

Telemedicine Clinic Patient Enrollment Event

19TH FLOOR | GROUP FITNESS STUDIO
TUESDAY, OCTOBER 3, 2017 | 12 - 2 PM

The Office of Employee Benefits is excited to announce a new benefit for employees located in the UT System Building.* **Beginning on October 16, 2017**, employees will have access to a telemedicine clinic located on the 19th floor.

DETAILS

HOURS | Open from 8 to 10 am each weekday.

PROVIDERS | Staffed by health care providers from The University of Texas Medical Branch (UTMB) and assisted by nurses from The University of Texas at Austin School of Nursing.

ENROLL | To be evaluated in the clinic, each employee must be enrolled in MyChart with UTMB prior to the clinic visit. Enrollment is free, and can either be completed at the enrollment fair or if you are not able to attend the fair you can contact the Office of Employee Benefits to complete registration.

FREE | For a limited time, there will be NO COST for clinic visits.

CONNECT | Employees will be linked to the care provider via telemedicine equipment in the clinic, with the nursing staff available to assist with any necessary examination.

FIRST COME | Employees will be evaluated on a first come, first serve basis. When all available slots for the day are full, no additional appointments will be made for that day.

PRIMARY CARE | The clinic will focus on the treatment of minor primary care concerns, such as eye infections, ear aches, and colds. An employee may be issued a prescription or referred for further treatment at the conclusion of the appointment.
