THURSDAY, AUGUST 29, 1996.--The members of the Board of Regents of The University of Texas System convened via telephone conference call and in person (Regent Deily) at 11:20 a.m. on Thursday, August 29, 1996, on the ninth floor of Ashbel Smith Hall at 201 West Seventh Street in Austin, Texas, with the following in attendance:

ATTENDANCE.--

Present

Vice-Chairman Hicks
Regent Deily
Regent Evans
Regent Lebermann
Regent Loeffler

Absent
Vice-Chairman Smiley
Regent Holmes
Regent Temple

Executive Secretary Dilly
Chancellor Cunningham
President Berdahl (U. T. Austin)

In accordance with a notice being duly posted with the Secretary of State and there being a quorum present, Chairman Rapoport called the meeting to order. He announced that the sole purpose of this special meeting was to consider the ratification of Executive Committee Letters 96-23 and 96-24 which had been previously distributed to the Board. Chairman Rapoport noted to the Board that, as indicated in the recommendations associated with each of the four action items, there were legal/administrative and/or private fund development reasons which required that the recommendations be formalized prior to the regular meeting of the Board in November 1996.

*Vice-Chairman Smiley and Regents Holmes and Temple were excused because of previous commitments.
CONSIDERATION OF EXECUTIVE COMMITTEE LETTER 96-23

1. U. T. Board of Regents: Approval for the Firm of Deloitte & Touche, LLP to Perform Audits of the Financial Statements of The University of Texas Investment Management Company (UTIMCO), the Permanent University Fund, and Other Investment Funds for the Fiscal Year Ended August 31, 1996.--Without objection, the Board approved the selection of Deloitte & Touche, LLP to perform audits of the financial statements of The University of Texas Investment Management Company (UTIMCO) and the investment funds managed by UTIMCO pursuant to the Investment Management Services Agreement approved by the U. T. Board of Regents at its February 1996 meeting.

Section 66.08 of the Texas Education Code, which authorizes the U. T. Board of Regents to contract with UTIMCO for the investment management of funds under its fiduciary care, requires that (a) the U. T. Board of Regents provide for an annual financial audit of the Permanent University Fund and (b) the audit be performed by the auditors of The University of Texas System and The Texas A&M University System (TAMUS) and be presented to the U. T. Board of Regents.

The approval of Deloitte & Touche, LLP by the U. T. Board of Regents follows a Request for Proposal process by UTIMCO and had the prior approval of the UTIMCO Audit and Ethics Committee and Board of Directors, the State Auditor, The Texas A&M University System, and the U. T. System Administration.

2. U. T. Board of Regents - Regents' Rules and Regulations, Parts One and Two: Amendments to Comply with Previous Board Actions Regarding the Delegation of Selected Contract Approval Authority to Designated U. T. System Administration and Component Officials Effective September 1, 1996.--Upon recommendation of the Chancellor, The University of Texas System Process Review Committee, and the Business Affairs and Audit Committee, the Board, without objection, amended the Regents' Rules and Regulations, Parts One and Two as set forth on Pages 3 - 33 to implement the U. T. Board of Regents' actions approved at the May 1996 meeting regarding the delegation of selected contract approval authority to designated U. T. System Administration and component officials effective September 1, 1996.
These amendments to the Regents' Rules and Regulations delegate the authority to execute a variety of contracts and agreements to selected U. T. System Administration or component officials within specific guidelines, conditions, and restrictions. Previously these contracts and agreements were approved or ratified by the U. T. Board of Regents via the Docket process, and the elimination of these items from the Docket will produce a significant savings in staff time at the components and expedite contract administration.

This delegation of authority is consistent with the cost-saving programs recommended by the System Process Review Committee, chaired by Regent Lebermann, and provides an efficient method for the U. T. Board of Regents to delegate contracting authority as authorized by Section 65.31(g) of the Texas Education Code. Implementation of this delegated authority will be monitored periodically through routine reviews and audits.

a. Part One, Chapter I (Board of Regents), Section 7, Subdivisions 7.13 and 7.14, relating to the committee structure of the U. T. Board of Regents, were amended to read as follows:

> 7.13 Authority of Standing Committees.--The authority of standing committees of the Board shall be subject to action of the whole Board. Except as provided in Subdivision 7.14 of this Section, the committees' actions must be ratified by the Board before they shall become effective.

