INTRODUCTION

1.1 Description of The University of Texas System

For more than 130 years, The University of Texas System (“**UT System**” and “**University**”) has been committed to improving the lives of Texans and people all over the world through education, research and health care.

The University of Texas System is one of the nation’s largest systems of higher education, with 14 institutions that educate more than 217,000 students. Each year, UT institutions award more than one-third of all undergraduate degrees in Texas and almost two-thirds of all health professional degrees. With about 20,000 faculty – including Nobel laureates – and more than 70,000 health care professionals, researchers, student advisors and support staff, the UT System is one of the largest employers in the state.

The UT System ranks third in the nation in patent applications, and because of the high caliber of scientific research conducted at UT institutions, the UT System is ranked No. 1 in Texas and third in the nation in federal research expenditures. In addition, the UT System is home to three (3) of the nation’s National Cancer Institute Cancer Centers – UT MD Anderson, UT Southwestern and UT Health Science Center-San Antonio – which must meet rigorous criteria for world-class programs in cancer research.

Chancellor William H. McRaven’s ambitious vision for the UT System includes eight “Quantum Leaps,” that address many of the most significant challenges of our time, including building the nation’s next generation of leaders through core education in leadership and ethics; leading a brain health revolution by accelerating discoveries and treatments for neurological diseases; elevating higher education’s role in national security; driving unprecedented levels of collaboration between higher and K-12 education; and increasing student access and success.

Other numerous transformational initiatives implemented over the past several years have cemented UT as a national leader in higher education, including the expansion of educational opportunities in South Texas with the opening of The University of Texas Rio Grande Valley in the fall of 2015. And UT is the only system of higher education in the nation establishing not one (1), but two (2) new medical schools in 2016 at The University of Texas at Austin and UT Rio Grande Valley.

University of Texas institutions are setting the standard for excellence in higher education and will continue do so thanks to our generous donors and the leadership of the Chancellor, the Board of Regents and UT presidents.

1.2 Background and Special Circumstances

The Unemployment Compensation Insurance (“**UCI**”) program is an employer-paid insurance program to assist workers who are unemployed through no fault of their own. It provides temporary financial assistance to qualified individuals while they search for other work.

In 1971, the Texas Legislature passed legislation to provide unemployment compensation insurance coverage for all state employees. Following this legislation, The University of Texas System (the “**UT System**”) UCI program was established. As a reimbursing employer, the UT System reimburses the State Unemployment Trust Fund for any claims paid by the Texas Workforce Commission (“**TWC**”) to former employees of the fourteen (14) institutions of UT System (“**UT Institution**”) and UT System Administration, in lieu of paying UCI taxes.

In 2011 the UT System UCI program began providing reemployment services to transitioning UT Institution employees who were eligible to file a lack of work claim with the TWC. These benefits were offered as a service to UT Institution employees and as a cost containment measure. NextJob, Inc. has provided these services for UT Institutions from 2011 to present.

The table below provides the number of employees offered reemployment services, the number who utilized these services and the engagement rate for the past five (5) fiscal years. The UT System fiscal year operates from Sept 1 – August 31.

	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016
Reemployment services offered	407	488	430	368	349
UT System employees engaged	235	242	230	220	230
Engagement Rate	58%	50%	53%	60%	66%

The number of reemployment services offered could fluctuate significantly from year to year but the past five (5) years provides a historical context for the volume of services offered in an average year.

1.3 Objective of Request for Proposal

The University of Texas System is soliciting proposals in response to this Request for Proposal No.720-1714 (this “**RFP**”), from qualified vendors to provide comprehensive and effective job transition services (the “**Services**”) more specifically described in **Section 5** of this RFP.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by [Section 61.003, Education Code](#)) to use the group purchasing procurement method (ref. Sections [51.9335](#), [73.115](#), and [74.008](#), *Education Code*). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer. In particular, Proposer should note UT System is composed of fourteen (14) institutions described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this could give rise to additional purchase volumes. As a result, in submitting its proposal in response to this RFP, Proposer should consider proposing pricing and other commercial terms that take into account such higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP.

SECTION 2

NOTICE TO PROPOSER

2.1 Submittal Deadline

University will accept proposals submitted in response to this RFP until 2:30 p.m., Central Standard Time (“CST”) on Tuesday, March 21st, 2017 (the “**Submittal Deadline**”).

