, who worked in a benefits-eligible position with UT and are members of the Teacher Retirement System of Texas (TRS) and qualify for disability retirement may also qualify to participate in the UT Benefits program. Individuals who are participants in the Optional Retirement Program (ORP) may also qualify for disability retirement.

Complete details about Retired Employee insurance eligibility is available in the Office of Employee Benefits Administrative Manual, Policy 220 in the Forms and Publications section of the OEB website.
DEPENDENTS
You may enroll your eligible dependents for certain UT Benefits coverage. The definition of dependent for purposes of UT group insurance is the same for Active and Retired Employees.

Eligibility to participate in certain UT Benefits coverage as a dependent is determined by law. Because of changes made by the Federal Affordable Care Act (ACA), your children (including stepchildren and adopted children) are eligible for the UT SELECT Medical plan, regardless of marital status, until they reach the age of 26. Eligibility of dependents who do not qualify as your spouse or child (such as eligible grandchildren), ends at age 25 for all UT Benefits coverage, including the UT SELECT Medical plan.

Eligible dependents are:

- Your spouse;
- Your children, including stepchildren and adopted children, who are:
  - under age 26 for the UT SELECT Medical plan,
  - unmarried and under age 25 for other UT Benefits (Dental, Vision, Life, AD&D);
- Your unmarried grandchild(ren) under age 25, provided the child meets the requirements which includes proof that you claim the child as your dependent for federal tax purposes;
- Certain children over age 25 (over age 26 for the UT SELECT Medical plan), who are determined by OEB to be medically incapacitated and are unable to provide their own support; and
- Children for whom you are named a legal guardian by a court or who are the subject of a medical support order requiring such coverage.

Examples of dependents that are not eligible for UT Benefits include:

- your former spouse;
- your married child (for coverage other than UT SELECT Medical);
- your child over age 25 (age 26 for UT SELECT Medical), if not medically incapacitated and unable to provide their own support;
- your grandchild, if they are married or over age 25;
- foster children covered by another government program, unless coverage is required by law or court order;
- any dependent insured in the same plan type by another UT employee or retired employee;
- any dependent insured by another plan that receives State of Texas premium contributions; or
- any dependent who is on active duty in the armed forces of any country (for coverage other than UT SELECT Medical).

PREMIUM SHARING
As a Retired Employee, UT and the State of Texas will pay 100% of your premiums for the basic coverage package, and up to 50% of the premiums for your dependents’ medical coverage. You are responsible for all optional coverage premiums.

If you are a benefits-eligible Retired Employee with coverage under another group health plan and elect to waive the basic coverage package you are eligible to receive 50% of the cost of the Basic Coverage Package to purchase Dental and/or Vision Coverage. If you waive, you will not be enrolled in Basic Group Life Insurance or be eligible for the Living Well Program as those are a part of the Basic Coverage Package.
SURVIVING DEPENDENT BENEFITS

Dependents who are covered in a UT medical, dental and/or vision insurance plan at the time of an Active Employee or Retired Employee’s death may continue System insurance as surviving dependents if:

- The employee/retiree had at least five years of creditable service with the Teacher Retirement System (TRS) or Optional Retirement Program (ORP) prior to the time of death, AND
- Three of the five years of service were with the University of Texas System as a benefits-eligible employee.

A surviving spouse may continue UT Benefits coverage for the remainder of the surviving spouse’s life. A dependent child may continue until the child loses his or her status as a dependent child. Surviving dependents may only continue the coverage in place at the time of the deceased’s death. If surviving dependent coverage is ever terminated, it may not be reinstated and new coverage may not be added for a surviving dependent at any time.

Premium sharing is not available for surviving dependent coverage.

In the event of a retired employee’s death, it is very important for someone to contact the institution from which the employee retired within 31 days to update premium billing and coverage options. A helpful contact list for your next-of-kin or other legal representative is provided in the resources section of this guide.

Enrollment

INITIAL PERIOD OF ELIGIBILITY FOR RETIRED EMPLOYEES

An individual must enroll in the program as a Retired Employee within 31 days of the date upon which the individual retires. An individual who fails to enroll within the 31 day period may not enroll until:

(a) the next Annual Enrollment period; or  
(b) the occurrence of a qualified change of status event.

You may enroll in or make changes to benefits during your initial period of eligibility (when you first retire) through your institution’s HR/Benefits Office.

WAITING PERIOD FOR RETIRED EMPLOYEES

There is no waiting period for individuals who transition directly from active employment to retirement without a break in coverage.

An Employee who terminates employment without retiring and later applies for Retired Employee insurance will not be eligible to participate in UT Basic Coverage (Medical with Prescription Drug Coverage and Basic Life Insurance) until the first of the calendar month following 90 days after the retirement date. There is no waiting period for enrollment in optional coverages which are paid in full by the Retired Employee.

EVIDENCE OF INSURABILITY (EOI)

Evidence of insurability (EOI) is the record of a person’s past and current health events. EOI is used by insurance companies to verify whether a person meets the definition of good health. Most people retire directly from active employment without a break in coverage and do not require EOI. However, an EOI form is required to add or increase voluntary life insurance for the Retired Employee or spouse.

EOI must be submitted within 31 days of the change event date. Coverage subject to EOI will become effective on the EOI approval date, and your billing for the coverage begins the first of the month after the approval date. If the approval date is the first of a month, the coverage and billing change is effective on that date. If EOI is denied, the change in coverage will not take effect.
DEPENDET DOCUMENTATION
UT requires supporting documentation when you request to add a dependent to your plan. Be prepared to provide proof of eligibility such as your marriage certificate, your child(ren)'s birth certificates, appropriate adoption paperwork, federal tax forms or other documents that support the dependent relationship. For medically incapacitated dependents, proof of the incapacitating condition and dependency must be submitted within 31 days of initial eligibility for enrollment of an incapacitated dependent. This paperwork is required not only to support the coverage of eligible dependents but also to support a mid-year change of status such as marriage or birth of a child. Even if you have supplied this documentation to your institution in the past, they may require another copy at retirement to update records.

Misrepresentation of benefit eligibility requirements constitutes a violation of OEB’s official policy. A verified misrepresentation by an Employee or Retired Employee shall be reported by OEB to the appropriate institution for investigation and possible sanctions. Possible sanctions for such a violation range from a reprimand to dismissal. In addition, reimbursement may be required for any benefits paid to an ineligible individual. Deliberate misrepresentation of dependent eligibility by an Employee or Retired Employee may constitute criminal fraud and may result in a referral to a law enforcement office. Any ineligible dependent may be terminated from plan participation upon discovery of ineligibility.

