YOUR UT SELECT

PLAN YEAR 2023 - 2024

Health Benefits At-a-Glance

Start the Plan Year off Right!

You and your dependents have some great benefits that are easy to access. Contact your specially trained Health Advocate to help you navigate your benefits, answer any questions and address your health care needs.

UT SELECT medical plan is administered by Blue Cross and Blue Shield of Texas, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association.

Communication Your Way

Do you want fast, easy and secure access to your health information? Go digital with Blue Cross and Blue Shield of Texas (BCBSTX) and share how you want us to communicate with you.

Prefer texting? Sign up for claims and benefit information, and health tips. Or, you can text us to find a doctor or urgent care center.*

If email is your thing, let us know so we can send claim processing alerts and health tips to your favorite email inbox.

Love to surf the web on a laptop, PC or phone? That's cool, too. You'll avoid waiting for regular mail to see updates to your explanation of benefits (EOB) information. While you're online, you can sort, organize and download up to 18 months of your claims history.

It's up to you. Let us know and we'll provide communication your way.

It's Easy to Reach a Health Advocate**

Call **866-882-2034**. You may also download the BCBSTX App. From the dashboard, click **Contact** and then **Live Chat**.

Go Digital Your Way

Update your preferences and contact information.

- Go to **bcbstx.com/preferences**
- Text **CONTACTTX** to **33633***

* Message and data rates may apply. Terms and conditions and privacy policy are available at **bcbstx.com/mobile/text-messaging**.

** Health Advocates and nurses do not give medical advice or take the place of a doctor's care. Talk to your doctor or health care professional about any health questions or concerns.

Retrain Your Brain

See how much better life can feel with digital mental health programs from Learn to Live.¹

About half of those who live in the U.S. will experience a mental health concern at some point in their lives.² But you can learn new skills to break old patterns that may be holding you back. Digital mental health programs from Learn to Live can help you get your mental health on track so you can feel better and enjoy life more.

Find out where you may need support

An online assessment helps pinpoint the right programs for you, such as:

- Stress, anxiety and worry
- Depression
- Insomnia
- Social anxiety
- Substance use

Log in at **bcbstx.com/ut** and click **Healthy Living**. Then choose **Digital Mental Health**.

1. Learn to Live provides educational behavioral health programs; members considering further medical treatment should consult with a physician.

Learn to Live (L2L) offers customized, user-paced, online programs based on the proven principles of Cognitive Behavioral Therapy (CBT). The programs are confidential, accessible anywhere and based on years of research showing online CBT programs to be as effective as face-to-face therapy. L2L coaches are not providing services as licensed therapists, social workers or doctors and do not offer services requiring professional licensure such as psychotherapy. Coaches do not provide crisis support or emergency behavioral health services.

If you are a UT SELECT or UT CONNECT member, your plan includes behavioral health benefits. To find a list of providers, go to **bcbstx.com** and log in to Blue Access for MembersSM.

You and your dependents may also contact your Employee Assistance Program for help finding professional assistance. For more information, go to **<https://utsystem.edu/offices/employee-benefits/living-well/stress-less/employee-assistance-programs>**

If you are in a life-threatening emergency, please call **911**. If you are in crisis, please call the National Suicide Prevention Lifeline at **800-273-8255**.

2. **<https://www.cdc.gov/mentalhealth/learn/index.htm>**.

Learn to Live, Inc. is an independent company that provides online behavioral health programs and tools for members with coverage through Blue Cross and Blue Shield of Texas. BCBSTX makes no endorsement, representations or warranties regarding third-party vendors and the products and services offered by them.

Save Money by Staying In-Network

All participants in the UT SELECT medical plan are encouraged to be wise health care consumers and use the plan (including prescription coverage) in ways that save money for participants and the plan. It's always less expensive when you stay in your health plan's network. This is one of the best ways you can control your health care costs and save money. Help UT SELECT keep premiums low and future premium increases to a minimum by using in-network providers.