2.2 University Contact Person

Proposers will direct all questions or concerns regarding this RFP to the following University contact (“**University Contact**”):

Darya Vienne
Email: dvienne@utsystem.edu

University specifically instructs all interested parties to restrict all contact and questions regarding this RFP to written communications delivered to (i) University Contact, or (ii) if questions relate to Historically Underutilized Businesses, to HUB Coordinator (ref. **Section 2.5** of this RFP). *University Contact must receive all questions or concerns no later than 2:30 p.m. CST on March 8th, 2017.* University will have a reasonable amount of time to respond to questions or concerns. It is University’s intent to respond to all appropriate questions and concerns; however, University reserves the right to decline to respond to any question or concern.

2.3 Criteria for Selection

The successful Proposer, if any, selected by University through this RFP will be the Proposer that submits a proposal on or before the Submittal Deadline that is the most advantageous to University. The successful Proposer is referred to as “**Contractor.**”

Proposer is encouraged to propose terms and conditions offering the maximum benefit to University in terms of (1) service, (2) total overall cost, and (3) project management expertise.

The evaluation of proposals and the selection of Contractor will be based on the information provided in the proposal. University may consider additional information if University determines the information is relevant.

Criteria to be considered by University in evaluating proposals and selecting Contractor, will be these factors:

2.3.1 Threshold Criteria Not Scored

- A. Ability of University to comply with laws regarding Historically Underutilized Businesses; and
- B. Ability of University to comply with laws regarding purchases from persons with disabilities.

2.3.2 Scored Criteria

- A. Cost (30%);
- B. Proposer’s Experience and Qualifications (30%);
- C. Approach to Project Services (35%);
- D. Proposer’s exceptions to the terms and conditions set forth in the Agreement (ref. **APPENDIX TWO**) of this RFP (5%).

2.4 Key Events Schedule

Issuance of RFP	Thursday, February 23rd, 2017
Deadline for Questions / Concerns (ref. Section 2.2 of this RFP)	2:30 p.m. CST on Wednesday, March 8th, 2017
Submittal Deadline (ref. Section 2.1 of this RFP)	2:30 p.m. CST on Tuesday, March 21st, 2017

2.5 Historically Underutilized Businesses

2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a “**HUB**”) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of the Services by Proposer is subject to review by University to ensure compliance with the HUB program.

2.5.2 University has reviewed this RFP in accordance with [Title 34, Texas Administrative Code, Section 20.284](#), and has determined that subcontracting opportunities are probable under this RFP.

2.5.3 A HUB Subcontracting Plan (“**HSP**”) is a required as part of Proposer’s proposal. The HSP will be developed and administered in accordance with University’s Policy on Utilization of Historically Underutilized Businesses attached as **APPENDIX THREE** and incorporated for all purposes.

*Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including **APPENDIX THREE**. Proposers that fail to do so will be considered non-responsive to this RFP in accordance with [Section 2161.252, Government Code](#).*

Questions regarding the HSP may be directed to:

*Contact: Cynthia Booker
Coordinator, HUB Technical Assistant
Phone: 409-772-1353
Email: cbooker@utsystem.edu*

Contractor will not be permitted to change its HSP *unless*: (1) Contractor completes a new HSP in accordance with the terms of **APPENDIX THREE**, setting forth all modifications

requested by Contractor, (2) Contractor provides the modified HSP to University, (3) University approves the modified HSP *in writing*, and (4) all agreements resulting from this RFP are amended in writing to conform to the modified HSP.

2.5.4 Proposer must submit two (2) originals of the HSP to University at the same time it submits its proposal to University (ref. **Section 3.2** of this RFP.) **The originals of the HSP must be submitted under separate cover (mailed independently) and in two (2) separate envelopes (the “HSP Envelopes”).** Proposer must ensure that the top outside surface of HSP Envelopes clearly indicating:

2.5.4.1 the RFP No. (ref. **Section 1.3** of this RFP) and the Submittal Deadline (ref. **Section 2.1** of this RFP), both located in the lower left hand corner of the top surface of the envelope,

2.5.4.2 the name and the return address of the Proposer, and

2.5.4.3 the phrase “HUB Subcontracting Plan”.