BENEFICIARY INFORMATION
It is important to designate beneficiaries for all of your insurance and retirement accounts that require them. If you don’t, state laws may cause death benefits to be distributed differently than you had planned, may result in additional taxes, and may unnecessarily delay the process of finalizing payment to your loved ones. You should regularly review and, if necessary, update your beneficiary designations.

For your UT Benefits group term life insurance (which you receive even if you only have the basic coverage), you can review your beneficiary information and make updates any time online by accessing the Dearborn National Online Beneficiary Management system through My UT Benefits at www.utsystem.edu/myutbenefits. You must complete a new designation for Retired Employee coverage. If you have questions or are unable to access the online system, please contact Dearborn National Customer Service at (866) 628-2606 (available Monday through Friday from 7 a.m. to 7 p.m. central time) for assistance. You also have the option to complete a paper beneficiary form to return to the insurance vendor by fax or mail. For your convenience, a copy of this form is included at the back of this book.

If you are a member of the Teachers Retirement System (TRS), you should download the TRS beneficiary designation form and return the form directly to TRS. For more information, go to the TRS website at www.trs.state.tx.us/ or call 1-800-223-8778.

If you are a participant in the Optional Retirement Program (ORP), or the voluntary UTSaver Tax-Sheltered Annuity (TSA) or UTSaver Deferred Compensation Plan (DCP), you should always be sure that a current beneficiary is on file for each of these retirement accounts. You can download the appropriate beneficiary designation form and return the completed form directly to your specific retirement provider. For more information, please see the Retirement Plan section of the OEB website.

ANNUAL ENROLLMENT
Annual enrollment is the period of time during which you may make changes to benefit elections for you and your eligible dependents. Outside of annual enrollment, you may only make changes if you have a qualified change of status event. UT System holds annual enrollment each summer, usually during the month of July. Prior to Annual Enrollment, you will receive a letter or email titled “Your UT Benefit Enrollment Options” that lists your current coverage and future coverage options and informs you if any action is required on your part. During this time you may change your group insurance benefit elections and add, update or remove dependents from coverage using the My UT Benefits online system.

Your Annual Enrollment elections become effective each September 1st after the annual enrollment period. If coverage requires EOI, and EOI is not approved by September 1, that coverage will be effective on the EOI approval date (Voluntary Life Insurance) or the first of the
Qualifying Changes of Status

You have 31 days from the date of certain qualified change of status event to notify your institution’s Benefits Office and complete changes to your benefits that are consistent with that event. If you do not make your eligible changes during the 31-day status change period, your changes cannot be made until the next Annual Enrollment in July, to be effective the following September 1.

The list below includes common examples of qualified change of status events:

- marriage, divorce, annulment, or spouse’s death;
- birth, adoption, medical child-support order, or dependent’s death;
- significant change in residence if the change affects you or your dependents’ current plan eligibility;
- starting or ending employment, starting or returning from FMLA, or other change of job status (e.g., from non-benefits eligible part-time to full-time) affecting eligibility;
- change in dependent’s eligibility (e.g., reaching age 26 for UT SELECT Medical, marriage or reaching age 25 for all coverage other than UT SELECT Medical, or gaining or losing eligibility for any other reason); or
- significant change in coverage or cost of other benefit plans available to you and your family.

A Retired Employee whose dependent loses insurance coverage under the Medicaid or CHIP program as a result of loss of eligibility of either the employee or the dependent or whose dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP may enroll this dependent in the basic coverage under UT Benefits, as long as the dependent meets all other UT eligibility requirements and is enrolled within 60 days from the date of the applicable event. If enrollment of the dependent is conditioned on enrollment of the Retired Employee, the Retired Employee will also be eligible to enroll.

Note: EOI and dependent documentation may be required for some benefit changes following a qualified change of status event.

You may enroll in or make changes to benefits within the required time frame through your institution HR/Benefits office.

Retired Employee Billing

If you will carry any insurance other than the Retired Employee only basic coverage and you need to pay monthly premiums, talk with your HR/Benefits office about how to set up your premium billing. Some institutions handle Retired Employee billing internally, and some handle it through UT System Administration Benefits Billing.

Confirm your contact information and update it (if necessary). Always contact your HR/Benefits Office with any changes to your mailing address, email address, or phone numbers.

Termination of Coverage

If employee eligibility for coverage ends, the effective date of the termination of coverage is generally the end of the month in which eligibility ends. Failure to pay premium within 45 days of the due date will result in cancellation of coverage retroactive to the first of the month following the last month of paid coverage. An individual whose coverage is cancelled for nonpayment of premium is not eligible for coverage under COBRA.
Retired Employee Insurance Plan Information

The insurance plan options for UT Retired Employees vary slightly from the Active Employee insurance package. This section outlines the coverage options with notes about how the coverage transitions. Contact information for all plan vendors is located at the back of this book.

Basic Coverage Package

UT and the State of Texas pays 100% of your premiums for the Basic Coverage Package, and up to 50% of the premiums for your dependents’ medical coverage. As a part of the Basic Coverage Package, you and your covered dependents over age 18 are also eligible for the Living Well Wellness Program.

LIVING WELL

Retired Employees and their dependents age 18 and over covered in the UT SELECT Medical Plan are automatically eligible for the Living Well wellness program offered by UT System.

Retired Employees and their spouse age 50 and above are eligible for the SilverSneakers® Fitness program. See Resources at the back of this book.

If you waive or decline UT SELECT Medical, you will not be eligible to participate in Living Well. However, some institutions offer their own wellness resources regardless of enrollment in the UT SELECT Medical Plan.

Optional Coverage

If you are a benefits-eligible Retired Employee with coverage under another group health plan and elect to waive the basic coverage package you are eligible to use 50% of the state premium sharing to purchase Dental and/or Vision Coverage. If you waive the basic coverage, you will not be enrolled in Basic Group Life Insurance or be eligible for the Living Well Program as those are a part of the Basic Coverage Package.

DENTAL

Retired Employees have the same dental plan options as Active Employees. You may choose from UT SELECT Dental or UT SELECT Dental Plus PPO plans or the DeltaCare Dental HMO Plan for yourself and your dependents. You must be covered under the plan to cover a dependent.

When you change from Active Employee status to Retired Employee status, you may change your plan type.

VISION

Retired Employees have the same vision plan options as Active Employees. You may choose from Superior Vision or Superior Vision Plus for yourself and your dependents. You must be covered under the plan to cover a dependent.

When you change from Active Employee status to Retired Employee status, you may change your plan type.

LONG TERM CARE

Retired Employees may continue Long Term Care Insurance coverage in place through the UT contract with CNA upon retirement.

