

THE UNIVERSITY OF TEXAS SYSTEM  
**FROM THE CHANCELLOR**

Dear UT Arlington community,

I am pleased to share with you that the UT System Board of Regents today officially named Jennifer Evans-Cowley, Ph.D., as the next President of UT Arlington. She will begin her new role on April 28.

Over the next few months, President Cowley will be completing her work at the University of North Texas, where she has led its teaching and research enterprise as provost. She will also be participating in preliminary meetings at UT Arlington to ensure a smooth transition to the presidency.

I am grateful to everyone who helped make this presidential search a successful one, including the UT Arlington community, members of the presidential advisory search committee, the Board of Regents and those from the campus and metroplex area who shared their ideas and insights.

I offer my congratulations to Dr. Cowley, and my thanks to Interim President Lim, who has helped propel UT Arlington forward over the last two years. The entire UT System community looks forward to ever-greater achievement and success at UT Arlington in the future.

Sincerely,

James B. Milliken  
Chancellor