Any proposal submitted in response to this RFP that is not accompanied by two (2) separate HSP Envelopes meeting the above requirements may be rejected by University and returned to Proposer unopened as non-responsive due to material failure to comply with advertised specifications.

University will open Proposer’s HSP Envelopes prior to opening the proposal to confirm Proposer submitted the HSP. Proposer’s failure to submit two (2) completed and signed originals of Proposer’s HUB Subcontracting Plan may result in University’s rejection of the proposal as non-responsive due to material failure to comply with advertised specifications; such a proposal will be returned to the Proposer unopened (ref. **Section 1.5 of APPENDIX ONE** to this RFP). **Note:** The requirement that Proposer provide two (2) originals of the HSP under this **Section 2.5.4** is separate from and does not affect Proposer’s obligation to provide University with the number of copies of its proposal as specified in **Section 3.1** of this RFP.

If Proposer’s submitted HSP refers to specific page(s) / Sections(s) of Proposer’s proposal that explain how Proposer will perform entire contract with its own equipment, supplies, materials and/or employees, Proposer must include copies of those pages in HSP Envelopes. Failure to do so will slow the evaluation process and may result in DISQUALIFICATION.

SECTION 3

SUBMISSION OF PROPOSAL

3.1 Number of Copies

- A. One (1) complete paper copy of its *entire* proposal.

The paper copy of the proposal should contain the mark “original” on the front cover of the proposal. An original signature by an authorized officer of Proposer must appear on the Execution of Offer (ref. Section 2 of **APPENDIX ONE**) of the submitted paper copy of the proposal.

University does not consider electronic signatures to be valid therefore the original signature must be a “wet signature.”

- B. One (1) complete electronic copy of its entire proposal in a single .pdf file on USB Flash Drive. USB Flash Drive must include a protective cover and be labeled with Proposer’s name and RFP number.

In addition, Proposer must submit one (1) complete electronic copy of the proposal in a single .pdf file on separate USB Flash Drive on which all proposed pricing information, provided in response to **Section 6**, has been removed.

Specifications and Additional Questions (ref. **Section 5** of this RFP). If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

3.4.1.1. Specifications and Additional Questions (ref. **Section 5** of this RFP);

SECTION 4

GENERAL TERMS AND CONDITIONS

The terms and conditions contained in the attached Agreement (ref. **APPENDIX TWO**) or, in the sole discretion of University, terms and conditions substantially similar to those contained in the Agreement, will constitute and govern any agreement that results from this RFP. If Proposer takes exception to any terms or conditions set forth in the Agreement, Proposer will submit redlined **APPENDIX TWO** as part of its proposal in accordance with **Section 5.2.1** of this RFP. Proposer's exceptions will be reviewed by University and may result in disqualification of Proposer's proposal as non-responsive to this RFP. If Proposer's exceptions do not result in disqualification of Proposer's proposal, then University may consider Proposer's exceptions when University evaluates the Proposer's proposal.

SECTION 5

1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University's responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. **Section 4** of **APPENDIX ONE**). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer's proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone and facsimile (**FAX**) numbers, and email address, to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to that party.

1.3 Public Information

Proposer is hereby notified that University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

University may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, University will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act* (ref. [Chapter 552, Government Code](#)). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections [552.101](#), [552.104](#), [552.110](#), [552.113](#), and [552.131](#), *Government Code*.

1.4 Type of Agreement

Contractor, if any, will be required to enter into a contract with University in a form substantially similar to the Agreement between University and Contractor (the "**Agreement**") attached to this RFP as **APPENDIX TWO** and incorporated for all purposes.

1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. Any proposals that are not submitted by the Submittal Deadline or that are not accompanied by required number of completed and signed originals of the HSP will be rejected by University as non-responsive due to material failure to comply with this RFP (ref. **Section 2.5.4** of this RFP). Upon completion of the initial review and evaluation of proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

1.6 Proposer's Acceptance of RFP Terms

Proposer (1) accepts [a] Proposal Evaluation Process (ref. **Section 1.5** of **APPENDIX ONE**), [b] Criteria for Selection (ref. **2.3** of this RFP), [c] Specifications and Additional Questions (ref. **Section 5** of this RFP), [d] terms and conditions of the Agreement (ref. **APPENDIX TWO**), and [e] all other requirements and specifications set forth in this RFP; and (2) acknowledges that some subjective judgments must be made by University during this RFP process.

