Tobacco Usage Survey

UTS Tobacco Premium Program 2025-2026

Has the individual used any tobacco products - including vapes/e-cigarettes - in the last 60 days?

Tobacco products include cigarettes (clove, bidis, kreteks), cigars and cigarillos, pipes, water pipes (hookah), electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, nicotine pouches, and any non-FDA approved nicotine delivery device. All members will see the Tobacco Premium Program in their benefits. A \$30 premium will be applied, up to \$90 per family, if the answer to this question is "Yes" for you and/or any of your eligible dependents.