You must notify CNA within 60 days of your retirement date to continue your coverage and set up your direct billing. You may contact CNA customer service at (888)825-0353 or cnaltc@ltcg.com.
## UT FLEX

| Retired Employees (including Return-to-Work Retired Employees) are not eligible for UT FLEX plans. Coverage ends on the last day of the month in which you retire. | You may be reimbursed for expenses incurred through the time at which your coverage ends. If you have a balance in a Health Care Reimbursement Account, you may continue that coverage through COBRA. (Speak with your HR/Benefits representative to verify if you are eligible to continue this coverage.) If your coverage end date for the Health Care Reimbursement Account is August 31 (the last day of the plan year), you may take advantage of the grace period and incur expenses for reimbursement through November 15 of that same calendar year. The PayFlex debit card is not available for you to use during the grace period of the plan year in which you retire. All UT FLEX claims must be submitted by November 30 following the end of the plan year to be eligible for reimbursement. |

## DISABILITY INSURANCE*

| Disability Insurance is not available to Retired Employees since it is meant to replace a portion of your work pay if you become disabled. | Return-to-work Retired Employees are not eligible for Disability Insurance. Disability insurance is not portable when you retire. |

## RETIRED EMPLOYEE VOLUNTARY GROUP TERM LIFE INSURANCE*

| Retired Employees may enroll in Voluntary Group Term Life insurance in any of the following coverage amounts: | If you retire without a break in coverage, you are guaranteed coverage up to the amount of coverage you had in place as an Active Employee, not to exceed $50,000. Any coverage in place as an Active Employee (minus the Retired Employee coverage elected) may be converted to a whole life policy within 31 days of retirement if you retire without a break in coverage. Conditions Apply – Contact Dearborn National for complete details. |

| $7,000 | $10,000 | $25,000 | $50,000 |

---

*If you are a Faculty member at one of the health institutions and you have Life and Disability insurance is through an alternative benefit provided by your institution, please ask your HR/Benefits representative to discuss the options of those plans with you.
**Retired Employee Spouse Voluntary Group Term Life Insurance**

A spouse of a Retired Employee may elect $3,000 Voluntary Group Term Life insurance if the Retired Employee is also enrolled in any amount of Retired Employee Voluntary Group Term Life insurance. If you retire without a break in coverage and your spouse was enrolled in Voluntary Group Term Life insurance on your last day of active employment, the spouse may enroll without completing Evidence of Insurability. Spouse coverage in place when the employee retires may be converted to a whole life policy. Conditions apply – Contact Dearborn National for complete details.

**Accidental Death and Dismemberment**

Retired Employees (including Return-to-Work Retired Employees) are not eligible for Accidental Death and Dismemberment. Coverage ends on the last day of the month in which you retire. Conversion and portability is not available for AD&D.

*If you are a Faculty member at one of the health institutions and you have Life and Disability insurance is through an alternative benefit provided by your institution, please ask your HR/Benefits representative to discuss the options of those plans with you.*

**Additional Action Items**

Depending on your personal circumstances as you near retirement, you may need to take additional action to ensure a smooth transition from active employment. Several important topics to think about are listed below. Related contact information is listed at the end of this guide.

**Social Security Pension**

To determine whether you meet the guidelines for the social security pension plan please contact the Social Security Administration directly. Keep in mind that setting up payments may take up to 3 months.

**Medicare (Federal Health Insurance Program)**

If you or any of your covered dependents are or will soon be eligible to receive the federal health insurance program, Medicare, you should reach out to the Social Security Administration office to determine your enrollment requirements. See information on the following page for more information about Medicare and your medical insurance.

**Converting Life Insurance**

If you wish to convert any of your Voluntary Group Term Life insurance to a whole life policy, contact the life insurance vendor within a month after your employment ends.

**Continuing Long Term Care Insurance**

If you had a Long Term Care policy with CNA through UT and wish to continue your coverage, contact CNA to set up direct billing.
UT SELECT and Medicare

In most cases, individuals enrolled in coverage through active benefits-eligible employment of 20 hours a week or more should enroll in Medicare Part A when first eligible and decline Parts B and D. If you are entering a phased retirement and are still working in a benefits-eligible position of 20 hours per week or more, you and your Medicare-eligible dependents may continue to delay enrollment in Medicare Part B and decline Part D.

Note: Certain retirees that will return-to-work in a modified or phased capacity may have additional options. To learn about those guidelines please reach out to your institution’s HR/Benefits office for details.

RETIRED EMPLOYEES

When you retire (and are not working in a benefits-eligible position for 20 or more hours per week) any Medicare-eligible person covered on your plan including you should:

- Enroll in Part A (if not already enrolled)
- AND
- Enroll in Part B coverage, and
- Decline Part D (prescription drug coverage) in most cases.

The University of Texas System urges all Retired Employees and dependents to enroll in Medicare Parts A and B when they become eligible at age 65, or earlier if they are eligible due to a disability such as end stage renal disease. Retired Employees, or soon-to-be Retired Employees, or their dependents who are eligible for Medicare must have Medicare Parts A and B to receive the maximum benefits available from the UT SELECT plan.

IF YOU DECLINE PART B, YOU WILL HAVE TO PAY A HIGHER PREMIUM IF YOU EVER RE-APPLY FOR MEDICARE COVERAGE. AS A RETIRED EMPLOYEE, IF YOU OR YOUR MEDICARE-ELIGIBLE DEPENDENT HAVE DECLINED MEDICARE PART B, UT SELECT MEDICAL WILL REDUCE YOUR CLAIM PAYMENT BY THE BENEFIT THAT WOULD HAVE BEEN AVAILABLE TO YOU UNDER MEDICARE PART B (USUALLY 80%), AND THEN PAY THE REMAINING CLAIM AMOUNT UNDER THE TERMS OF YOUR HEALTH PLAN. MEDICAL BILLS CAN QUICKLY CLIMB TO TENS OR HUNDREDS OF THOUSANDS OF DOLLARS. 80% OF A HOSPITAL STAY OR OUTPATIENT PROCEDURE COULD HAVE A LASTING FINANCIAL IMPACT TO YOU AND YOUR FAMILY.

Contact your Social Security office 3 months prior to your retirement date, if possible. If your dependents are also eligible, they will need to do the same. A delay in signing up could leave you covered at only 20% for medical expenses.

MEDICARE COORDINATION OF BENEFITS

In most instances, if you are eligible for Medicare and are working at UT in a benefits-eligible position for at least 20 hours per week such as during phased retirement or if you have returned to work, your UT medical plan will be primary for you and your covered dependents, regardless of age, and Medicare will be secondary. Medicare may be primary for some Medicare-eligible active employees or their dependents with certain medical conditions such as end stage renal disease (ESRD) or amyotrophic lateral sclerosis (ALS). Consult with your local Social Security Administration office to learn what illnesses qualify for Medicare coverage prior to turning age 65.

