1. U. T. System: Report on the status of the Fiscal Year 2006 U. T. System Financial Statements Audit

REPORT

Mr. Rodney Lenfant, Deloitte & Touche LLP, will report on the firm's plan for conducting the 2006 audit including methodology, staffing, training, and associated timelines. The detailed Client Service Plan is set forth on Pages 12 - 31 of the Supplemental Materials (Volume 2) of the Agenda Book. The Engagement Objectives and Audit Approach are set forth in Section II on Pages 16 - 17 of the Supplemental Materials. The Audit Scope is set forth in Section III on Page 18.

BACKGROUND INFORMATION

In November 2003, the U. T. System Board of Regents approved an initiative to implement the "spirit" of the Sarbanes-Oxley Act as a good faith effort toward manifesting financial accountability and compliance in the public sector. As a result, in June 2004, the Board of Regents sought proposals for a comprehensive annual financial statement audit by an independent certified public accounting firm to obtain assurance that U. T. System has a sound financial base and adequate resources to support the mission of the organization and the scope of its programs and services.

A Request for Qualifications (RFQ) was distributed by U. T. System staff in June 2004. Two proposals were received. After a review of the proposals and firm interviews by Committee Chairman Estrada and U. T. System staff, the Board of Regents authorized the U. T. System staff to negotiate and enter into an auditing services contract with Deloitte & Touche LLP, at the July 16, 2004 Board of Regents' meeting. The initial contract, that terminated on April 1, 2006, provided U. T. System the option to renew for two additional one-year terms. In February 2006, the U. T. System Board of Regents authorized U. T. System staff to negotiate and renew the auditing services contract with Deloitte & Touche LLP.

2. U. T. System: Update on the Information Security Compliance Initiatives

REPORT

The University of Texas System has many information assets, including sensitive and personal information. Information Security, the protection of sensitive and personal information, is governed by federal and state laws and institutional policies and procedures. Non-compliance with these rules and regulations can result in penalties to the institution and loss of critical information assets.

Mr. Chaffin, Chief Audit Executive and System-wide Compliance Officer, Ms. Tonya M. Brown, Vice Chancellor for Administration, and Dr. Scott C. Kelley, Executive Vice Chancellor for Business Affairs, will provide an update on several information security initiatives including appointment of a System-wide information security officer, protection of significant and/or critical information assets, risk assessments, assurance strategies, and an action plan to enhance information security compliance. A summary of the planned IT Security Program was sent to members of the Board on July 21, 2006.

3. U. T. System Board of Regents: Approve proposed appointment of members to the Audit and Ethics Committee of The University of Texas Investment Management Company (UTIMCO)

RECOMMENDATION AND REPORT

The University of Texas Investment Management Company (UTIMCO) Board of Directors recommends that the U. T. System Board of Regents approve appointments to the Audit and Ethics Committee of the UTIMCO Board of Directors as follows:

Mr. Erle Nye (Chair)
Mr. Robert B. Rowling
Ms. Colleen McHugh

It is also reported that UTIMCO officers are as follows:

Chairman: Mr. H. Scott Caven, Jr.
Vice-Chairman: Mr. Robert B. Rowling
Vice-Chairman for Policy: Chancellor Mark G. Yudof

BACKGROUND INFORMATION

Section 66.08 of the *Texas Government Code* requires that the U. T. System Board of Regents approve the appointment of members of the Audit and Ethics Committee of the Board of Directors of UTIMCO. The Board of Directors of UTIMCO recommended these appointments conditioned on the approval of the U. T. System Board of Regents at the August 10, 2006 meeting.

Mr. Nye, Mr. Rowling, and Ms. McHugh were appointed to the UTIMCO Board of Directors on March 10, 2005, February 10, 2005, and November 10, 2005, respectively. Ms. McHugh replaces Mr. Woody L. Hunt on the Audit and Ethics Committee. Mr. Hunt's term expired July 13, 2006. Mr. Nye and Mr. Rowling have previously served on the Audit and Ethics Committee, as appointed by the Board of Regents on February 9, 2006.

Mr. Caven served as Vice-Chairman of the UTIMCO Board of Directors from May 19, 2005 until September 14, 2005, when he was appointed Chairman of the UTIMCO Board. Mr. Rowling was appointed Vice-Chairman on July 13, 2006, replacing Mr. Hunt as Vice-Chairman.

4. U. T. System: Report on the System-wide Internal Audit Activity

REPORT

Mr. Charles Chaffin, Chief Audit Executive, will report on System-wide audit activity for the third quarter of Fiscal Year 2006, including the status of significant audit recommendations.

The third quarter activity report on the Status of Outstanding Significant Recommendations is set forth on Pages 135 - 136. The report shows that satisfactory progress is being made on the implementation of all significant recommendations. Additionally, a list of other audit reports that have been issued by the System-wide audit program follows on Page 137.

Significant audit findings/recommendations are submitted to and tracked by the U. T. System Audit Office. Quarterly, the chief business officers are asked for the status of implementation, and the internal audit directors verify implementation. A summary report is provided to the Audit, Compliance, and Management Review Committee of the U. T. System Board of Regents. Additionally, the Committee members receive a detailed summary of "new" significant recommendations quarterly.

Additionally, Ms. Jennifer Chapman, Executive Director of Assurance Services at U. T. Arlington, and Mr. Ken Schroeder, Director of Audit at U. T. Arlington, will present the results of their recent external peer review.

Color Legend:

Any audit with institutionally significant findings. Not necessarily a failure - just an area that needs high level attention. Corrective action will be taken subsequent to the quarter in which the finding was reported.

Significant progress toward resolution was made during the quarter in which the significant finding was first reported.

A red or orange audit becomes a yellow when significant progress continues beyond the quarter in which the significant finding was first reported.

All issues have been appropriately resolved, including any issues resolved during the quarter in which they were first reported.

Note:

Completed - The institutional Internal Audit Director deems the significant issues have been appropriately addressed and resolved.

Satisfactory - The institutional Internal Audit Director believes that the significant issues are in the process of being addressed in a timely and appropriate fashion.

Unsatisfactory - The institutional Internal Audit Director does not feel that the significant issues are being addressed in a timely and appropriate fashion.
