This is a brief description of the UT SELECT Dental benefits program offered to you by The University of Texas System through Delta Dental Insurance Company (Delta Dental). The UT SELECT Dental plan includes two provider networks, the Dental Provider Organization (DPO) network and the Delta Dental Premier® (Premier) network, and also provides UT employees, retirees and their families flexibility to visit the dentist of their choice.

- Save money with a Delta Dental DPO dentist.** Our DPO network dentists accept reduced fees for covered services they provide you, so you'll usually pay the least when you visit a DPO network dentist. This also ensures Delta Dental dentists won't balance bill you the difference between the contracted amount and their usual fee.
- The Premier "safety-net".** If you don't choose to visit a Delta Dental DPO dentist, you also have access to the Delta Dental Premier® network. You'll usually pay more than if you visit a DPO dentist, but you'll still have cost protections that you don't get when you visit a non-Delta Dental dentist.
- Visit a non-Delta Dental dentist of your choice.** Want to visit a non-Delta Dental dentist? No problem. You can visit any licensed dentist, but your out-of-pocket costs will usually be much lower when you see a Delta Dental dentist (DPO or Premier).
- Many network dentists to choose from.** Since Delta Dental offers access to some of the largest dentist networks in the U.S., chances are there's a wide choice of network dentists near your home or office. Four out of five dentists nationwide are contracted Delta Dental dentists, giving more enrollees convenient access to more dentists.
- Find a Delta Dental dentist.** Visit us at [www.deltadentalins.com/universityoftexas](http://www.deltadentalins.com/universityoftexas) to search our dentist directory by location or specialty. You can also call your dentist's office and ask specifically if they are a Delta Dental DPO or a Delta Dental Premier Dentist.
- Easy to use your benefits.** When you visit a Delta Dental dentist, pay only your portion for services. Delta Dental dentists will file claim forms for you and receive payment directly from us. Many non-Delta Dental dentists ask that you pay the entire cost up front and wait for reimbursement.
- Delta Dental's Online Services make getting information quick and easy.** Access your benefits and eligibility, print ID cards and get information about your claims. And check out Delta Dental's oral health resources for tips and information that can help keep your smile healthy.

WE KEEP YOU SMILING®