Once you are retired and also eligible for Medicare, Medicare becomes your primary payer and pays your medical claims first; UT SELECT pays second. If you choose a doctor who accepts Medicare assignment, you will not be responsible for any difference between the billed charge and the Medicare allowed amount.
If you or your dependents are enrolled in Medicare and your doctor accepts Medicare assignment

- The doctor may be in or out of the UT SELECT Network;
- The participant may be in or out-of-area;
- UT SELECT will pay 100% of benefits approved but not paid by Medicare (subject to UT SELECT plan provisions);

- There are no deductibles, copayments or coinsurance(-subject to UT SELECT plan provisions); and
- When you or your dependents are at an inpatient facility that accepts Medicare assignment, UT SELECT will pay the Medicare inpatient deductible, and the $100 per day Copay ($500 maximum) will not apply.

If your doctor does not accept Medicare assignment

- Network and Out-of-Network benefits apply;
- UT SELECT will coordinate with Medicare; and
- Deductibles, copayments and coinsurance may apply.

⚠️ If a service is normally not covered by UT SELECT or is subject to limitations (such as the 20 visit limit on physical therapy), the service beyond plan limitations and exclusions will not be covered. All regular UT SELECT exclusions and limitations apply regardless of Medicare enrollment. See the UT SELECT Medical Plan Guide for complete details on plan limits and exclusions.

To ensure claims are correctly processed, you and your dependents should alert your medical providers of changes including:
- When you first retire (and Medicare becomes primary)
- When you first enroll in Medicare (if after retirement)
- When you return to work in a benefits-eligible position (and Medicare becomes secondary)
This chart shows you how UT SELECT coordinates benefits with Medicare when Medicare is primary.

$^1$ Provider who does not participate with Medicare may not bill more than the Medicare Limiting Charge (115% of MC Allowed).

$^2$ Allowed charges are the lesser of the Medicare Limiting Charge or the Blue Cross and Blue Shield allowed amount. If the Blue Cross and Blue Shield allowed amount is less, the member may be billed the difference.
COORDINATION OF BENEFITS WITH UT SELECT, MEDICARE AND A THIRD COVERAGE

Special rules are mandated by federal law when coordinating benefits between UT SELECT, Medicare and another coverage. The following examples show the proper coordination of benefits for some common insurance situations. If you have questions about coordination of benefits, contact the Office of Employee Benefits or Medicare.

| EXAMPLE A | 1. UT SELECT  
John and his wife may wish to consider whether the reimbursements received as a dependent on his wife's plan justify their additional premium costs. In many instances, Medicare's secondary payment will cover the out-of-pocket costs remaining after the primary insurer pays. |
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>John is 68, continues to have a full-time position at UT, and is covered as a dependent under his wife’s retiree plan with ABC Company. John’s claims will be paid in this order:</td>
<td></td>
</tr>
</tbody>
</table>
| 2. MEDICARE  
3. ABC COMPANY |

| EXAMPLE B | 1. MEDICARE  
Although Linda has returned to work after retiring, her position is not benefits-eligible; therefore, her insurance benefits are obtained as a result of retirement, not employment. |
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Linda is 67, has retired from UT and returned to work in a position working less than 20 hours per week. Linda’s husband also covers her under his retiree plan with XYZ Company. Linda’s claims will be paid in this order:</td>
<td></td>
</tr>
</tbody>
</table>
| 2. UT SELECT  
3. XYZ COMPANY |

| EXAMPLE C | 1. UT SELECT  
It is important to inform your providers and health plan carriers of all the insurances in which you are enrolled. Understanding correct coordination of benefits will help to ensure timely and accurate claims payments. If you have questions regarding your specific insurance situation, please contact your institution Benefits Office or the UT System Office of Employee Benefits. |
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Meredith is 72 and has UT SELECT as a Retired Employee. During her phased retirement, she returns to teach for the Fall semester, from September 1 through January 15. She is covered by her husband’s medical plan through his active employment. During the semester that Meredith has returned to a benefits-eligible position at UT, her claims are paid in this order:</td>
<td></td>
</tr>
</tbody>
</table>
| 2. SPOUSE’S EMPLOYER  
3. MEDICARE  
For the remainder of the year, when Meredith is not teaching, her claims are paid as follows: |
| 1. SPOUSE’S EMPLOYER  
2. MEDICARE  
3. UT SELECT |

For more information on UT SELECT and Medicare, please see the Legal Notices section of this guide.
Your Prescription Drug Plan and Medicare Part D

The Federal Medicare program provides a Medicare-approved prescription drug benefit – Medicare Part D. The University of Texas System continues to offer your current UT SELECT prescription drug benefit, and enrollment in Medicare Part D will have a negative financial impact for most UT participants.

UT strongly urges you NOT to enroll in the Medicare Part D program. UT is committed to providing your prescription drug coverage now and in the future and to helping you make informed choices about your prescription drug benefit. For a relatively small number of very low-income UT retirees, enrolling in Medicare Part D may save money if the retiree also qualifies for a “low income subsidy” provided as part of the Medicare Part D Program. Please see the Medicare Part D Notice of Creditable Coverage in the Legal Notices section of this book.

For more information about the low income subsidy, call 1-800-772-1213 or visit www.socialsecurity.gov.
Special Circumstances

Returning to Work

If you are a TRS Retired Employee returning to work with a TRS agency, Texas law restricts your ability to work at other employers that participate in TRS and how much you can work. Consult with TRS and your hiring agency before returning to work after retirement. ORP Retired Employees do not have the same restrictions.

Returning to work in any capacity could affect your Social Security Benefits so contact the Social Security Administration to learn how those changes may affect your benefits.

YOUR TRS ANNUITY

GENERAL INFORMATION

If you plan to work in Texas public education after service or disability retirement, you should carefully review all requirements that apply to such work.

If you do not effectively terminate employment because you do not wait long enough to return to work or to arrange your return to work, your service or disability retirement can be totally revoked and you can be required to pay back annuity payments you have already received.

If you comply with all of the requirements and your retirement is effective, but you work more than the law allows while receiving your monthly benefit, you lose monthly service or disability annuity payments for months in which your work exceeds the allowable amount.