- 1.8.4 Proposals that (i) are qualified with conditional clauses; (ii) alter, modify, or revise this RFP in any way; or (iii) contain irregularities of any kind, are subject to disqualification by University, at University's sole discretion.
- 1.8.5 Proposals should be prepared simply and economically, providing a straightforward, concise description of Proposer's ability to meet the requirements and specifications of this RFP. Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP.
- 1.8.6 University makes no warranty or guarantee that an award will be made as a result of this RFP. University reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in University's best interest. University reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to University, at University's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.
- 1.8.7 Any proposal that fails to comply with the requirements contained in this RFP may be rejected by University, in University's sole discretion.

Except as otherwise provided in this RFP, no proposal may be changed, amended, or modified after it has been submitted to University. However, a proposal may be withdrawn and resubmitted at any time prior to the Submittal Deadline. No proposal may be withdrawn after the Submittal Deadline without University's consent, which will be based on Proposer's written request explaining and documenting the reason for withdrawal, which is acceptable to University.

- 12.18 **Survival of Provisions.** No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination, including **Sections 6.7, 9, 12.5, 12.9, 12.10, 12.11, 12.13, 12.16, 12.17, 12.19 and 12.21.**

12.19 **Breach of Contract Claims.** To the extent that [Chapter 2260, Texas Government Code](#), is applicable to this Agreement and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 and the related rules adopted by the Texas Attorney General pursuant to Chapter 2260, will be used by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor that cannot be resolved in the ordinary course of business. The chief business officer of University will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims. The parties specifically agree (i) neither execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit; and (ii) University has not waived its right to seek redress in the courts.

12.19.1 To the extent that [Chapter 2260, Texas Government Code](#), as it may be amended from time to time (**Chapter 2260**), is applicable to this Agreement and is not preempted by other Applicable Laws, the dispute resolution process provided for in [Chapter 2260](#) will be used, as further described herein, by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

12.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in [subchapter B](#) of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by [subchapter B](#) of Chapter 2260, to University in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of [subchapter B](#) of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with [subchapter B](#) of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under [subchapter C](#) of Chapter 2260. The chief business officer of University, or another officer of University as may be designated from time to time by University by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

12.19.1.2 If the parties are unable to resolve their disputes under **Section 12.19.1.1**, the contested case process provided in [subchapter C](#) of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.

12.19.1.3 Compliance with the contested case process provided in [subchapter C](#) of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under [Chapter 107, Texas Civil Practices and Remedies Code](#). The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

- 12.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to [Chapter 2260](#), as currently effective, thereafter enacted or subsequently amended.
- 12.19.3 University and Contractor agree that any periods provided in this Agreement for notice and cure of defaults are not waived.
- 12.20 **Undocumented Workers.** The *Immigration and Nationality Act* ([8 USC §1324a](#)) (**Immigration Act**) makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the [Form I-9 Employment Eligibility Verification Form \(I-9 Form\)](#) as the document to be used for employment eligibility verification ([8 CFR §274a](#)). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by Applicable Laws. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by Applicable Laws, University may terminate this Agreement in accordance with **Section 8**. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.
- 12.21 **Limitations.** THE PARTIES ARE AWARE THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS (**LIMITATIONS**) ON THE AUTHORITY OF UNIVERSITY (A STATE AGENCY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE PART OF THIS AGREEMENT, INCLUDING TERMS AND CONDITIONS RELATING TO LIENS ON UNIVERSITY'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY, AND TERMS AND CONDITIONS RELATED TO LIMITATIONS WILL NOT BE BINDING ON UNIVERSITY EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.
- 12.22 **Ethics Matters; No Financial Interest.** Administrator and its employees, agents, representatives and subcontractors have read and understand [University's Conflicts of Interest Policy](#), [University's Standards of Conduct Guide](#), and applicable [state ethics laws and rules](#). Neither Administrator nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University's Conflicts of Interest Policy, University's Standards of Conduct Guide, or applicable state ethics laws or rules. Administrator represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

Further, Contractor agrees to comply with [§2252.908, Texas Government Code \(Disclosure of Interested Parties Statute\)](#), and [1 TAC §§46.1 through 46.5 \(Disclosure of Interested Parties Regulations\)](#), as implemented by the Texas Ethics Commission (TEC), including, among other things, providing the TEC and University with information required on the form promulgated by TEC. Proposers may learn more about these disclosure requirements, including the use of TEC's electronic filing system, by reviewing

the information on TEC's website at https://www.ethics.state.tx.us/whatsnew/FAQ_Form1295.html.

