

PROMISE+

AND OTHER CRITICAL INVESTMENTS

\$1M 

Regents created the \$300 million **Promise+** endowment to expand tuition assistance programs at UT academic institutions. UTPB will receive \$1 million in the first year alone, making it possible for 700 more students whose families make less than \$100,000 to have their entire tuition covered.

\$9.6M

\$9.6 million in Library Equipment Repair and Rehabilitation (LERR) funds over the last decade to fund additional major upgrades and repairs to buildings, the purchase of lab equipment, and the addition of new technology and improvements to provide critical campus infrastructure at UTPB.

\$39.1M 

\$39.1 million in PUF funding over the last decade toward facilities to support education and research at UTPB, including:

- Construction of the D. Kirk Edwards Family Human Performance Center to house classrooms, faculty offices, and labs for kinesiology and athletic training majors.
- Construction of an Engineering Building to provide space for classrooms, instructional labs, research endeavors, administrative offices and student support services.
- Improvements and repairs to a slew of other projects including STEM Academy Charter School, roofing various buildings, Nursing Program renovation; replace cooling tower, modular buildings, other minor projects

\$8M

\$8 million over the last decade to recruit and retain 25 notable UTPB faculty members through the Regents' successful STARs (Science and Technology Acquisition and Retention) program. STAR recipients have generated additional research grants and support for UTPB that amount to more than 4 times the Regents' initial investment.

\$92.9M

\$92.9 million from the Texas Legislature in capital construction assistance for UTPB's Engineering building (2018), Human Performance Center (2020) and the Mesa Building renovation (2021).