To work after service or disability retirement without revocation of retirement or loss of benefits, a retiree must:

- terminate all employment with a TRS-covered employer (see "Termination of Employment Before Retirement" and "Negotiation for Return to Employment" in the TRS handbook),
- wait to negotiate a return to employment as permitted under law,
- not work for a TRS-covered employer during the required break in service after the effective retirement date, and
- work only the amount of time permitted.
These requirements above apply to all retirees, service and disability, and both normal-age and early-age. However, there are some differences in how the requirements are applied, depending on retirement circumstances. In addition, these requirements may be affected by changes to state law and TRS regulations. For additional information, a full explanation of the requirements, see the TRS Employment After Retirement brochure, which can be found on the TRS website at www.trs.texas.gov or can be obtained by calling TRS.

**ORP RETIRED EMPLOYEES**

Unlike the Teacher Retirement System, retirees from the Optional Retirement Program (ORP) do not have the same limitations on employment after retirement. However, ORP retirees who later return to employment in Texas public institutions of higher education are not eligible to participate in ORP, with the following exceptions:

- ORP retirees who enrolled in retiree group insurance on or before June 1, 1997;
- Employees who elected ORP in lieu of ERS at the Texas Higher Education Coordinating Board (THECB) and who, after terminating employment with the THECB and enrolling in retiree group insurance as an ORP retiree from the THECB, subsequently become employed in an ORP-eligible position at a Texas public institution of higher education;
- Employees who elected ORP in lieu of TRS and who, after terminating employment with all Texas public institutions of higher education and enrolling in retiree group insurance as an ORP retiree from a Texas public institution of higher education, subsequently become employed in an ORP-eligible position at the THECB; and
- ORP retirees who enroll in retiree group insurance as a part of a phased retirement program, as defined in 19 Texas Administrative Code Chapter 25.

You are not eligible to participate in TRS or ORP.

You can participate in the UTsaver Voluntary Retirement plans. If you did not end your contributions to a UTsaver TSA or DCP Plan when you retired, those contributions may resume when you return to work.

You will continue to have insurance as a Retired Employee only. You will not be eligible to enroll in insurance available only to Active Employees (Disability and higher amounts of Voluntary Group Term Life insurance) or to participate in UT FLEX.

**YOUR INSURANCE AND RETURNING TO WORK**

If you return to work for another Texas State Agency or Institution of Higher Learning you may be able to enroll in their active employee benefits plans, but you may not receive premium sharing from more than one state group insurance program either as the Subscriber (covered enrollee) or a dependent.

Inform your new employer’s HR/Benefits office if you are a Return-to-Work Retired Employee.

**IMPORTANT:** If you return to work at UT in a benefits-eligible position 20 hours or more per week, Medicare becomes secondary and the UT SELECT medical plan becomes primary for any medicare-eligible person on your plan, including you.
Dual Premium Sharing

You may not receive premium sharing from more than one state group insurance program (ERS or A&M) either as the Subscriber (covered employee) or a dependent. You must either be the Subscriber (covered employee) or the dependent. If you or your spouse waive the Basic Coverage, neither of you will receive one-half of the premium sharing for Optional Coverage offered by System. If you currently cover a dependent that is also enrolled in one of these plans, please choose to have that person covered under only one plan and make the appropriate enrollment changes as soon as possible.

Moving Out of Area

When your address on record with your retiring institution changes to one that is outside of Texas, New Mexico, or Washington, D.C., your UT SELECT Medical Insurance applies Out of Area benefits. If you and your dependents are also enrolled in Medicare, this will have little to no effect on your out-of-pocket expenses. If you or any of your dependents are not eligible for Medicare, your benefits change to apply mostly deductible and coinsurance. Please review the UT SELECT Medical Plan Guide Out of Area Benefits or the UT SELECT Medical Plan Summary of Benefits and coverage for details. These documents are available on the UT System Office of Employee Benefits website or by contacting the Office of Employee Benefits.
Resources

In addition to the robust UT Benefits, additional resources are available to help you stay physically and financially healthy.

Benefits Cost Worksheet for Retirees

PLAN YEAR 2015-2016

This is NOT an enrollment form. You must enroll online using My UT Benefits during Annual Enrollment or, for new Retired Employees through your institution’s Benefits Office.

Please remember that this form only provides you (the subscriber) with an estimate of your total out-of-pocket cost per month based on state-appropriated funds and contracted premium rates. Be sure to review available benefits materials for more information on the plans listed.

For each section, figure the correct cost and enter it in the TOTAL boxes to the right of each section.

LIFE OUT-OF-POCKET COST PER MONTH

Enter Elected Coverage Amount:
Select from the following options and enter here (see* below).
- $7,000
- $10,000
- $25,000
- $50,000

Note: For those Retired Employees of the UT System who retired through the 1993 one-time retirement option, enter the amount of coverage currently in place.

Divide total in A by 1,000 to determine units of $1,000 for premium calculation. Enter here.

Refer to Retiree Rate Chart below. Enter the rate that corresponds with your age on September 1, 2015.

To determine the premium cost per month, multiply B x C.

The remainder of the Life Out-of-Pocket calculation section relates to the eligible spouse of a Retired Employee. Dependent children of Retirees are not eligible for Life coverage.

If you are electing the $3,000 Family Coverage option, enter $1.83 (see* below). Otherwise, enter zero.

To determine total Life premium cost per month, add D + E. Otherwise, enter zero.

Health Resources

Contact Blue Cross and Blue Shield for these free resources available to any member covered in the UT SELECT Medical plan.

**24/7 NURSELINE**

Blue Cross Blue Shield nurses can answer your health questions and help you decide whether you should go to the emergency room, urgent care center or make an appointment with your doctor the next day. You can also call the 24/7 Nurseline whenever you have a health question.

The toll-free 24/7 Nurseline can help you and your covered family members get answers to health questions about:

- Asthma
- Back pain
- Diabetes
- Dizziness or severe headaches
- High fever
- Cuts or burns
- Sore throat

Plus, when you call, you can access an audio library of more than 1,000 health topics — from allergies to surgeries — with more than 600 topics available in Spanish.

**CONDITION MANAGEMENT**

If you are at risk for or already have a chronic condition such as asthma, high blood pressure, diabetes, heart disease or chronic obstructive pulmonary disease, Registered nurses and other health care professionals work with you and your doctor to provide education, coaching and monitoring.

**TOBACCO CESSATION**

A Wellness Coach will work with you to provide personal assistance such as goal-setting and progress checkups, or you may choose to use self-guided tools and resources.
SILVER SNEAKERS
SilverSneakers® Fitness program
UT SELECT Health Plan members age 50 and above who are a Retiree (including working Retirees), a covered spouse of a Retiree or a Surviving Spouse are eligible for the Healthways SilverSneakers®. Once you are eligible, SilverSneakers will send a welcome kit to the address on file with your HR/Benefits Office.
SilverSneakers® Fitness, yours at no extra cost from the UT SELECT Health Plan, can help you improve your health and well-being with regular exercise. There are several ways to use your SilverSneakers membership. Choose one or try them all.