12.23 **Intentionally left blank**

12.24 **Enforcement.** Contractor agrees and acknowledges that University is entering into this Agreement in reliance on Contractor's special and unique knowledge and abilities with respect to performing Work. Contractor's services provide a peculiar value to University. University cannot be reasonably or adequately compensated in damages for the loss of Contractor's services. Accordingly, Contractor acknowledges and agrees that a breach by Contractor of the provisions of this Agreement will cause University irreparable injury and damage. Contractor, therefore, expressly agrees that University will be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement.

12.25 **Access by Individuals with Disabilities.** Contractor represents and warrants (**EIR Accessibility Warranty**) the electronic and information resources and all associated information, documentation, and support Contractor provides to University under this Agreement (**EIRs**) comply with applicable requirements in [1 TAC Chapter 213](#) and [1 TAC §206.70](#) (ref. [Subchapter M, Chapter 2054, Texas Government Code](#)). To the extent Contractor becomes aware the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Contractor represents and warrants it will, at no cost to University, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. If Contractor fails or is unable to do so, University may terminate this Agreement and, within thirty (30) days after termination, Contractor will refund to University all amounts University paid under this Agreement.

12.27 **Subcontracting. Historically Underutilized Business Subcontracting Plan.** Contractor agrees to use good faith efforts to subcontract Work in accordance with the Historically Underutilized Business Subcontracting Plan (**HSP**) (ref. [Exhibit D](#)). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, **TPSS**). Submission of compliance reports will be required as a condition for payment under this Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the TPSS in accordance with [34 TAC §§20.285\(g\)\(5\), 20.585](#) and [20.586](#). University may also revoke this Agreement for breach and make a claim against Contractor.

12.27.1 **Changes to the HSP.** If at any time during the Term, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with [34 TAC §20.285](#); (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with **Section 12.6** to replace the HSP with the revised subcontracting plan.

12.27.2 **Expansion of Work.** If University expands the scope of Work through a change order or any other amendment, University will determine if the additional Work contains probable subcontracting opportunities *not* identified in the initial solicitation for Work. If University determines additional probable

subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of [34 TAC §20.285](#) before (a) this Agreement may be amended to include the additional Work; or (b) Contractor may perform the additional Work. If Contractor subcontracts any of the additional subcontracting opportunities identified by University without prior authorization and without complying with [34 TAC §20.285](#), Contractor will be deemed to be in breach of this Agreement under **Section 8** and will be subject to any remedial actions provided by Applicable Laws, including [Chapter 2161, Texas Government Code](#), and [34 TAC §20.285](#). University may report nonperformance under this Agreement to the TPSS in accordance with [34 TAC §§20.285\(g\)\(5\), 20.585 and 20.586](#).

- 12.28 **Responsibility for Individuals Performing Work; Criminal Background Checks.** Each individual who is assigned to perform Work under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing Work under this Agreement. Prior to commencing Work, Contractor will (1) provide University with a list (**List**) of all individuals who may be assigned to perform Work on University's premises and (2) have an appropriate criminal background screening performed on all the individuals on the List. Contractor will determine on a case-by-case basis whether each individual assigned to perform Work is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on University's premises who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform Work on University's premises.

Prior to commencing performance of Work under this Agreement, Contractor will provide University a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide University an updated certification letter each time there is a change in the individuals on the List.

- 12.29 **Eligibility Certifications.** Pursuant to Sections 2155.004 and 2155.006, *Texas Government Code*, Contractor certifies that the individual or business entity named in this Agreement is not ineligible to receive the award of or payments under this Agreement and acknowledges that this Agreement may be terminated and payment withheld if these certifications are inaccurate.
- 12.30 **Products and Materials Produced in Texas.** Contractor agrees that in performing the Work and its other duties and obligations under this Agreement, Contractor will, whenever commercially reasonable, purchase products and materials produced in Texas when the products and materials are available at a price and delivery time comparable to products and materials produced outside of Texas.

