The University of Texas MD Anderson Cancer Center Internal Audit department conducted an assessment of the Segregation of Duties and Account Reconciliations. The objective of the audit was to:

*To perform a risk assessment of the Monitoring Plan designed to ensure compliance with UTS 142.1. Determine if additional audit procedures are warranted based on a review of the annual subcertification process and assertions on segregation of duties and account reconciliations.*

The report contains confidential information that relates to technology and is not subject to the disclosure requirements of the Texas Public Information Act, based on the exception found in Government Code §552.139. Specific results were made to the appropriate management members.