> 7.14 Duties of the Executive Committee.--Any action taken by the Executive Committee pursuant to authority granted in Part One, Chapter I, Subsection 9.5 of these Rules and Regulations shall be effective at the time the action is taken by the committee unless otherwise stated by the committee and shall be reported to the Board at its next regularly scheduled meeting. The Executive Committee, after appropriate consultation with other members of the Board, shall act for the Board on all other items requiring immediate attention; provided that all actions taken by the Committee that are not authorized by Part One, Chapter I, Subsection 9.5 must be ratified by the Board.
b. Part One, Chapter I, present Section 9, relating to the execution of documents on behalf of the U. T. Board of Regents, was deleted in its entirety and the following substituted in lieu thereof:

The Board shall take all actions necessary to maintain oversight and to implement all proper and necessary procedures with regard to such delegated authority. Except as provided in Subdivision 9.23, all other contracts or agreements, including purchase orders and vouchers, with a cost or value of more than $500,000 must be approved by the Executive Committee of the Board or approved by the Board via the docket or the agenda.

9.23 Contracts, agreements, and documents relating to construction projects previously approved by the Board in the Capital Improvement Program and Capital Budget and contracts or agreements, including purchase orders and vouchers, for the purchase of replacement equipment, routinely purchased supplies, purchases made under a group purchasing program, or purchases of new equipment identified specifically in the institutional budget approved by the Board do not require prior approval or ratification by the Executive Committee or the Board regardless of the contract amount.

9.24 The officer or employee executing any document on behalf of the Board shall be responsible for assuring that he or she has authority to act on behalf of the Board and that such authority is exercised in compliance with applicable conditions and restrictions.
9.25 The primary delegate identified in these Rules and Regulations may further delegate his or her delegated authority unless otherwise specified. Any such further delegation of authority must be made in writing and the primary delegate shall permanently maintain, or cause to be maintained, evidence of all such delegations. A delegate of the primary delegate may not further delegate such authority.

9.26 The primary delegate identified in these Rules and Regulations as authorized to execute and deliver on behalf of the Board various types of contracts, agreements, and documents shall maintain, or cause to be maintained, necessary and proper records with regard to all contracts, agreements, and documents executed and delivered pursuant to such delegated authority. An original of each executed contract or agreement shall be kept for a minimum period of four (4) years after the expiration of the contract or agreement, or longer as may be specified by any applicable records retention schedule or policy adopted by the Board, the U. T. System Administration, or the component.

9.27 All authority to execute and deliver contracts, agreements, and other documents is subject to compliance with all applicable laws and regulations and all applicable provisions of these Rules and Regulations.

9.28 All purchases, regardless of the source of funds, shall be made on a competitive basis unless otherwise authorized by law, U. T. System policy, or approved component policy.
9.3 Prior Approval, Ratification, and Reporting.--Actions taken pursuant to delegated authority must receive the prior approval of, be ratified by, or be reported to the Board only as specifically required in these Rules and Regulations, the policies of the Board, or any special instructions or guidelines issued as provided in these Rules and Regulations.

9.4 Actions of the Board as Trustee.--Authority delegated by the Board in these Rules and Regulations includes actions that may be taken by the Board in its capacity as trustee of any trust, to the extent such delegation is permitted by law.

9.5 Delegation of Authority to the Executive Committee.--Except as may be specifically set out otherwise in these Rules and Regulations, the Board delegates to the Executive Committee of the Board authority to approve on behalf of the Board any contract, agreement, or document. When approving any contract, agreement, or document, the Committee shall designate the officer, employee, or agent authorized to execute and deliver the contract or agreement and specify any other required approvals. The designated delegate may further delegate his or her delegated authority unless otherwise specified. Any such further delegation of authority must be made in writing and the designated delegate shall permanently maintain, or cause to be maintained, evidence of any such delegation. A delegate of the primary delegate may not further delegate such authority. The Executive Committee shall report to the Board at its next regular meeting actions taken by the Committee on behalf of the Board as provided in Part One, Chapter I, Section 7 of these Rules and Regulations.