13 **Project Notifications and Reports:**

Contractor will, upon execution of any project addendum (**Exhibit B**) under this Agreement, send a fully executed copy to:

Contractor Reports

In addition to the reports and deliverables required under the agreement between the Contractor and the Institution who contracts for specific services, Contractor shall, on a quarterly basis, submit a report detailing all projects performed for any Requesting Institution, which will include the project name, project status (open / closed), total fees billed, total expenses billed, and completion date.

POLICY ON UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS)

Introduction

In accordance with the Texas Government Code, Sections 2161.181-182 and Title 34, Section 20.13 of the Texas Administrative Code (TAC), the Board of Regents of The University of Texas System, acting through the Office of HUB Development shall make a good faith effort to utilize Historically Underutilized Businesses (HUBs) in contracts for construction services, including professional and consulting services; and commodities contracts. The HUB Rules promulgated by the Texas Comptroller of Public Accounts (the "Texas Comptroller"), set forth in 34 TAC Sections 20.10-20.28, encourage the use of HUBs by implementing these policies through race, ethnic and gender-neutral means.

The purpose of the HUB Program is to promote full and equal business opportunities for all business in State contracting in accordance with the following goals as specified in the State of Texas Disparity Study:

- 11.2% for heavy construction other than building contracts;
- 21.1% for all building construction, including general contractors and operative builder's contracts;
- 32.9% for all special trade construction contracts;
- 23.7% for professional services contracts;
- 26% for all other services contracts, and
- 21.1% for commodities contracts.

The University of Texas System shall make a good faith effort to meet or exceed the above stated goals to assist HUBs in receiving a portion of the total contract value of all contracts that UT System expects to award in a fiscal year. The University of Texas System may achieve the annual program goals by contracting directly with HUBs or indirectly through subcontracting opportunities in accordance with the Texas Government Code, chapter 2161, Subchapter F.

NOTE: The goals above are the State of Texas HUB goals. For purposes of this procurement, The University of Texas System goals listed in the Special Instructions on page 11 will apply.

SUMMARY OF REQUIREMENTS
Historically Underutilized Business (HUBs) Subcontracting Plan (HSP)

It is the policy of The University of Texas System and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUBs) in all contracts. Accordingly, UT System has adopted “**EXHIBIT H, Policy on Utilization of Historically Underutilized Businesses**”. The policy applies to all contracts with an expected value of \$100,000 or more. The Board of Regents of The University of Texas System is the contracting authority.

1. In all contracts for professional services, contracting services, and/or commodities with an expected value of \$100,000 or more, The University of Texas System, “UT System” or the “University” will indicate in the purchase solicitation (e.g. RFQ, RFP, or CSP) whether or not subcontracting opportunities are probable in connection with the contract. A HUB Subcontracting Plan is a required element of the architect, contractor or vendor Response to the purchase solicitation. The HUB Subcontracting Plan shall be developed and administered in accordance with the Policy. **Failure to submit a required HUB Subcontracting Plan (HSP) will result in rejection of the Response.**
2. If subcontracting opportunities are probable UT System will declare such probability in its invitations for bids, requests for proposals, or other purchase solicitation documents, and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
 - a. When subcontracting opportunities are probable, and the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors **[34 TAC §20.14 (d) (1)(A)(B)(C)(D) (2) (3)(A)(B)(C)(D)(E)(F) (4)(A)(B)]**.
 - b. When subcontracting opportunities are probable, but the Respondent can perform such opportunities with its employees and resources, the Respondent’s HUB Subcontracting Plan shall include **Section 3 –Self Performance [34 TAC §20.14 (d) (5) (A) (B) (C) (D)]**.
3. If subcontracting opportunities are not probable UT System will declare such probability in its invitations or bids, requests for proposals, or other purchase solicitation documents and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
 - a. When subcontracting opportunities are not probable, and the Respondent proposes to perform all the work with its employees and resources, the Respondent shall submit a HUB Subcontracting Plan that includes **Section 3 – Self Performance Justification**.
 - b. When subcontracting opportunities are not probable, but the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors.
4. Respondents shall follow, but are not limited to, procedures listed in the Policy when developing a HUB Subcontracting Plan.
5. **Competitive Sealed Proposals (CSP):** Respondents shall submit a HUB Subcontracting Plan (packaged separately) twenty-four (24) hours following the Response submission date and time or as prescribed by the project manager. Submit one (1) original and one (1) PDF copy on CD, DVD, or flash drive of the HUB Subcontracting Plan (HSP).
6. In making a determination whether a good faith effort has been made in the development of the required HUB Subcontracting Plan, UT System shall follow the procedures listed in the Policy. If accepted by the University, the HUB Subcontracting Plan shall become a provision of the Respondent’s contract with UT System.

