About UT System

Established by the Texas Constitution in 1876, The University of Texas System consists of eight academic and six health institutions. [The University of Texas System Administration](#) is based in Austin, TX and is responsible for the central management and coordination of the fourteen institutions.

Essential Functions

The University of Texas System Administration is seeking students in a nursing, allied health, or pre-med program to conduct screening and temperature checks for occupants and visitors to the University of Texas System Administration Building at 210 West 7th Street, Austin Texas, 78701. Below are the essential functions of this position:

- Students will be asked to greet and screen all individuals through the main lobby in accordance with CDC guidelines and take temperatures before clearing individuals for entry into to elevators.
- Students must maintain a friendly and respectful attitude toward all employees and visitors.
- Put on (don) and remove (doff) personal protective equipment (PPE) per company protocol as required.
- Upon hire and before screenings take place students will be required to successfully complete UT System's HIPAA compliance training.

Required Qualifications

- High school diploma or GED
- Must be 18 years or older.
- Enrolled in an accredited school of nursing, allied health, or pre-med program with at least 6 hours of clinical experience.
- Customer service oriented.