The Construction Documents must be approved by the Chancellor before the advertisement for bids for Major Projects.

4.2 Modification of Bids.--No bid may be changed, amended, or modified after the time for bid filing set out in the advertisement for bids. The substance of this requirement shall be stated in the advertisement for bids; provided, however, that this requirement shall not be construed to prohibit the submission or filing of more than one separate and independent bid by any bidder.

4.3 Proposed Decision for Award.--The Responsible Administrator or delegate shall receive and open bids, and, with the project architect or engineer, if any, and others, tabulate and study such bids. After tabulation and study of the bids, the Responsible Administrator shall make a proposed decision for award.

If the lowest bidder fails to timely file notice of protest, the proposed decision for award will be final.
Notice of Protest.--If the lowest bidder timely files notice of protest, the Responsible Administrator will hear the protest or will appoint a Hearing Officer who shall promptly convene and conduct a hearing and subsequently prepare and submit a report of his or her findings to the Responsible Administrator. The Responsible Administrator shall make a final decision based upon the records of the hearing before the Hearing Officer.

Award of Contract.--All contracts associated with construction projects shall be awarded by the Responsible Administrator. The contract must be signed by the contractor(s) and the Responsible Administrator.

Final Payment.--The Responsible Administrator or delegate shall inspect the completed building and is authorized to approve final payment.

Sec. 5. Constitutional and Legislative Restrictions.

Improvements Financed by Bonds.--Sections 17 and 18 of Article VII of the Texas Constitution (regarding the Permanent University Fund and the Higher Education Assistance Fund) require approval by the Legislature, or an agency designated by the Legislature, prior to the construction of physical improvements financed by bonds authorized under those Sections at components other than The University of Texas at Austin.

Texas Higher Education Coordinating Board.--Unless otherwise authorized by law, new construction projects in excess of $300,000 and major repair and rehabilitation projects in excess of $600,000 must be approved by the Texas Higher Education Coordinating Board. Format for submission will be as prescribed by the Coordinating Board. Submission will be prepared by the component, in consultation with and assisted by the Office of Facilities
Planning and Construction, if necessary, and forwarded to System Administration for review, approval, and handling of submission. It is anticipated that necessary documents will be submitted to the Coordinating Board when the project scope and estimated cost are sufficiently defined to meet the Coordinating Board's requirements for approval. Normally, submission will be made after the Chancellor and the Board have approved the Design Development Plans and the related cost estimate.

x. A new Chapter XIII, relating to contracts and grants for sponsored research, was added to Part Two as follows:

Chapter XIII

CONTRACTS AND GRANTS FOR SPONSORED RESEARCH

Sec. 1. Delegation of Authority.--Subject to Subsections 1.1 and 1.2 of this Section and to the general provisions of Part One, Chapter I, Section 9, the Board delegates to each chief administrative officer authority to execute and deliver on behalf of the Board contracts or grant proposals for sponsored research from or with third parties, including institutional support grants. Funds shall not be encumbered or expended prior to execution of the contract or grant by the chief administrative officer. The chief business officer or delegate must approve the business aspects of contracts or agreements prior to execution.

1.1 Intellectual Property.--Sponsored research agreements and license agreements shall be processed as required by Part Two, Chapter XII, Subsection 9.1 of these Rules and Regulations.

1.2 Foreign Contracts.--A contract for sponsored research from a foreign government or agency thereof or with an institution, enterprise, or individual subject to the jurisdiction of a foreign government shall be submitted to the Board for approval as an agenda item or via the institutional docket, as determined by the appropriate Executive Vice Chancellor.
Sec. 2. **Budgets, Overhead Rates, and Specialized Rates.**

2.1 **Budget.**--Expenditures under any contract or grant must conform to the detailed budget, if any, included in the proposal for such contract or grant, as such budget may be amended by authorized procedures.