Revisions necessary to clarify and enhance information submitted in the original HUB subcontracting plan may be made in an effort to determine good faith effort. Any revisions after the submission of the HSP shall be approved by the HUB Coordinator.

7. **Design Build (DB) and Construction Manager @ Risk (CM@R) responses:** Respondents to a “design build” or “construction manager-at-risk” purchase solicitation shall include the Letter of HUB Commitment in their Response attesting that the Respondent has read and understands the Policy on Historically Underutilized Businesses (HUBs), and a HUB Subcontracting Plan for all preconstruction and construction services including a HUB Subcontracting Plan as prescribed by the Texas Comptroller specific to construction services identifying first, second and third tier subcontractors. Respondents proposing to perform Part 1 pre construction services with their own resources and employees shall submit, as part of their HSP, the Self Performance Justification. Submit one (1) original and one (1) PDF copy on CD, DVD, or flash drive of the HUB Subcontracting Plan (HSP).
8. **DB and CM@R HUB Contract Requirements:** Contractors engaged under design-build and construction manager-at-risk contracts shall submit a HUB Subcontracting Plan for all preconstruction and construction Phase Services, and, must further comply with the requirements of this Policy by developing and submitting a HUB Subcontracting Plan for each bid package issued in buying out the guaranteed maximum or lump sum price of the project. The HSP shall identify first, second and third tier subcontractors.
9. The University of Texas System shall reject any Response that does not include a fully completed HSP as required. **An incomplete HUB Subcontracting Plan is considered a material failure to comply with the solicitation for proposals.**
10. **Changes to the HUB Subcontracting Plan:** Once a Respondent’s HSP is accepted by UT System and becomes a provision of the contract between Respondent and UT System, the Respondent can only change that HSP if (a) the Respondent complies with 34 TAC Section 20.14; (b) the Respondent provides its proposed changes to UT System for review; (c) UT System (including UT System’s HUB Coordinator) approves Respondent’s proposed changes to its HSP; and (d) UT System and the Respondent amend their contract (in writing signed by authorized officials of both parties) in order to replace the contract’s existing HSP with a revised HSP containing the changes approved by UT System.
11. **Expansion of Work:** If, after entering into a contract with a Respondent as a result of a purchase solicitation subject to the Policy, UT System wishes to expand the scope of work that the Respondent will perform under that contract through a change order or any other contract amendment (the “additional work”), UT System will determine if the additional work contains probable subcontracting opportunities not identified in the initial purchase solicitation for that contract. If UT System determines that probable subcontracting opportunities exist for the additional work, then the Respondent must submit to UT System an amended HUB Subcontracting Plan covering those opportunities that complies with the provisions of 34 TAC Section 20.14. Such an amended HSP must be approved by UT System and the Respondent (including UT System’s HUB Coordinator) before (a) the contract may be amended by UT System and the Respondent to include the additional work and the amended HSP and (b) the Respondent performs the additional work. If a Respondent subcontracts any of the additional subcontracting opportunities identified by UT System for any additional work (i) without complying with 34 TAC Section 20.14 or (ii) before UT System and that Respondent amend their contract to include a revised HSP that authorizes such subcontracting, then the Respondent will be deemed to be in breach of its contract with UT System. As a result of such breach, UT System will be entitled to terminate its contract with the Respondent, and the Respondent will be subject to any remedial actions provided by Texas law, including those set forth in Chapter 2161, Texas Government Code, and 34 TAC

Section 20.14. The University may report a Respondent’s nonperformance under a contract between that Respondent and UT System to the Texas Comptroller in accordance with 34 TAC Sections 20.10 through 20.18.

