In accordance with the Texas Government Code, Chapter 2161, Subchapter F, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract.

I, the undersigned authorized representative of the University of Texas System – OFPC, have reviewed this solicitation, complied with the steps according to the HUB Rules and have determined to the best of my knowledge and experience that subcontracting opportunities are **not probable under this contract.**