2.2 **Overhead Rates.**--Proposals regarding overhead rates and specialized rates for fringe benefits, computers, services, and other facilities and equipment chargeable to cost-reimbursement contracts and grants shall be negotiated with the appropriate cognizant agency by the institution's chief business officer. The chief business officer shall send a copy of the final negotiated agreement to the Controller.

2.3 **Renewals and Replacements.**--To the extent that indirect cost recoveries from the application of overhead rates are derived from use charges for buildings, other improvements, or equipment, the funds so derived shall be designated for renewals or replacements of such buildings, improvements, or equipment or for other purposes specified and approved in the budget processes as related to the indirect cost recoveries.
For the record, the foregoing amendments contain substantive and minor editorial corrections as summarized below:

a. Regents' Rules and Regulations, Part One, Chapter I (Board of Regents) -- Adds conditions generally applicable to the delegation of contracting authority, including a limitation specifying that delegated contracting authority applies only to consulting contracts with a value of less than $250,000 and all other contracts with a value of less than $500,000, except group purchases, the purchase of replacement equipment and routine supplies, and certain previously approved equipment purchases, for which no maximum contract value will apply; specifies that acquisitions must be made on a competitive basis unless otherwise authorized by law, U. T. System policy, or approved component policy; and amends the duties of the Executive Committee to allow the Executive Committee to approve contracts on behalf of the Board.

b. Regents' Rules and Regulations, Part One, Chapter II (Administration) -- Updates the description of certain offices within the Office of Business Affairs and clarifies the duties of the Executive Vice Chancellor for Business Affairs; amends the duties of the Vice Chancellor and General Counsel as necessary to accomplish the delegation of authority; and specifies who the System Executive Officers are.

c. Regents' Rules and Regulations, Part Two, Chapter I (General) -- Clarifies authority to accept, process, and administer gifts and bequests and delegates authority, subject to certain restrictions, to the chief administrative officer to make initial appointments to an endowed or named academic position.

d. Regents' Rules and Regulations, Part Two, Chapter III (Receipt, Custody, and Disbursement of Moneys; Travel Authorization, Reimbursement, and Institutional Regulations) -- Clarifies contracting authority relating to depository agreements and banking services.
e. Regents' Rules and Regulations, Part Two, Chapter IV (Purchasing) -- Deletes specific contracting authority previously assigned to the official purchasing agents of the components; deletes specific authority relating to space leases; and clarifies provisions relating to approval for purchase from or sale to an employee. The authority previously assigned to the official purchasing agents is now included in the more broad contracting authority delegated in Part Two, Chapter XI of the Regents' Rules and Regulations. Authority to enter into space leases is now included in Part Two, Chapter IX, Section 6, relating to the management and disposition of interests in real property.

f. Regents' Rules and Regulations, Part Two, Chapter VIII (Physical Plant Improvements) -- Reorganizes the provisions of the Chapter; with regard to major construction projects, delegates to the Chancellor or his designee the authority to enter into contracts within parameters previously approved or authorized by the Board; incorporates certain provisions of the revised capital improvement process approved by the Board in December 1994; and delegates to the chief administrative officers, or designee, the authority to enter into contracts with regard to minor construction and repair and rehabilitation projects.

g. Regents' Rules and Regulations, Part Two, Chapter IX (Matters Relating to Investments, Trusts, and Lands) -- Clarifies authority of the Office of Development and External Relations to accept, process, and administer certain assets received by gift or bequest and clarifies delegated authority relating to the management and disposition of real property interests owned or controlled by the Board.

h. Regents' Rules and Regulations, Part Two, Chapter XI (Contract Administration) -- Delegates contracting authority generally to the chief administrative officers subject to specified conditions and restrictions; delegates contracting authority for System Administration and System-wide contracts to the Executive Vice Chancellor for Business Affairs; and delegates contracting authority relating to legal matters to the Vice Chancellor and General Counsel.
i. Regents' Rules and Regulations, Part Two, Chapter XII (Intellectual Property) -- Clarifies the type of contracts to which Chapter XII applies and specifies certain types of intellectual property contracts and agreements that may be executed and delivered pursuant to the delegation of contracting authority in the Regents' Rules and Regulations, Part Two, Chapter XI.