12. A Response may state that the Respondent intends to perform all the subcontracting opportunities with its own employees and resources in accordance with the Policy. However, if such a Respondent enters into a contract with UT System as a result of such a Response but later desires to subcontract any part of the work set forth in that contract, before the Respondent subcontracts such work it must first change its HUB Subcontracting Plan in accordance with the provisions of Section 10 above.
13. The University of Texas System shall require a professional services firm, contractor or vendor to whom a contract has been awarded to report the identity and the amount paid to its subcontractors on a monthly basis using a **HUB Subcontracting Plan (HSP) Prime Contractor Progress Assessment Report (PAR)** as a condition for payment.
14. If the University of Texas System determines that the successful Respondent failed to implement an approved HUB Subcontracting Plan in good faith, UT System, in addition to any other remedies, may report nonperformance to the Texas Comptroller in accordance with 34 TAC Section 20.14, (g) (1) related remedies of nonperformance to professional services firms, contractor and vendor implementation of the HSP.
15. In the event of any conflict between this "Summary of Requirements" and the remainder of the HUB Policy, the remainder of the HUB Policy will control.

In accordance with the requirements outlined in the specification section "HUB Participation Program", I am pleased to forward this HUB Subcontracting Plan as an integral part of our proposal in connection with your invitation for request for proposals, referencing Project Number _____.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized Businesses (HUBs).

Good Faith Effort will be documented by a two-part HUB Subcontracting Plan (HSP) process. Part one (1) of the HSP submission will reflect self-performance with the appropriate sections completed per the instructions in Option One of the HSP Quick Checklist located on page 10 of The University of Texas Exhibit H Policy on Utilization of Historically Underutilized Businesses (HUBs).

As the scope of work/project is defined under this ID/IQ contract, part two (2) of the process will require a revised HUB Subcontracting Plan (HSP) and the Good Faith Effort will be documented per instructions in Attachment B (page 16-17) and Option Three of the HSP Quick Check List. The revised HUB Subcontracting Plan will be submitted to the HUB Coordinator prior to execution of each contract process. Documentation of subcontracted work will be provided with each pay request.

Sincerely,

Project Executive

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

- - Agency Special Instructions/Additional Requirements - -

*In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

In accordance with 34 TAC §20.13(d)(1)(D)(iii), the goals below are the applicable goals for the University of Texas Administration only.

Other Services Goal – 26%

- Responses for Special Trades construction shall submit a HUB Subcontracting Plan (HSP) that meet the Good Faith Effort (GFE) prescribed in Method B, Attachment B. See instructions for Option Three on the HSP Quick Check List. No other Good Faith Effort method will be accepted.
- Responses for Miscellaneous Services Agreements for indefinite duration/indefinite quantity is a two (2) part process:
 1. Submit a Letter of HUB Commitment (page 9) and a GFE described in Option Four.
 2. Submit a revised HSP prior to the execution of each contract process as described in Option Three of the Quick Check List.
- Respondents shall submit a completed HSP to be considered responsive. Failure to submit a completed HSP shall result in the bid, proposal or other expression of interest to be considered non-responsive.
- Respondents who intend to self-perform all of their work shall submit an HSP for Self Performance HSP as described in Option Four.
- Prime Contractor Progress Assessment Report (PAR) shall be submitted with each request for payments as a condition of payment.
- Acceptable documentation of the GFE include fax, email or certified letter.

SECTION 4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report - PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/ProgressAssessmentReportForm.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

Enter the item number and description of the subcontracting opportunity you listed in SECTION 2, Item b, of the completed HSP form for which you are completing the attachment.

Item Number: _____ Description: _____

SECTION B-2: MENTOR PROTEGE PROGRAM

If respondent is participating as a Mentor in a State of Texas Mentor Protege Program, submitting its Protege (Protege must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in **SECTION B-1**, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specific portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protege.

- Yes (If *Yes*, continue to SECTION B-4.)
- No / Not Applicable (If *No* or *Not Applicable*, continue to SECTION B-3 and SECTION B-4.)

SECTION B-3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you **MUST** comply with items **a, b, c and d**, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/HUBSubcontractingOpportunityNotificationForm.pdf>.

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be "day zero" and does not count as one of the seven (7) working days.

- a.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas' Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at <http://mycpa.cpa.state.tx.us/tpasscmlsearch/index.jsp>. HUB status code "**A**" signifies that the company is a Texas certified HUB.
- b.** List the **three (3) Texas certified HUBs** you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company's Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

- c.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to **two (2)** or more trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program's webpage at <https://www.comptroller.texas.gov/purchasing/vendor/hub/resources.php>.

A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