AT FITNESS LOCATIONS
Your SilverSneakers membership gives you access to 13,000+ fitness locations* across the country, with all basic amenities and SilverSneakers fitness classes designed specifically for active older adults.

IN PLACES YOU MAY ALREADY GO
SilverSneakers FLEX™ classes such as tai chi, yoga, Latin dance and walking groups are offered in parks, recreation centers, older-adult living communities and other neighborhood locations. You can take FLEX classes and still go to SilverSneakers fitness locations.

ONLINE
The SilverSneakers website allows you to look up fitness locations, find and enroll in FLEX classes, download healthy meal plans and recipes, and interact with the SilverSneakers community.

For details, visit silversneakers.com or call SilverSneakers customer service at 1-888-423-4632 (TTY: 711) Monday through Friday, 8 a.m. to 8 p.m. ET.

* At-home exercise kits are available for SilverSneakers members, including those who have a disability, are recovering from a medical procedure or illness, live in a rural area or experience traffic difficulties and can’t make it to a fitness center.

Date of Birth:

Date of Birth:
Life Insurance Value Added Benefits

If you are enrolled in any Dearborn National life insurance plan, you have access to additional benefits listed below.

TRAVEL BENEFITS
Travel Resource Services provided by Europ Assistance USA, Inc. in partnership with Dearborn National is a 24-hour emergency service that can help you access emergency assistance when you are traveling 100 or more miles away from home. Services include medical evacuation, return of mortal remains, traveling companion assistance, and more.

WILL PREPARATION
To help reduce the effort in preparing a legal will, Dearborn National offers Online Will Preparation. Online Will Preparation offers:

- A simple, easy process to create wills online
- Online access means users can create wills at their convenience, any time of the day or night
- Wills are valid in the state in which the insured resides
- Users create wills at no cost to them

BENEFICIARY RESOURCES
Unlimited 24/7 phone consultation
Grief counselors, legal assistance and financial advisors are available by phone for up to one year.

Five face-to-face sessions
Sessions can be used with one grief counselor or legal advisor. Time may also be split between a grief counselor and legal advisor. A one-hour financial consultation on the phone is also available.

Referrals and support services
Counselors provide compassionate support throughout the process, including referrals to qualified grief counselors and financial and legal consultants within BDA’s nationwide network of professionals.

Counselors Follow Up by Telephone
Counselors will initiate follow-up calls for up to one year when necessary.

ACCELERATED DEATH BENEFIT
An Employee, Retired Employee or covered spouse with a life expectancy of less than 24 months due to a Terminal Condition may be eligible for advanced payment of 50% of their Basic and Voluntary Term Life insurance amount in-force on the date that proof of loss is determined.
NOTE
You may also want to print your latest benefits summary from the most recent annual enrollment period. If you do not have a copy, you may always print another copy by logging in to My UT Benefits.

UNIFORM SUMMARY OF BENEFITS AND COVERAGE
The uniform Summary of Benefits and Coverage (SBC) provision of the Affordable Care Act requires all insurers and group health plans to provide consumers with an SBC to describe key plan features in a mandated format, including limitation and exclusions. The provision also requires that consumers have access to a uniform glossary of terms commonly used in health care coverage. The UT SELECT SBCs are available online. To review and SBC for UT SELECT PPO or Out-of-Area coverage, visit the website, www.bcbstx/ut. You can view the glossary at www.dol.gov/ebsa/pdf/SBCUniformGlossary.pdf. To request a copy of these documents free of charge, you may call the SBC Hotline at 1-855-756-4448.
UT SELECT Medical Plan Opt Out of Certain Provisions of the Public Health Service (PHS) Act

Group health plans sponsored by State governmental employers, such as UT System must generally comply with certain requirements in title XXVII of the federal Public Health Services Act. However, the Act also permits State governmental employers that sponsor “self-funded” health plans (rather than provide coverage through a health insurance policy) to elect to exempt the self-funded plan from such requirements. UT System has elected to exempt the UT SELECT Medical plan, which is self-funded, from the following requirements:

- Protection against limiting stays in connection with the birth to less than 48 hours for a vaginal delivery, and 96 hours for a cesarean section. (Newborn and Mother’s Health Protection Act)
- Certain requirements to provide benefits for reconstructive surgery following a mastectomy. (Women’s Health & Cancer Rights Act (WHCRA) of 1988)
- Protection against having benefits for mental health and substance abuse disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.
- Continued coverage for up to one year for a dependent child who is covered under a plan solely based on student status, who takes a medically necessary leave of absence from a post-secondary educational institution. (Michelle’s Law)

The exemption from these federal requirements will be in effect for the 2015-2016 plan year. The election may be renewed for subsequent plan years. However, UT System currently voluntarily provides coverage that substantially complies with the requirements of the Newborn and Mother’s Protection Act and the WHCRA.

Information about coverage available to newborns and mothers after delivery and coverage for reconstructive surgery can be found in the UT SELECT Medical plan guide.

Genetic Information Non-Discrimination Act of 2008

The Genetic Information Non-Discrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, UT System will generally never require a UT System benefits participant to provide any genetic information when responding to any request for medical information in connection with enrollment in any UT System benefits plan or accessing any of your UT System plan benefits. Genetic information as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. There may be circumstances where your health care provider may recommend that an individual undergo genetic testing for health reasons and in some cases a UT System plan may request the results of a genetic test to determine payment of a claim for benefits, but only the minimum amount of information necessary in order to determine payment. For more information about GINA see www.dol.gov/ebsa/faqs/faq-GINA.html
University of Texas System Notice of Privacy Practices

REVISION EFFECTIVE AS OF September 23, 2013

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

I. PURPOSE OF THIS NOTICE
This Notice of Privacy Practices (this “Notice”) describes the privacy practices of the UT SELECT, UT DENTAL SELECT an UT FLEX Self-funded Group Health Plans (“the Plans”) which are funded by The University of Texas System and administered by the Office of the Employee Benefits within the University of Texas System Administration (System).

Federal law requires System to make sure that any medical information that it collects, creates or holds on behalf of the Plans that identifies you remains private. Federal law also requires System to maintain this Notice of System’s legal duties and privacy practices with respect to your medical information. Specifically, this Notice describes how System may use or disclose your medical information (see Section II), your rights concerning your medical information (see Section III), how you may contact System regarding System’s privacy policies (see Section IV), and System’s right to revise this Notice (see Section V). System will abide by the terms of this Notice as long as it is in effect. This Notice applies to any use or disclosure of your medical information occurring on or after the effective date written at the top of this page, even if System created or received the information before the effective date. This Notice will no longer apply once a revised version of this Notice becomes effective.

