The University of Texas at El Paso
National Collegiate Athletic Association

We have performed the procedures enumerated below to confirm whether the accompanying schedule of revenues and expenses (unaudited) (the Schedule) of The University of Texas at El Paso (the University) Department of Intercollegiate Athletics is in compliance with National Collegiate Athletic Association (NCAA) Bylaw 20.2.4.17 for the year ended August 31, 2023 (the reporting period). The University’s management is responsible for the accompanying Schedule.

The University has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement of complying with NCAA Bylaw 20.2.4.17. Additionally, the NCAA has specified in their Bylaws the procedures to be performed and, therefore has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

Material exceptions for reporting are defined as errors or misclassifications equal to or greater than 1% of total revenues or expenses. Immaterial differences, if any, were discussed with management and adjusted as needed on the Schedule.

If a specific reporting category was less than 4% of the total operating revenues, net of the University's direct and indirect support, no procedures were required for that specific category.
  We found no exceptions as a result of these procedures.

- Compared and agreed a sample of 25 operating revenue receipts obtained from the above operating revenue supporting schedules to adequate supporting documentation. The sample was selected from revenue categories that exceeded 4% of total operating revenues, net of the University's direct and indirect support.
  We found no exceptions as a result of these procedures.

1. Basis of Presentation

The accompanying schedule of revenues and expenses (the Schedule) for the fiscal year ended August 31, 2023 includes the revenues and expenses of the Department of Intercollegiate Athletics of The University of Texas at El Paso (the University) and its intercollegiate athletic programs.

The activities reported within the Schedule include all men's and women's intercollegiate athletic programs. Certain shared costs are allocated to the individual sports based on the relative benefits provided by such activities. The Schedule includes the revenues and expenses of an outside organization, which falls under the University's internal accounting control. To the extent this organization makes contributions to the University, the contributions are recorded in the Schedule.

In accordance with National Collegiate Athletic Association (NCAA) financial agreed-upon procedures guidelines, restricted gifts and endowment earnings are reported in the Schedule based upon the existence of conditions placed upon the use of the award by the donor. In addition, plant-related activity such as depreciation is not included in the Schedule. However, the University's policy in regard to property, plant and equipment is to record such assets at cost, or if acquired by gift, at fair value at the date of the gift. Assets are depreciated using the straight-line method over the estimated useful lives of the assets. As assets are retired, sold, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and gains and losses resulting from such transactions are recorded. Maintenance and repairs are expensed as incurred.

The accompanying Schedule has been prepared on the accrual basis of accounting and in accordance with NCAA Bylaws, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Equipment purchases and debt principal payments, which are reported as expenses in the accompanying Schedule, would be capitalized and presented as assets or as a reduction of liabilities, respectively, on the statement of financial position of financial statements prepared in conformity with accounting principles generally accepted in the United States of America.

Informal quotes are required for purchases above $15,000, and comparative procurement is required for all assets above $50,000. The capitalization threshold is $5,000.

- **Approval** - Debt-financed capital asset purchases are approved by the Vice President for Business Affairs.

- **Depreciation** - Depreciation is allocated to Athletics assets, or portions of real-assets, under the control of Athletics. Depreciation is calculated on a straight-line basis.

1 Due to the unavailability of support for budget estimates for each major revenue and expense account over 10% of total revenues and total expenses, we were unable to compare the revenue and expense amount reported in the current period to the current year budget estimates.

2 Increased student fees are a result of increased allocations to offset increased operating expenses related to football operations & team travel, the addition of repair and replacement reserves and to cover revenue shortfalls related to football season tickets and gate receipts.

3 Increased contributions are a result of football premium seating sales increased compared to PY. FY23 was the first year the University could offer premium area at 100% (as FY22 we still had increased student fees).

4 Increased conference distributions (nonmedia and nonfootball bowl) are a result of conference realignment buyouts - two years of distributions were recognized in FY23.

5 Increased support staff/administrative compensation, benefits and bonuses paid by the University and related entities increased as a result of added positions and salary increases.

6 Increased team travel as a result of an increase in inflation costs. Buses and hotel costs nearly doubled and also added an additional sport (WBV).
