Getting Started With Your Member Account

Use your member account to easily locate in-network providers, view your benefits and eligibility, print your ID card, download forms, and more.

Member accounts are shared by all covered family dependents and family members may log in as the primary member.

1

Visit superiorvision.com and select "Member Log In" from the top navigation.

2

If you already have an account, enter your username and password. Otherwise, click the "Create a new account" button.

3

Enter the ID as outlined in your member welcome kit and create a password.