II. HOW OEB MAY USE OR DISCLOSE YOUR MEDICAL INFORMATION
System may use or disclose your medical information only as described in this Section II.

A. Treatment. System may disclose your medical information to a health care provider for your medical treatment.

B. Payment. System may use or disclose your medical information in order to determine premiums, determine whether System is responsible for payment of your health care, and make payments for your health care. For example, before paying a doctor’s bill, System may use your medical information to determine whether the terms of your Plan cover the medical care you received. System may also disclose your medical information to a health care provider or other person as needed for that person’s payment activities.

C. Health Care Operations. System may use or disclose your medical information in order to conduct “health care operations.” Health care operations are activities that federal law considers important to System’s successful operation. As examples, System may use your complying with contracts and applicable laws. In addition, System may contact you to give you information about treatment alternatives or other health-related services that may interest you. System may also disclose your medical information to a health care provider or other health plan that is involved with your health care, as needed for that person’s quality-related medical information to evaluate the performance of participating providers in a Plans’ networks, and System may disclose your medical information to an auditor who will make sure that a third party administrator of a Plan is conducting health care operations.

D. Required by Law. System will use or disclose your medical information if a federal, state, or local law requires it to do so.

E. Required by Military Authority. If you are a member of the Armed Forces or a foreign military, System may use or disclose your medical information if the appropriate military authorities require it to do so.
F. Serious Threat to Health or Safety. System may use or disclose your medical information if necessary because of a serious threat to someone’s health or safety.

G. Limited Data Set. System may use or disclose your medical information for purposes of health care operations, research, or public health activities if the information is stripped of direct identifiers and the recipient agrees to keep the information confidential.

H. Disclosure to You. System may disclose your medical information to you or to a third party to whom you request us in writing to disclose your medical information.

I. Disclosures to Individuals Involved with Your Health Care. System may use or disclose your medical information in order to tell someone responsible for your care about your location or condition. System may disclose your medical information to your relative, friend, or other person you identify, if the information relates to that person’s involvement with your health care or payment for your health care.

J. Disclosures to Business Associates. System may contract or otherwise arrange with other entities or System offices to perform services on behalf of the Plans. System may then disclose your medical information to these “Business Associates,” and these Business Associates will use or disclose your medical information only to the extent System would be able to do so under the terms of this Section II. These Business Associates are also required to comply with federal law that regulates your medical information privacy. To the extent that System offices serve as Business Associates to other institutions within The University of Texas System that are Covered Entities, those offices will comply with those institutions’ Privacy Policies and Notices of Privacy Policies as to those institutions’ PHI they maintain, access or use as their Business Associates of those institutions.

K. Other Disclosures. System may also disclose your medical information to:

- Authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law;
- Law enforcement officials if they need the information to investigate a crime or to identify or locate a suspect, fugitive, material witness, or missing person;
- Health oversight agencies, if authorized by law, in order to monitor the health care system, government benefit programs, or compliance with civil rights laws;
- Persons authorized by law to receive public health information, including reports of disease, injury, birth, death, child abuse or neglect, food problems, or product defects;
- Persons authorized by law to receive the information under a court order, subpoena, discovery request, warrant, summons, or similar process;
- Persons who need the information to comply with workers’ compensation laws or similar programs providing benefits for work-related injuries or illnesses;
- Governmental agencies authorized to receive reports of abuse if you are a victim of abuse, neglect, or domestic violence;
- Coroners or medical examiners, after your death, to identify you, to determine your cause of death, or as otherwise authorized by law;
- Funeral directors, after your death, who need the information;
- The Secretary of Health and Human Services, a federal agency that investigates compliance with federal privacy law.

L. Incidental Uses and Disclosures. Uses and disclosures that occur incidentally with a use or disclosure described in this Section II are acceptable if they occur notwithstanding System’s reasonable safeguards to limit such incidental uses and disclosures.

M. Written Authorization. System may use or disclose your medical information under circumstances that are not described above only if you provide permission by “written authorization.” After you provide written authorization, you may revoke that authorization, in writing, at any time by sending notice of the revocation to the Privacy Officer identified in Section IV of this Notice. If you revoke an authorization, System will no
longer use or disclose your medical information under the circumstances permitted by that authorization. However, System cannot take back any disclosures already made under that authorization.

III. RESTRICTIONS
You have the following rights associated with your medical information:

A. System will not use your medical information for fundraising purposes.

B. System will never use your genetic medical information about you for underwriting purposes. Using or disclosing your genetic information is prohibited by federal law.

C. System does not use your medical information for marketing purposes. “Marketing” does not include face to face communications with you, or any communications for which the Plan receives no remu-

eration such as refill reminders, treatment plans, alternatives to treatment, case management, value added services provided in connection with a Plan, and other purposes related to treatment and health operations care. “Marketing” also excludes promotional gifts of nominal value provided by the Plan nor does it include refill reminders.

D. System does not sell your medical information.

IV. YOUR RIGHTS CONCERNING YOUR MEDICAL INFORMATION
You have the following rights associated with your medical information:

A. Right To Request Restrictions. Although System is generally permitted to use or disclose your medical information for treatment, payment, health care operations, and notification to individuals involved with your health care, you have the right to request that System limit those uses and disclosures of medical information. You must make your request in writing to the Privacy Officer. Your request must state (1) the information you want to limit, (2) to whom you want the limit to apply, (3) the special circumstances that support your request for a restriction on Plan disclosures, and (4) if your request would impact payment, how payment will be handled. System will consider your request but does not have to agree to it. If System does agree, System will comply with your request (unless the disclosure is for your emergency treatment or is required by law) until you or System cancels the restriction. There is a form you can use to make this request which is available on the System website or by contacting Privacy Officer or the Benefits Office at The University of Texas System institution that you contact for assistance with your System insurance benefits.

B. Right To Inspect and Copy. You have the right to request that System communicate your medical information to you by a certain method (for example, by e-mail) or at a certain location (for example, at a post office box). You must make your request in writing to the Privacy Officer. Your request must include the method or location desired. If your request would impact payment, you must describe how payment will be handled. Your request must indicate why disclosure of your medical information by another method or to another location could endanger you.

C. Right To Inspect and Copy. You have the right, in most cases, to inspect and copy your medical information maintained by or for System. You must make your request in writing to the Privacy Officer. If System denies your request, you may have the right to have the denial reviewed by a licensed health care professional
selected by System. If System (or a licensed health care professional performing the review on behalf of System) grants your request System will provide you with the requested access. You may request copies of such information but System may charge you a reasonable fee.