Here are some ways to find in-network providers:

- Register or log in to BAM at bcbstx.com/ut and go to the **Find Care** page
- Call a Health Advocate at **866-882-2034** for help

Save on Copays and Coinsurance

The UT Health Network benefit is available to UT SELECT participants receiving services from certain UT physicians and UT medical facilities. Lower copays and coinsurance will apply when seeing a UT physician at a UT-owned facility.* You can also save on physician charges when treatment is received from a UT physician at a non-UT-owned facility.

Your UT Health Network benefit applies depending on the status of the provider and facility:	
Visit to participating Employee Clinic for urgent care needs	Member pays \$10 copay
Office visit with a UT physician at a UT-owned or non-UT-owned facility	Member pays office visit copay of \$20 or \$40 when seeing a UT physician
Inpatient or outpatient services with a UT physician at a UT-owned facility	Member pays regular \$600 deductible, 10% coinsurance on physician and facility charges, and \$0 hospital copay per day at UT-owned medical facility
Inpatient or outpatient services with a UT physician at a non-UT-owned facility	Member pays regular \$600 deductible, 10% coinsurance on physician charges, 20% coinsurance for facility charges, and \$200 hospital copay per day

	UT SELECT Benefit	UT HEALTH Network Benefit
Primary care	\$30 copay	\$20 copay
Specialist	\$50 copay	\$40 copay
Employee clinic	\$30 copay	\$10 copay
Deductible	\$600	
Coinsurance	20%	10%
Hospital Copay	\$200/day (max \$1,000)	\$0/day

* UT-owned hospitals and employee clinics participating in the UT Health Network include: UT Medical Branch Galveston, UT Tyler Health Science Center, UT Austin Dell Medical School, UT Health Houston, UT Austin School of Nursing Wellness Clinics, UT Health Austin WorkWell (Employee Health) Program, UT Health Houston - UT Health Services Clinic, UT Health San Antonio - Employee Health and Wellness Center, UT Rio Grande Valley and UT Dallas Callier Center for Communication Disorders providers and facilities.

Other Important Information About Your 2023-2024 Benefits

Get a Doctor's Care From Almost Anywhere

Call your doctor's office first to find out if they offer telehealth consultations by phone or video. Or, **MDLIVE** offers reliable 24/7 health care by phone or video with Virtual Visits.

Talk to a board-certified MDLIVE doctor in minutes when you need care fast, including prescriptions. MDLIVE is a reliable and affordable alternative to urgent care for more than 80 common, non-emergency conditions, such as flu, sinus infections, pink eye, ear pain and urinary tract infections. In addition, your Virtual Visits benefits offers talk therapy and psychiatry from the privacy of home.

Find a Healthier Way to Live with Hypertension or Diabetes

The **Livongo**® for Hypertension and Diabetes Programs help make living with either hypertension or diabetes easier. Receive free at-home blood pressure monitoring along with coaching for your hypertension issues. Or, if living with diabetes, receive a connected meter, free strips and lancets. What's more, both programs provide coaching. The programs are available at no extra cost to you and your covered family members.

Get Tools to Build Healthy Habits

Omada® provides tools and support to help build healthy habits that stick. If you or your adult family members are at risk for Type 2 diabetes or heart disease, you may be able to join this program.

Conquer Chronic Back, Knee, Hip, Neck or Shoulder Pain Without Drugs or Surgery

Hinge Health™ is a coach-led digital program for those suffering with chronic back, knee, hip, neck or shoulder pain. The program is covered as part of your UT SELECT benefits. There is no out-of-pocket cost. You and your covered family members will go through a clinical screening to determine eligibility for the program.

Get Ready for Baby

A mobile-first solution, **Ovia Health**™ leverages automated solutions to deliver daily customized interactions that aim to improve clinical outcomes for women and their babies. By engaging women early and often while they are on their parenthood journey, from preconception through pregnancy and parenthood, Ovia Health is able to identify risk early, connect members to the BCBSTX High-Risk Maternity Management program if needed, improve health outcomes and reduce health care costs.

Help Avoid Higher Costs

With your health plan coverage, you are required to preauthorize certain covered health services to help avoid higher costs. To ensure you get any necessary preauthorizations, you should connect with a Health Advocate before you get care.

For questions or to learn more about these programs, call a Health Advocate at 866-882-2034.
