**SCOPE AND PROCEDURES**

The scope of this audit included travel and entertainment expenses of the president and his spouse incurred from January 1, 2021 through December 31, 2021. UT Austin does not have university residence maintenance expenses.

The audit procedures consisted of reviewing applicable institutional policies and procedures, assessing relevant internal controls, and obtaining a summary of expenses provided by the Office of the President. UT Austin spent approximately $138,356 on presidential travel and entertainment during the audit scope. The president did not have international travel or spousal expenses.

A sample of expenses was judgmentally selected based on dollar amount, types of expenses, and other inherent risk factors. Substantive testing was performed to determine whether the expenses were properly approved, submitted timely, adequately supported, for an appropriate business purpose, mathematically accurate, within allowable limits, and not a prohibited item.

**CRITERIA**

Guidance for travel, entertainment, and university residence maintenance expenses is provided by various state laws, rules and regulations promulgated under those laws, and UT System and institutional travel and entertainment policies and procedures including, but not limited to, Rule 20205.