D. **Right to Amend.** If you feel that medical information System has about you is incorrect or incomplete, you may ask System to amend the information. You have the right to request an amendment for as long as the information is kept by or for System. You must make your request in writing to the Privacy Officer, and you must give a reason that supports your request. If System denies your request for an amendment, System will explain to you its reasons for denial and your appeal rights following denial.

E. **Right to an Accounting of Disclosures:** You have the right to request a list of disclosures of your medical information that have been made by System and its Business Associates. OEB does not have to list the following disclosures:

- Disclosures for treatment;
- Disclosures for payment;
- Disclosures for health care operations;
- Disclosures of a limited data set for health care operations, research, or public health activities;
- Disclosures to you;
- Disclosures to individuals involved with your health care;
- Disclosures to authorized federal officials for national security activities;
- Disclosures that occur incidentally with other permissible uses and disclosures;
- Disclosures made under your written authorization;
- In certain circumstances, disclosures to law enforcement officials or health oversight agencies. You must make your request in writing to the Privacy Officer. Your request must state the time period during which the disclosures were made, which may not include dates more than six years prior to the request. System may charge you a fee for the list of disclosures if you request more than one list within 12 months.

F. **Right to Make a Complaint:** If you believe your privacy rights have been violated, you may file a written complaint with System’s Privacy Officer or with the federal government’s Department of Health and Human Services. System will not penalize you or retaliate against you in any way if you file a complaint.

G. **Right to a Paper Copy of This Notice.** You have the right to request a paper copy of this Notice, even if you have received this Notice electronically. You may make your request to the Privacy Officer.
V. BREACH NOTIFICATIONS
System makes every effort to secure your health information, including the use of encryption whenever possible. In the event that any of your medical information that has not been encrypted is the subject of a breach, System will provide you with a written or electronic about the breach as required by federal law.

VI. WHOM TO CONTACT REGARDING SYSTEM’S PRIVACY POLICIES
a. **System’s Privacy Officer.** To obtain a copy of the most current Notice, to exercise any of your rights described in this Notice, or to receive further information about the privacy of your medical information, you may contact System’s Privacy Officer at:
   
   **Privacy Officer c/o**
   **Office of General Counsel**
   **The University of Texas System**
   **201 West 7th Street, Suite 600**
   **Austin, Texas 78701-2902**
   **(512) 499-4462**
   **Email: Privacyofficer@utsystem.edu**

b. **Department of Health and Human Services.** To obtain further information about the federal privacy rules or to submit a complaint to the Department of Health and Human Services, you may contact the Department by telephone at 1 (800) 368-1019, by electronic mail at (ocrmail@hhs.gov), or by regular mail addressed to:
   
   **Regional Manager, Region IV**
   **Office of Civil Rights**
   **US Department of Health and Human Services**
   **1301 Young Street**
   **Dallas, TX 75202**
   **214 767-4056**
   **TDD (214) 767-8940**

   **c. Electronic Copy of This Notice.** You may obtain an electronic copy of the most current version of this Notice at the following website: www.utsystem.edu/offices/employee-benefits/hipaa-and-privacy.

VII. SYSTEM’S RIGHT TO REVISE THIS NOTICE
System reserves the right to change the terms of this Notice at any time. System also reserves the right to make the revised notice effective for medical information System already has about you as well as any information OEB receives while such notice is in effect. Within 60 days of a material revision to this Notice, System will provide the revised notice to all individuals then covered by a Plan. If you want to make sure that you have the latest version of this Notice, you may contact the Privacy Officer.
Medicare Part D Notice of Creditable Coverage

Important Notice from The University of Texas System Office of Employee Benefits About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The University of Texas System and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The University of Texas System Office of Employee Benefits has determined that the prescription drug coverage offered by the UT SELECT Medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

Enrollees of the UT SELECT Medical plan are automatically enrolled in prescription drug coverage. It is not possible to enroll in UT SELECT Medical coverage and decline or waive the prescription drug portion of the coverage. If you decide to join a Medicare drug plan, you are not required to drop your current UT SELECT Medical plan coverage. If you elect part D coverage in addition to your UT SELECT Medical coverage, the pharmacy benefits you are eligible for under your UT SELECT Medical will coordinate with your Part D coverage.

If you do decide to join a Medicare drug plan and drop your current UT SELECT Medical plan coverage, be aware that you and your dependents will be able to get this coverage back during annual enrollment or following a qualified change of status event.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the UT SELECT Medical plan and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without
creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact your institution Benefits Office for additional information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the UT SELECT Medical plan changes. You also may request a copy of this notice at any time from The Office of Employee Benefits or your institution Benefits Office.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage, visit www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help.

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
**Employee/Retired Employee Signature**

**Date**

---

**Important Note For Married Employees:**
If you reside in AZ, CA, ID, LA, NV, NM, TX, WA or WI, and you name someone other than your spouse as primary beneficiary, your spouse’s consent will be necessary to allow your spouse to waive his or her rights to any community property interest in the benefits. We have provided a space below for your spouse’s signature. Payment of benefit may be delayed or disputed unless your spouse signs.

---

**Definitions & Statements**

**Primary Beneficiary** means the person or persons who will receive the benefits in the event of the Insured’s death. Proceeds will be divided in equal shares if multiple primary beneficiaries are named, unless otherwise indicated. If percentages are listed, the total of the combination must equal 100%.

**Contingent Beneficiary** means the person or persons who will receive the benefits if the primary beneficiary is not living at the time of the Insured’s death.

**Will or Trust as Beneficiary Designation** can be done by using the following written statement: “To [name of trustee], trustee of the [name of trust], under a trust agreement dated [date of trust].” If you wish to designate a testamentary trust as beneficiary (i.e. created by will), you should recognize the possibility that your will which was intended to create a trust may not be admitted to probate (because it is lost, contested or suspended by a later will). Claim payment delays can result if the beneficiary designation does not provide for this situation.

**Minors as Beneficiary Designation** can be done by using this document. However, please note if your beneficiary is a minor at the time of claim, payments may be delayed due to special issues raised by these designations. **Dependent Beneficiary** – In the event a dependent dies, the employee is the beneficiary of their life insurance proceeds.

**Please note:** Under Texas Law current employees/retirees of The University of Texas are unable to list an institution of The University of Texas System as a primary and or contingent beneficiary. This prohibition does not apply if the beneficiary is a non-profit organization that is a separately managed and uniquely taxable entity from a UT System institution.

**This information is not intended as legal advice. Always consult an attorney before making your beneficiary designation.**