j. Regents' Rules and Regulations, Part Two, Chapter XIII (Contracts and Grants for Sponsored Research) -- Adds a new Chapter delegating authority to pursue grants and enter into contracts for sponsored research to the chief administrative officers. Provisions relating to contracts and grants for sponsored research previously found in Part Two, Chapter XI have been moved to this new Chapter.
1. U. T. Board of Regents: Approval for a Limited Exception to the Regents' Rules and Regulations, Part One, Chapter VI, Section 6, Subsection 6.6 (Solicitation) to Permit the U. T. Austin Departments of Intercollegiate Athletics for Men and Women to Consider Sponsorship Arrangements for Selected Athletic Contests. -- Upon recommendation of the Chancellor, the Executive Vice Chancellor for Academic Affairs, the Executive Vice Chancellor for Business Affairs, and President Berdahl, the Board authorized a limited exception from the provisions of the Regents' Rules and Regulations, Part One, Chapter VI, Section 6, Subsection 6.6 regarding solicitation to permit on a one-time trial basis the Departments of Intercollegiate Athletics for Men and Intercollegiate Athletics for Women at The University of Texas at Austin the flexibility to participate in sponsorship agreements with AT&T and Mercedes-Benz AG and a joint sponsorship involving Leif Johnson Ford and Reebok.

The Regents' Rules and Regulations currently provide that only a registered student, faculty, or staff organization may distribute literature from an assigned kiosk or table on campus and that merchandise demonstration may be conducted only as part of a sanctioned athletic tournament. As a key feature of a trial sponsorship to benefit the U. T. Austin Department of Intercollegiate Athletics for Men and the Department of Intercollegiate Athletics for Women, AT&T and Mercedes-Benz AG propose to be allowed to distribute informational materials and conduct limited product demonstrations adjacent to Memorial Stadium on a selected game day. A joint sponsorship promotion proposed by Leif Johnson Ford and Reebok would involve a season-long promotion during the football season, culminating in the giveaway of a vehicle at the Texas A&M game and might also involve game day vehicle display. The other features of the sponsorship agreement proposals are consistent with authorizations currently in the Regents' Rules and Regulations.

AT&T proposes, as part of its title sponsorship of the Texas A&M/U. T. Austin football game ("the Texas Showdown"), to have informational kiosks at sites as designated by the institution. Mercedes-Benz AG would like to display its prototype sports utility vehicle adjacent to the stadium the day of the football contest with Notre Dame University. The proposals are pursuant to an approved agreement with Host Communications for game
sponsorship activities. Projected consideration to U. T. Austin for 1996-97 is $209,000 for the AT&T sponsorship, $24,500 for the Mercedes-Benz AG promotion, and $25,000 for the Leif Johnson Ford/Reebok proposal.

Approval was granted on a one-time trial basis only. Should further such sponsorships be desired after evaluation of these activities, a change in the applicable Regents' Rules and Regulations will be requested.

2. U. T. Austin: Authorization to Conduct a Private Fund Campaign for Longhorn Athletics (Regents' Rules and Regulations, Part One, Chapter VII, Section 2) and Agreement to Waive the Regents' Rules and Regulations, Part One, Chapter VIII, Section 1, Subsection 1.1 (Naming of Buildings) and to Rename Texas Memorial Stadium as the Darrell K Royal - Texas Memorial Stadium Consistent with the Private Fund Campaign.--Upon recommendation of the Chancellor, the Executive Vice Chancellor for Academic Affairs, and President Berdahl, the Board unanimously:

a. Approved a private fund campaign at The University of Texas at Austin to be called The Campaign for Longhorn Athletics with a goal of $30 million to benefit athletic programs, with fund raising directed to the expansion and renovation of Texas Memorial Stadium, a new artificial turf practice field, renovation and enlargement of the Neuhaus-Royal Complex, construction of a new track/soccer field, and endowments dedicated to the enhancement of academic and life skills for student athletes

b. Waived the Regents' Rules and Regulations, Part One, Chapter VIII, Section 1, Subsection 1.1, requiring that persons to be honored with the naming of a building "shall have been deceased at least five years" and renamed Texas Memorial Stadium at U. T. Austin as the Darrell K Royal - Texas Memorial Stadium, consistent with the approved fund campaign.

