Premium progressive: members receive a $120 retail allowance toward the provider’s retail cost for a standard progressive.

If applicable, the member is responsible for anything over the $120 retail allowance.
Contact Lens Fitting Benefit

Stand-alone benefit; separate from eye exam. Great value for a small co-pay

- Two types of fittings
  - Standard: Covered in full
  - Specialty: $50 allowance

- Contact lens allowance is **not** reduced by the contact lens fitting costs

**Example**
Assume: Annual contact lenses purchase = $150; annual contact lens allowance = $125 (Basic), $150 (Plus); contact lens fitting exam = $70
