

Claire Niday, MPH

Claire Niday is a Project Manager for the Texas Child Mental Health Care Consortium. Prior to joining the UT System, Claire was a Strategic Partnerships Advisor for the Texas Department of State Health Services where she facilitated cross-sector collaboration to advance public health practice and policy. She has more than 8 years of experience in public health program management, evaluation, and strategic planning. Her work has focused on statewide, systems-level approaches to improving child and adolescent health. Claire earned a Bachelor of Science in Kinesiology from California State Polytechnic University, Pomona and a Master of Public Health from University of Texas Health Science Center at Houston.