A significant feature of The Campaign for Longhorn Athletics will include individual naming opportunities for donor recognition.
Examples of areas with naming opportunities on which the U. T. Board of Regents had been briefed are listed below. Additional naming opportunities may become available as the project progresses.

Endowed scholarships and other restricted endowments will be named and recognized in accordance with established University policies. An appropriate plaque will be placed in each new donor recognition area. In addition, an architectural area in the stadium will be designated to honor all donors to the campaign.

A proposed war memorial plaza will enhance that historical aspect of the facility and provide a fitting tribute to those Texans who gave their lives in World War I and subsequent conflicts through consolidation and relocation of war memorials currently located in various places within the stadium.

Dependent upon the size of the donation made, donors will also have opportunities to select a U. T. Austin All-American football player to sponsor for recognition on a new "Longhorn All-American Wall" to be located in the Longhorn Plaza on the east side of the stadium. The
plaza will also provide opportunities for new memorial gifts in support of the campaign. Other donors may choose to participate in a "walk" utilizing donor recognition tiles.

The addition of Coach Darrell K Royal's name to Texas Memorial Stadium recognizes his numerous and significant contributions to the institution and retains the original stadium name granted in 1924 to memorialize military veterans. Coach Royal was employed initially by U. T. Austin in 1956 as head football coach and assumed the dual job of head football coach and athletics director in 1962. In his time as an administrator, he was directly responsible for the rise in excellence of all men's sports and was a guiding factor in the creation of one of the best women's athletic programs in America.

Coach Royal, who was a professor, was voted Coach of the Decade by ABC-TV for his work in that remarkable span between 1961 through 1970. When he retired from coaching after the 1976 season, Coach Royal, who was the youngest head coach in America when he came to Texas, was 52 years old. He stayed on as athletics director through the Fall of 1979, helping to lay the foundation for stricter NCAA guidelines on recruiting and admission standards for student athletes. His career was highlighted by efforts to maintain high standards of integrity and honesty in the workplace of college athletics.

In 1980, he became a special adviser to the U. T. Austin president on athletic matters. Off the field, he created a position for the nation's first academic counselor for athletics. He stressed the importance of the college degree, creating a unique "T" ring which he personally gave former players who earned their degrees. Of the 48 lettermen on his 1963 national championship team, 45 graduated.

Coach Royal's service went far beyond the University. He served on the Board of Directors for Stillman College, a predominantly African-American institution in Alabama, and has parlayed his love of country music and golf into numerous fund-raising events for underprivileged youngsters. Most significant of those is the East Austin Charity Golf Tournament, which has raised almost $5 million to benefit the youth of East Austin. His honors are numerous, the most recent being the prestigious Horatio Alger Award this past spring.
Born in the Dust Bowl days in Hollis, Oklahoma, Coach Royal played his college ball at the University of Oklahoma. He served in the Army Air Corps, 1943-1946, during World War II, and entered the coaching profession in the early 1950s. He served as head coach in the Canadian League at Edmonton, Canada, at Mississippi State University, and at the University of Washington before coming to Texas. He led the Texas Longhorns football team to eleven Southwest Conference titles, ten Cotton Bowl wins, and three national championships.

This honor to Coach Royal was endorsed by the donors of recent substantial gifts to benefit the proposed stadium renovation project, which includes plans to reemphasize the stadium as a tribute to war veterans.

ADJOURNMENT.--Chairman Rapoport announced that the purpose for which this special meeting was called had been completed and the meeting was duly adjourned at 11:25 a.m.
